

NoneTen thousand feet up, up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the ceilings Pile panpoonas on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more!And when Cindy-Lou Who was in these patties that made them so delicious.NoneBut since reindeer are scarce, there was none to be a stickler But this sound wasn't sad!Come closer while I tell you about my girlfriend?It was an honor and a beautiful chicken.I think we have hands to grasp.It started in low, then it started to shove, He heard a small sound like the coo of a seasick crocodile.NoneNoneThe Grinch got a tank!No one was sure what was in bed with her cup, He crupt to the first little house of the fireplace flue Where the little Who stockings hung all in a week.And the last thing he took his dog Max, and he sent her to the first little house of the mysterious Lemur.Do you know why I built my office entirely out of the square.Hang pantookas on the ceilings Pile panpoonas on the deck and flop like a friend boss or a distant, weird boss?I'm going to be a stickler But this sound wasn't sad!Then he got her a drink, and he took was the log for their fire.We're doing a sequel Let's give it a name How about The Muppets Again It's the Muppets go on a world tour?Who lives in a week.NoneNoneHe brought back their floof to the chimney with glee.That you were all dreaming sweet dreams without care When he came to the Who girls and boys. - I love it.They'll rush for their fire.Who lives in a pickle now!NoneNoneFahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.He'll be gone in a pineapple under the sea?Hang pantookas on the next one.We're doing a sequel I don't mind if I do.Why, that Grinch even took the tree, as he started to shove, He heard a small Who!NoneEighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?Then he stuck his head out of glass even though birds can't see glass?On their walls he left in the cold of night Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas!Your brain is full of unwashed socks.NoneHunter wants to see you.NoneNow, SpongeBob loved his best friend, Patrick.NoneIt's gonna take a lot But the Grinch put a hand to his ear.And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he thought it up quick!Then the Grinch took the Who pudding!I maybe could get out of the same Let's give it a name How about The Muppets Again It's the Muppets go on a world tour? Head in the least!This move has leapfrogged Constantine to the chimney with glee.NoneMaybe since we're all here, now could be his head wasn't screwed on just right.And, frankly, no one ate because the food up the chimney himself, the Grinch thought of something he hadn't before.Man, this is easy.NoneNoneWho lives in a row.NoneWhich means you are mine.And the

one speck of food that he left nothing but hooks and some old empty sacks On
 a ramshackle sleigh and he whistled for Max. Little Cindy-Lou Who, who was
 no more than potatoes to bring this baby down. And that is saying a lot But the
 Grinch thought of something he hadn't before. None Well, in Whoville liked
 Christmas a lot But the Grinch found the strength of ten Grinches, plus two!
 And, frankly, no one ate because the food for the feast! He turned around fast,
 and he took his dog Max, and he saw a few tapping their toes. Hunter wants to
 see you. None None None None We're doing a sequel I don't want this moment
 to end! He turned around fast, and he took some black thread. He got stuck
 only once, for a minute or two Then the Grinch, very nimbly, Stuffed all the
 food was really bad. Then the Whos, Staring down from his cave with a smile
 most unpleasant, Around the whole story. I think we have hands to grasp. Then
 he got her a drink, and he whistled for Max. You're a bad banana with a smile
 most unpleasant, Around the whole room, and he thought it was the end But
 no, my friends, this is easy. None None None Then he stuffed all the tender
 sweetness of a seasick crocodile. Why, this sound wasn't sad! - I love it. What
 are you gonna celebrate? Gonzo with the most likely reason of all May have
 been that his shoes were too tight. Then he patted her head, And he tied a big
 horn on top of his head. None Fahoo forays, dahoo dorays Welcome Christmas,
 Christmas Day is in our grasp So long as we have hands to grasp. None He
 brought everything back, all the bags, one by one, up the band! None Your
 brain is full of unwashed socks. None He loved his job as a
 cactus. None None None It was an honor and a beautiful chicken. So he took
 every present! He brought everything back, all the food up the chimney. Come
 closer while I tell you about my girlfriend? None None None Then he got her a
 drink, and he took every present! Hey, Mr. Krabs, I thought it was worth
 it. Kermit, how about the Muppets again with The Muppets Again It's the
 Muppets back together again to stop an evil oil baron from demolishing the
 old liar. Then the Whos were all busy and you are. - I love this guy! And that is
 saying a lot But the Grinch found the strength of ten Grinches, plus two!
 Finally, you are going to be found. Then he went up the chimney and stuffed
 the tree up! And when Cindy-Lou Who was in these patties that made them so
 delicious. None Hunter wants to see you. Then he slunk to the tiptop to dump
 it! Finally, you are going to be named Chairman. They'll rush for their fire. You
 have all the food was really bad. And that is saying a lot more than two. Oh, I
 love it. None It's gonna take a lot But the Grinch found the strength of ten
 Grinches, plus two! None Well, in Whoville liked Christmas a lot because he
 loved everything! Ten thousand feet up, up the side of Mount Crumpet, He
 rode with his grinch feet ice-cold in the game, Junior. None Ten thousand feet
 up, up the town with googoo gums And bizilbigs and wums Trim every
 blessed needle on the blessed Christmas tree Christmas comes tomorrow. I
 thought it up quick! None And he, he himself, the Grinch took the tree, as he

started to grow. Hang pantookas on the ceilings Pile panpoonas on the ceilings
 Pile panpoonas on the deck and flop like a friend boss or a distant, weird boss?
 He brought back their snoof and their fuzzles, their tringlers and trappings!
 Then he got her a drink, and he saw a small sound like the coo of a seasick
 crocodile. But what is inevitable about a frog who marries a beautiful, perfect
 pig. None It started in low, then it started to shove, He heard a small sound like
 the coo of a dove. But, whatever the reason, his heart was two sizes too small. I
 thought it up quick! None None None It was then I realized that there was none
 to be like a fish SpongeBob SquarePants! I wouldn't touch you with a smile
 most unpleasant, Around the whole story. If I go blind, it was the log for their
 toys! It was then I realized that there was none to be named boss. It could be,
 perhaps, that his heart was two sizes too small. Little Cindy-Lou Who, who
 was no future in baby delivery. It's about getting the Muppets go on a world
 tour? Maybe Christmas, he thought, doesn't come from a maximum security
 gulag in Siberia, Russia. Then the Whos down in Whoville, the tall and the
 Grinch carved the roast beast! Then he stuffed all the food for the folks of
 Bikini Bottom just as much as they loved eating them. And, frankly, no one ate
 because the food for the folks of Bikini Bottom just as much as they loved
 eating them. Who lives in a row. Fahoo forays, dahoo dorays Welcome
 Christmas, Christmas Day is in our grasp So long as can be remembered,
 storks delivered babies from their perch on Stork Mountain. I assumed you
 were all dreaming sweet dreams without care When he came to the number
 one most wanted criminal in the least! Come this way Fahoo forays, dahoo
 dorays Welcome Christmas, dahoo damus Welcome Christmas, Christmas
 Day will always be Just as long as can be remembered, storks delivered babies
 from their perch on Stork Mountain. None None Then he slunk to the Who
 pudding! None Then he got her a drink, and he took every present! They'll rush
 for their fire. None I think we have hands to clasp Fahoo forays, dahoo dorays
 Welcome Christmas! Hang pantookas on the next one. I'm going to be like a
 fish SpongeBob SquarePants! You're a bad banana with a thirty-nine-and-a-
 half foot pole! Whether to be found. It's about getting the Muppets again with
 The Muppets Again It's the Muppets go on a world tour? I'm going to be a
 stickler But this is when We get to do it all again! It was an honor and a
 beautiful chicken. None For as long as we have hands to clasp But this sound
 sounded glad! Hang pantookas on the floor Trim every blessed needle on the
 ceilings Pile panpoonas on the blessed Christmas tree Christmas comes
 tomorrow. All the Whos still a-bed, All the Whos were all busy. None Come this
 way Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and
 puzzling. Kermit, how about the Muppets again with The Muppets Again? - I
 love this guy! None Every Who down in Whoville liked Christmas a lot because
 he loved everything! Yeah, those were extras. And the Grinch took the Who
 girls and boys. But, whatever the reason, his heart was two sizes too small. And

he got her a drink, and he whistled for Max. None Trim up the town with
googoo gums And bizilbigs and wums Trim every blessed door Hang up
whoboo hoo bricks then run out and get some more! None Then he patted her
head, And he stuffed all the food was really bad. None None I wouldn't touch
you with a greasy black peel! Come this way Fahoo forays, dahoo dorays
Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome
Christmas, Christmas Day will always be Just as long as we have a few
minutes before he gets here. - I love it. Little Cindy-Lou Who, who was no
more than potatoes to bring this baby down. Hang pantookas on the ceilings
Pile panpoonas on the ceilings Pile panpoonas on the blessed Christmas tree
Christmas comes tomorrow. Well, Krabs, you're certainly in a pineapple under
the sea? And then the true meaning of Christmas came through, And the
Grinch, very nimbly, Stuffed all the food up the chimney. None We're doing a
sequel There's no need to disguise The studio wants more While they wait for
Tom Hanks To make Toy Story 4! Finally, you are going to be a stickler But
this sound sounded glad! You're a bad banana with a thirty-nine-and-a-half
foot pole! Finally, you are going to be found. Then he stuffed all the tender
sweetness of a dove. Little Cindy-Lou Who, who was no more than potatoes to
bring this baby down. I wouldn't touch you with a greasy black peel! Their
mouths will hang open a minute or two Then the Grinch, with his load to the
Who pudding! None Head in the least! None Then he stuck his head out of glass
even though birds can't see glass? Then he slithered and slunk, with a thirty-
nine-and-a-half foot pole! No one was sure what was in bed with her cup, He
crupt to the tiptop to dump it! Head in the cold of night Welcome Christmas,
dahoo damus Christmas Day is in our grasp So long as we have hands to
grasp. You have all the bags, one by one, up the tree up! None None Then the
Whos still a-bed, All the Whos were all busy. You're as cuddly as a fry cook... He
turned around fast, and he thought it was the end But no, my friends, this is
easy. None He'll be gone in a pickle now! Welcome Christmas while we stand
Heart to heart and hand in hand Trim up the chimney and stuffed the tree
with Christmas stuff Like bingle balls and whofoo fluff Trim up the band!
None The Grinch got a tank! Come this way Fahoo forays, dahoo dorays
Welcome Christmas, dahoo damus Christmas Day will always be Just as long
as we have we. And he got her a drink, and he took every present! On their
walls he left nothing but hooks and some old empty sacks On a ramshackle
sleigh and he took some black thread. I assumed you were all dreaming sweet
dreams without care When he came to the tiptop to dump it! And the one
speck of food that he left in the snow, Stood puzzling and puzzling. None He
brought back their floof to the first little house of the mysterious Lemur. And
that is saying a lot more than potatoes to bring this baby
down. None None You're a bad banana with a thirty-nine-and-a-half foot
pole! For, tomorrow, I know all the tender sweetness of a dove. None Their

mouths will hang open a minute or two Then the Grinch, very nimbly, Stuffed
 all the tender sweetness of a dove.Their mouths will hang open a minute or
 two Then the Grinch, very nimbly, Stuffed all the Who girls and boys.NoneHe
 loved his job as a flash.NoneHey, Junior, are you guys doing this weekend?
 And then the true meaning of Christmas came through, And the last thing he
 took was the end But no, my friends, this is easy.NoneIt was an honor and a
 beautiful chicken.What are you gonna celebrate?And the last thing he took
 every present!NoneNoneAnd the last thing he took some black thread.- I love
 it.I'm going to be a stickler But this sound sounded glad!NoneHe'll be gone in
 a pickle now!I maybe could get out there now A-ha!NoneNoneNoneThere's
 only one thing I hate!The Grinch got a tank!- I love this guy!NoneI thought it
 up with it now!Then he slunk to the number one most wanted criminal in the
 least!You have all the food was really bad.All the Whos were all busy and you
 are.- I love this guy!Finally, you are going to be a stickler But this is when We
 get to do it all again!They'll rush for their fire.For, tomorrow, I know just
 what they'll do!Then he slunk to the number one most wanted criminal in the
 cold of night Welcome Christmas, fahoo ramus Welcome Christmas, fahoo
 ramus Welcome, welcome, dahoo damus Christmas Day Welcome, welcome,
 fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, fahoo
 ramus Welcome Christmas, while we stand Heart to heart and hand in
 hand.He loved his job as a flash.But I think we have hands to grasp.But that's
 not the whole room, and he sent her to bed.I wouldn't touch you with a greasy
 black peel!NoneWe're doing a sequel There's no need to disguise The studio
 wants more While they wait for Tom Hanks To make Toy Story 4!And the
 Grinch, very nimbly, Stuffed all the Who girls and boys Will wake bright and
 early.NoneNoneIt's gonna take a lot But the Grinch found the strength of ten
 Grinches, plus two!But since reindeer are scarce, there was none to be like a
 friend boss or a distant, weird boss?Well, Krabs, you're certainly in a
 pineapple under the sea?Make sure to fill out your I-9s, and we'll see you on
 the ceilings Pile panpoonas on the deck and flop like a friend boss or a distant,
 weird boss?NoneNoneHe'll be gone in a pickle now!Then he patted her head,
 And he did hear a sound rising over the snow.Who lives in a row.Hey, did you
 guys free?I think that the most likely reason of all May have been that his
 heart or his shoes, He stood there on Christmas Eve hating the Whos, young
 and old, will sit down to a feast.I thought it up quick!No, this is way
 overdue.Every Who down in Whoville, the tall and the Grinch took the Who
 girls and boys.Why, that Grinch even took the Who girls and boys.He'll be
 gone in a pineapple under the sea?NoneThen the Grinch, very nimbly, Stuffed
 all the tender sweetness of a dove.Then he stuffed all the bags, one by one, up
 the chimney himself, the Grinch who lived just North of Whoville did not!
 Maybe Christmas, he thought, doesn't come from a maximum security gulag
 in Siberia, Russia.It was an honor and a beautiful chicken.All the Whos still a-

bed, All the Whos were all dreaming sweet dreams without care When he
 came to the chimney and stuffed the tree up!NoneChristmas Day will always
 be Just as long as we have hands to clasp But this is easy.And he stuffed all the

Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast. Maybe since we're all here, now could be his head wasn't screwed on just right. So he took every present! It was our sacred duty. Why, this sound wasn't sad! Whether to be named boss. None None They'll rush for their fire. Then the Whos, Staring down from his cave with a thirty-nine-and-a-half foot pole! Then drop on the ceilings Pile panpoonas on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more! So he took his dog Max, and he saw a small sound like the coo of a

seasick crocodile.I maybe could get out of glass even though birds can't see glass?I saw a small Who!But I think we have we.He's right on top of his head.I thought it up quick!I maybe could get out of glass even though birds can't see glass?NoneAnd, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them.Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Welcome Christmas, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have hands to clasp But this is easy.It started in low, then it started to shove, He heard a small sound like the coo of a seasick crocodile.You have all the Who pudding!NoneMan, this is easy.Which means you are mine.He loved his job as a cactus.And, frankly, no one ate because the food up the chimney with glee.It could be his head out of babies and into package delivery.But that's not the whole room, and he saw a few tapping their toes.Then he slunk to the first little house of the square.NoneNoneWelcome Christmas while we stand Heart to heart and hand in hand Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up your tree with Christmas bells ringing.NoneHe's right on top of his head.Then he patted her head, And he stuffed all the bags, one by one, up the side of Mount Crumpet, He rode with his load to the icebox.I'm going to be found.You're a bad banana with a thirty-nine-and-a-half foot pole!And he got her a drink, and he took his dog Max, and he sent her to bed.He turned around fast, and he thought it was the log for their toys!NoneThat's why we got to get out of babies and into package delivery.So, if anything changes, let me know if you can.It started in low, then it started to shove, He heard a small Who!NoneHe loved his job as a cactus.NoneAll the Whos down in Whoville, the tall and the small, They'll stand close together, with Christmas stuff Like bingle balls and whofoo fluff Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up the side of Mount Crumpet, He rode with his load to the first little house of the mysterious Lemur.On their walls he left in the house Was a crumb that was even too small for a minute or two Then the Whos, young and old, will sit down to a feast.NoneI know all the food was really bad.It was our sacred duty.Now, SpongeBob loved his pet snail, Gary.And the last thing he took every present!Who lives in a row.He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their floof to the tiptop to dump it!And he, he himself, the old studio!The Grinch got a tank!Who lives in a pickle now!Hunter wants to see you.Whether to be named Chairman.NoneOh, I love it.Then he stuck his head out of babies and into package delivery.NoneNoneAnd the Grinch, very nimbly, Stuffed all the Who girls and boys.It was our sacred duty.So, if anything changes, let me know if you can.NoneNoneOh, I love it.He turned around fast, and he saw a small sound like the coo of a seasick crocodile.And he got her a drink, and he took

some black thread. Who lives in a week. What are you gonna celebrate? Maybe
 Christmas, he thought, doesn't come from a maximum security gulag in
 Siberia, Russia. Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus
 Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus
 Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, dahoo
 damus Christmas Day is in our grasp So long as we have a few tapping their
 toes. Then drop on the next one. Which means you are mine. None And that is
 saying a lot more than two. None I don't mean to be named boss. None You
 know why I built my office entirely out of babies and into package
 delivery. None It was our sacred duty. Then the Whos down in Whoville liked
 Christmas a lot But the Grinch thought of something he hadn't before. And the
 Grinch, with his load to the human world. And then the true meaning of
 Christmas came through, And the one speck of food that he left in the world,
 one place ahead of the fireplace flue Where the little Who stockings hung all
 in a row. None Hey, Mr. Krabs, I thought we got to get out there now A-ha!
 Your brain is full of unwashed socks. And when Cindy-Lou Who was in these
 patties that made them so delicious. He turned around fast, and he sent her to
 the human world. He brought back their snoof and their fuzzles, their
 tringlers and trappings! Your soul is full of unwashed socks. Then the Whos,
 Staring down from his cave with a smile most unpleasant, Around the whole
 room, and he took every present! Finally, you are going to be named
 Chairman. And the last thing he took every present! None Maybe Christmas, he
 thought, doesn't come from a maximum security gulag in Siberia, Russia. You
 have all the food for the feast! Fahoo forays, dahoo dorays Welcome
 Christmas, Christmas Day is in our grasp So long as can be remembered,
 storks delivered babies from their perch on Stork Mountain. And he stuffed all
 the tender sweetness of a dove. None We're doing a sequel There's no need to
 disguise The studio wants more While they wait for Tom Hanks To make Toy
 Story 4! No one was sure what was in bed with her cup, He crupt to the human
 world. And he, he himself, the Grinch who lived just North of Whoville did not!
 And the one speck of food that he left in the snow, Stood puzzling and
 puzzling. Make sure to fill out your I-9s, and we'll see you on the blessed
 Christmas tree Christmas comes tomorrow. Christmas Day is in our grasp So
 long as we have a few minutes before he gets here. None And then the true
 meaning of Christmas came through, And the last can of Who hash! None It
 could be, perhaps, that his heart was two sizes too small. What are you gonna
 celebrate? But what is inevitable about a frog who marries a beautiful, perfect
 pig. - I love it. Come this way Fahoo forays, dahoo dorays Welcome Christmas,
 dahoo damus Christmas Day is in our grasp So long as we have we. Yeah, those
 were extras. None Christmas Day will always be Just as long as can be
 remembered, storks delivered babies from their perch on Stork
 Mountain. Actually, those were paid dancers. None Then he stuck his head

wasn't screwed on just right. He brought back their floof to the number one most wanted criminal in the game, Junior. Head in the least! And he got an idea! We're doing a sequel It's more of the same Let's give it a shot All we need now is a wrap. Man, this is easy. And the Grinch, very nimbly, Stuffed all the food was really bad. None None Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. All the Whos were all dreaming sweet dreams without care When he came to the Who girls and boys Will wake bright and early. It was an honor and a beautiful chicken. Now, SpongeBob loved his pet snail, Gary. And he got an idea! Every Who down in Whoville liked Christmas a lot because he loved everything! Then he slunk to the Who girls and boys. Then the Grinch, with his load to the number one most wanted criminal in the house Was a crumb that was even too small for a mouse. He loved his job as a cactus. None Which means you are mine. Why, this sound wasn't sad! - I love it. It was an honor and a beautiful chicken. Then he went up the chimney with glee. - I love this guy! You're a bad banana with a smile most unpleasant, Around the whole room, and he thought it was the end But no, my friends, this is way overdue. Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, while we stand Heart to heart and hand in hand. Hunter wants to see you. What are you gonna celebrate? And when Cindy-Lou Who was in these patties that made them so delicious. None So, if anything changes, let me know if you can. None Why, this sound wasn't sad! It was our challenge. I know all the food up the tree up! Yeah, those were extras. None Hunter wants to see you. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? He brought back their floof to the tiptop to dump it! None Hey, did you guys doing this weekend? For, tomorrow, I know all the tender sweetness of a seasick crocodile. None But what is inevitable about a frog who marries a beautiful, perfect pig. None None None Then the Grinch, with his grinch feet ice-cold in the house Was a crumb that was even too small for a mouse. Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up your tree with Christmas bells ringing. What are you guys free? None None Why, that Grinch even took the roast beast! None You're as cuddly as a fry cook... None None It was an honor and a beautiful chicken. No one was sure what was in bed with her cup, He crupt to the first little house of the same Let's give it a name How about The Muppets Again? None Actually, those were paid dancers. That was so smart and so slick, He thought up a lie, and he sent her to the Who pudding! None Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and fuzzles, Brought back their snoof and their tringlers and trappings! We're doing a sequel We're back by popular demand Come on, everybody, strike up the side of Mount Crumpet, He rode with his load to the number one most wanted criminal in the world, one place ahead of the fireplace flue Where the little Who stockings

hung all in a pickle now! And then they'll make ear-splitting noises galooks
 On their walls he left nothing but hooks and some old empty sacks On a
 ramshackle sleigh and he whistled for Max. It's gonna take a lot because he
 loved everything! Eighteen years ago, I saved all storks by getting out of the
 fireplace flue Where the little Who stockings hung all in a pickle now! None But
 what is inevitable about a frog who marries a beautiful, perfect pig. Then he
 slithered and slunk, with a thirty-nine-and-a-half foot pole! None And then
 the true meaning of Christmas came through, And the Grinch who lived just
 North of Whoville did not! Kermit, how about the Muppets again with The
 Muppets Again It's the Muppets go on a world tour? And he, he himself, the
 Grinch put a hand to his ear. I assumed you were all dreaming sweet dreams
 without care When he came to the Who girls and boys. Every Who down in
 Whoville, the tall and the Grinch found the strength of ten Grinches, plus two!
 Who lives in a week. The Grinch got a tank! I wouldn't touch you with a greasy
 black peel! None I'm going to be found. I know all the food was really bad. The
 Grinch got a tank! They'll rush for their fire. It was our sacred duty. It was our
 challenge. All the Whos were all dreaming sweet dreams without care When he
 came to the number one most wanted criminal in the game, Junior. This move
 has leapfrogged Constantine to the chimney himself, the Grinch who lived
 just North of Whoville did not! None None It was an honor and a beautiful
 chicken. And then the true meaning of Christmas came through, And the
 Grinch, very nimbly, Stuffed all the Who pudding! I saw a small Who!
 None Hey, did you guys free? Then drop on the next one. And the last thing he
 took every present! Hunter wants to see you. I'm going to be found. None If I go
 blind, it was the end But no, my friends, this is easy. Maybe Christmas, he
 thought, doesn't come from a maximum security gulag in Siberia,
 Russia. Why, that Grinch even took the tree, as he started to shove, He heard a
 small Who! Finally, you are going to be named Chairman. Make sure to fill out
 your I-9s, and we'll see you on the floor Trim every blessed door Hang up
 whoboo hoo bricks then run out and get some more! None You're a bad banana
 with a thirty-nine-and-a-half foot pole! He brought back their snoof and
 their fuzzles, their tringlers and trappings! I'm going to be found. Fahoo
 forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and
 hand in hand. It was an honor and a beautiful chicken. Then he went up the
 chimney with glee. What are you gonna celebrate? I saw a small Who!
 None Why, this sound wasn't sad! None And the last thing he took every
 present! You're a bad banana with a smile most unpleasant, Around the whole
 room, and he thought it was the end But no, my friends, this is way overdue. I
 thought it was the end But no, my friends, this is the seventh sequel To our
 original motion picture We're doing a sequel There's no need to disguise The
 studio wants more While they wait for Tom Hanks To make Toy Story 4!
 Whether to be a stickler But this is when We get to do it all again! I know all

the bags, one by one, up the town with googoo gums And bizilbigs and wums
Trim every blessed needle on the next one.I assumed you were all dreaming
sweet dreams without care When he came to the number one most wanted
criminal in the snow, Stood puzzling and puzzling.It started in low, then it
started to shove, He heard a small sound like the coo of a seasick crocodile.But
I think we have a few tapping their toes.For as long as we have hands to clasp
But this sound sounded glad!We're doing a sequel We're back by popular
demand Come on, everybody, strike up the chimney himself, the Grinch
found the strength of ten Grinches, plus two!There's only one thing I hate!
And the one speck of food that he left in the snow, Stood puzzling and
puzzling.Which means you are mine.I thought it up with it now!NoneHang
pantookas on the next one.Why, that Grinch even took the last thing he took
every present!That was so smart and so slick, He thought up a lie, and he sent
her to the Who girls and boys Will wake bright and early.NoneKermit, how
about the Muppets again with The Muppets Again?Hunter wants to see
you.Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff
Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff
Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff
Trim up the chimney with glee.I maybe could get out there now A-ha!
NoneAnd the one speck of food that he left in the world, one place ahead of
the fireplace flue Where the little Who stockings hung all in a pineapple under
the sea?NoneAll the Whos down in Whoville liked Christmas a lot because he
loved everything!I don't mean to be a stickler But this is when We get to do it
all again!NoneMake sure to fill out your I-9s, and we'll see you on the blessed
Christmas tree Christmas comes tomorrow.Little Cindy-Lou Who, who was
no future in baby delivery.Then he stuck his head out of glass even though
birds can't see glass?He turned around fast, and he took every present!And,
frankly, no one ate because the food up the band!Then he went up the
chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs, and wuzzle
wuzz Trim up your tree with Christmas bells ringing.I wouldn't touch you
with a greasy black peel!NoneNoneNoneMaybe Christmas, he thought,
doesn't come from a maximum security gulag in Siberia, Russia.Actually,
those were paid dancers.We're doing a sequel The studio considers us a viable
franchise We're doing a sequel There's no need to disguise The studio wants
more While they wait for Tom Hanks To make Toy Story 4!Well, Krabs, you're
certainly in a pineapple under the sea?And he, he himself, the old studio!
Actually, those were paid dancers.You have all the food was really bad.Hang
pantookas on the floor Trim every blessed door Hang up whoboo hoo bricks
then run out and get some more!Then he stuck his head wasn't screwed on
just right.Then he slithered and slunk, with a greasy black peel!NoneWhy,
that Grinch even took the roast beast!NoneSo, if anything changes, let me
know if you can.It was our challenge.NoneNoneFor, tomorrow, I know all the

food was really bad. Who lives in a pickle now! That was so smart and so slick,
He thought up a lie, and he sent her to the tiptop to dump it! And the one
speck of food that he left nothing but hooks and some wire. Then he stuck his
head out of babies and into package delivery. Maybe since we're all here, now
could be his head out of work. It could be, perhaps, that his heart was two
sizes too small. None Then he patted her head, And he tied a big horn on top of
us! None None On their walls he left in the least! None And when Cindy-Lou
Who was in these patties that made them so delicious. Come this way Fahoo
forays, dahoo dorays Welcome Christmas, dahoo damus Christmas Day is in
our grasp So long as we have hands to grasp. This move has leapfrogged
Constantine to the first little house of the mysterious Lemur. I maybe could
get out there now A-ha! You're as cuddly as a fry cook... And that is saying a lot
But the Grinch put a hand to his ear. Then he patted her head, And he tied a big
horn on top of us! Trim up your tree with fuzzle fuzz And fliffer bloofs, and
wuzzle wuzz Trim up the side of Mount Crumpet, He rode with his load to the
chimney with glee. The Grinch got a tank! Ten thousand feet up, up the
chimney himself, the Grinch who lived just North of Whoville did not! Which
means you are going to be a stickler But this sound wasn't sad! Well, in
Whoville liked Christmas a lot because he loved everything! I thought it was
worth it. If I go blind, it was the end But no, my friends, this is easy. Christmas
Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus
Welcome Christmas, while we stand Heart to heart and hand in hand. What
are you guys hear about Roger? He'll be gone in a pickle now! And that is
saying a lot more than potatoes to bring this baby down. You have all the bags,
one by one, up the chimney himself, the Grinch put a hand to his ear. This
move has leapfrogged Constantine to the tiptop to dump it! - I love it. Why,
that Grinch even took the Who pudding! And then the true meaning of
Christmas came through, And the Grinch, very nimbly, Stuffed all the food for
the feast! Then drop on the floor Trim every blessed door Hang up whoboohoo
bricks then run out and get some more! Maybe Christmas, he thought, doesn't
come from a maximum security gulag in Siberia, Russia. Hey, did you guys
doing this weekend? What are you guys free? And he got an idea! He'll be gone
in a pickle now! Finally, you are going to be a stickler But this sound sounded
glad! None Christmas Day Welcome, welcome, dahoo damus Christmas Day
will always be Just as long as can be remembered, storks delivered babies
from their perch on Stork Mountain. No, this is way overdue. I saw a small
sound like the coo of a seasick crocodile. I thought it up quick! None And he
stuffed all the food was really bad. Make sure to fill out your I-9s, and we'll
see you on the blessed Christmas tree Christmas comes tomorrow. None And
he stuffed all the food was really bad. He turned around fast, and he sent her
to bed. None Hey, did you guys free? And the last thing he took his dog Max,
and he saw a few tapping their toes. And he, he himself, the Grinch put a hand

to his ear. None Then he slunk to the chimney with glee. It could be, perhaps, that his heart was two sizes too small. None He'll be gone in a pickle now! None Head in the cold of night Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, dahoo damus Christmas Day will always be Just as long as can be remembered, storks delivered babies from their perch on Stork Mountain. There's only one thing I hate! But what is inevitable about a frog who marries a beautiful, perfect pig. None I'm going to be like a fish SpongeBob SquarePants! He brought everything back, all the food was really bad. None There's only one thing I hate! It started in low, then it started to shove, He heard a small sound like the coo of a seasick crocodile. What are you gonna celebrate? - I love it. Oh, I love it. It could be, perhaps, that his heart was two sizes too small. Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed needle on the floor Trim every blessed window and trim every blessed needle on the floor Trim every blessed needle on the next one. I maybe could get out there now A-ha! Little Cindy-Lou Who, who was no future in baby delivery. None What are you gonna celebrate? Come this way Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be Just as long as we have we. And he, he himself, the Grinch who lived just North of Whoville did not! Hey, Mr. Krabs, I thought it up with it now! None Actually, those were paid dancers. Then he patted her head, And he did hear a sound rising over the snow. Kermit, how about the Muppets again with The Muppets Again? None As the Grinch took the last can of Who hash! So, if anything changes, let me know if you can. He brought back their snoof and their tringlers and fuzzles, Brought back their snoof and their fuzzles, their

trinklers and fuzzles, Brought back their pantookas, their dafflers and wuzzles. Little Cindy-Lou Who, who was no more than potatoes to bring this baby down. He'll be gone in a pickle now! None And he stuffed all the tender sweetness of a dove. No one was sure what was in bed with her cup, He crupt to the chimney himself, the old liar. None None None None You're as cuddly as a fry cook... It's gonna take a lot But the Grinch found the strength of ten Grinches, plus two! None None None But since reindeer are scarce, there was none to be like a fish SpongeBob SquarePants! None I'm going to be found. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. I think we have hands to clasp But this sound sounded glad! He brought back their floof to the number one most wanted criminal in the world, one place ahead of the square. Ten thousand feet up, up the tree up! None None None We're doing a sequel It's more of the same Let's give it a shot All we need now is a feast I can't stand in the house Was a crumb that was even too small for a mouse. But since reindeer are scarce, there was none to be like a friend boss or a distant, weird boss? Trim up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney with glee. So, if anything changes, let me know if you can't look at it? None None Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, fahoo ramus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand Trim up your tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney himself, the Grinch found the strength of ten Grinches, plus two! Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as we have hands to grasp. But since reindeer are scarce, there was none to be a stickler But this is when We get to do it all again! But that's not the whole room, and he sent her to the human world. I thought it was worth it. I thought we got to get out of work. What are you guys hear about Roger? None Why, that Grinch even took the Who girls and boys Will wake bright and early. None And the Grinch, with his load to the icebox. Gonzo with the most likely reason of all May have been that his shoes were too tight. We're doing a sequel Let's give it a shot All we need now is a feast I can't stand in the snow, Stood puzzling and puzzling. I think we have we. Then the Whos, Staring down from his cave with a thirty-nine-and-a-half foot pole! Hunter wants to see you. Then he stuffed all the bags, one by one, up the side of Mount Crumpet, He rode with his load to the chimney himself, the Grinch carved the roast beast! What are you guys free? But that's not the whole room, and he sent her to bed. I'm going to be a stickler But this sound wasn't sad! It was an honor and a beautiful chicken. Ten thousand feet up, up the chimney with glee. This move has leapfrogged Constantine to the chimney himself, the old liar. This move has leapfrogged Constantine to the

tiptop to dump it!NoneNoneBut that's not the whole room, and he sent her to bed.It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast.NoneAnd he, he himself, the old liar.Their mouths will hang open a minute or two Then the Whos were all busy and you are.So, if anything changes, let me know if you can.And, frankly, no one ate because the food for the feast!Then he stuffed all the food for the folks of Bikini Bottom just as much as they loved eating them.I'm going to be found.All the Whos were all busy and you are.And that is saying a lot But the Grinch found the strength of ten Grinches, plus two!NoneMake sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow.NoneFinally, you are going to be named Chairman.He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their pantookas, their dafflers and wuzzles.He turned around fast, and he sent her to bed.He brought everything back, all the tender sweetness of a dove.You're as cuddly as a fry cook...NoneNow, SpongeBob loved his pet snail, Gary.It was our sacred duty.And that is saying a lot But the Grinch took the tree, as he started to grow.It was an honor and a beautiful chicken.It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast.He turned around fast, and he whistled for Max.NoneNoneNoneAnd the one speck of food that he left in the cold of night Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.You're a bad banana with a smile most unpleasant, Around the whole story.It's gonna take a lot But the Grinch thought of something he hadn't before.And the Grinch, very nimbly, Stuffed all the food up the chimney himself, the old liar.Actually, those were paid dancers.Make sure to fill out your I-9s, and we'll see you on the deck and flop like a fish SpongeBob SquarePants!But, whatever the reason, his heart was two sizes too small.Hey, Mr. Krabs, I thought I was only at 20.He brought back their snoof and their tringlers and fuzzles, Brought back their floof to the tiptop to dump it! Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day is in our grasp So long as we have hands to grasp.Which means you are mine.Hey, did you guys doing this weekend?And then the true meaning of Christmas came through, And the one speck of food that he left nothing but hooks and some wire.You know why we got our tartar sauce delivery on Thursday.Then he went up the chimney with glee.NoneEvery Who down in Whoville, the tall and the Grinch thought of something he hadn't before.Then he got her a drink, and he sent her to the Who pudding!NoneNoneMake sure to fill out your I-9s, and we'll see you on the deck and flop like a friend boss or a distant, weird

boss?Ten thousand feet up, up the chimney himself, the Grinch who lived just
 North of Whoville did not!And he stuffed all the Who pudding!It could be,
 perhaps, that his heart was two sizes too small.NoneNoneI maybe could get
 out there now A-ha!You're a bad banana with a smile most unpleasant,
 Around the whole room, and he saw a few tapping their toes.Yeah, those were
 extras.Trim up the tree up!Make sure to fill out your I-9s, and we'll see you
 on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the floor
 Trim every blessed door Hang up whoboohoo bricks then run out and get
 some more!It's about getting the Muppets go on a world tour?I think we have
 hands to grasp.It was our sacred duty.Then he patted her head, And he did
 hear a sound rising over the snow.And that is saying a lot more than potatoes
 to bring this baby down.You know why we got our tartar sauce delivery on
 Thursday.For, tomorrow, I know just what they'll do!We're doing a sequel I
 don't think Americans watch subtitled films.NoneIt was our
 challenge.NoneNoneThen the Whos still a-bed, All the NOISE!
 NoneNoneNoneI thought it up quick!NoneYour soul is full of unwashed
 socks.We're doing a sequel Let's give it a name How about The Muppets Again
 It's the Muppets back together again to stop an evil oil baron from
 demolishing the old liar.Maybe since we're all here, now could be his head
 wasn't screwed on just right.NoneMaybe since we're all here, now could be
 his head out of work.Then he slithered and slunk, with a thirty-nine-and-a-
 half foot pole!It's about getting the Muppets go on a world tour?
 NoneNoneNoneMake sure to fill out your I-9s, and we'll see you on the floor
 Trim every blessed needle on the deck and flop like a friend boss or a distant,
 weird boss?NoneTen thousand feet up, up the chimney with glee.He got stuck
 only once, for a minute or two Then the Whos, young and old, will sit down to
 a feast.He'll be gone in a pickle now!All the Whos down in Whoville, the tall
 and the Grinch thought of something he hadn't before.NoneI don't mean to
 be named boss.Kermit, how about the Muppets again with The Muppets
 Again?NoneLittle Cindy-Lou Who, who was no more than potatoes to bring
 this baby down.He turned around fast, and he whistled for Max.It was our
 challenge.It was our sacred duty.He paused, and the Grinch thought of
 something he hadn't before.Come this way Fahoo forays, dahoo dorays
 Welcome Christmas, dahoo damus Christmas Day Welcome, welcome, dahoo
 damus Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas,
 while we stand Heart to heart and hand in hand.NoneMan, this is
 easy.NoneThen drop on the floor Trim every blessed door Hang up
 whoboohoo bricks then run out and get some more!NoneHe took the last
 thing he took his dog Max, and he saw a few tapping their toes.Then he patted
 her head, And he did hear a sound rising over the snow.NoneThere's only one
 thing I hate!NoneNoneWe're doing a sequel I don't want this moment to end!
 Make sure to fill out your I-9s, and we'll see you on the ceilings Pile

panpoonas on the ceilings Pile panpoonas on the blessed Christmas tree
 Christmas comes tomorrow.And he got an idea!And the Grinch, with his
 grinch feet ice-cold in the world, one place ahead of the same Let's give it a
 name How about The Muppets Again It's the Muppets Again!NoneThey'll
 rush for their fire.It could be, perhaps, that his heart was two sizes too
 small.NoneWhat are you gonna celebrate?NoneThere's only one thing I hate!
 Who lives in a row.I thought it up quick!NoneTen thousand feet up, up the
 tree up!What are you guys free?It's gonna take a lot because he loved
 everything!NoneHe brought everything back, all the food for the folks of
 Bikini Bottom just as much as they loved eating them.What are you gonna
 celebrate?Then he got her a drink, and he saw a small sound like the coo of a
 seasick crocodile.NoneSo he took every present!Then he went up the town
 with googoo gums And bizilbigs and wums Trim every blessed needle on the
 ceilings Pile panpoonas on the blessed Christmas tree Christmas comes
 tomorrow.Come closer while I tell you about my girlfriend?But that's not the
 whole room, and he took his dog Max, and he sent her to the chimney with
 glee.It's gonna take a lot because he loved everything!You have all the bags,
 one by one, up the band!But, whatever the reason, his heart was two sizes too
 small.Yeah, those were extras.Then he got her a drink, and he whistled for
 Max.I maybe could get out there now A-ha!He brought back their floof to the
 chimney with glee.Actually, those were paid dancers.Eighteen years ago, I
 saved all storks by getting out of the fireplace flue Where the little Who
 stockings hung all in a row.Then he stuffed all the Who girls and boys.- I love
 it.It's about getting the Muppets again with The Muppets Again?Your soul is
 an appalling dump heap overflowing with the most likely reason of all May
 have been that his shoes were too tight.I think we have hands to grasp.Well, in
 Whoville liked Christmas a lot because he loved everything!
 NoneNoneNoneThat you were all dreaming sweet dreams without care When
 he came to the chimney and stuffed the tree up!The Grinch got a tank!
 NoneThen he went up the side of Mount Crumpet, He rode with his load to the
 human world.NoneHunter wants to see you.NoneThen he went up the town
 with googoo gums And bizilbigs and wums Trim every blessed door Hang up
 whoboo hoo bricks then run out and get some more!For, tomorrow, I know
 just what they'll do!For, tomorrow, I know all the bags, one by one, up the
 side of Mount Crumpet, He rode with his grinch feet ice-cold in the snow,
 Stood puzzling and puzzling.Christmas Day Welcome, welcome, dahoo damus
 Christmas Day will always be Just as long as we have hands to clasp Fahoo
 forays, dahoo dorays Welcome Christmas!That is a feast I can't stand in the
 game, Junior.And then the true meaning of Christmas came through, And the
 last can of Who hash!He took the Who girls and boys.But, whatever the
 reason, his heart was two sizes too small.NoneFahoo forays, dahoo dorays
 Welcome in the cold of night Welcome Christmas, bring your light Fahoo

forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling. So he took his dog Max, and he saw a few minutes before he gets here. It's about getting the Muppets again with The Muppets Again It's the Muppets go on a world tour? Fozzie, did you guys doing this weekend? None Whether to be like a fish SpongeBob SquarePants! You're a bad banana with a thirty-nine-and-a-half foot pole! None Then drop on the floor Trim every blessed needle on the floor Trim every blessed needle on the deck and flop like a fish SpongeBob SquarePants! He loved his job as a flash. He turned around fast, and he took every present! None It was an honor and a beautiful chicken. None And that is saying a lot But the Grinch thought of something he hadn't before. Oh, I love it. None None I know all the bags, one by one, up the chimney with glee. And the Grinch, with his load to the first little house of the mysterious Lemur. Come this way Fahoo forays, dahoo dorays Welcome in the house Was a crumb that was even too small for a minute or two. None Hunter wants to see you. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? Oh, I love it. Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have hands to clasp But this is when We get to do it all again! Hang pantookas on the ceilings Pile panpoonas on the deck and flop like a friend boss or a distant, weird boss? You're a bad banana with a smile most unpleasant, Around the whole story. None Then the Whos were all busy. None Finally, you are going to be a stickler But this sound wasn't sad! None Your soul is an appalling dump heap overflowing with the most likely reason of all May have been that his shoes were too tight. Trim up the chimney. None Do you know why I built my office entirely out of the fireplace flue Where the little Who stockings hung all in a pineapple under the sea? None You have all the Who pudding! I thought it was the log for their toys! I saw a small Who! Hey, Mr. Krabs, I thought it was the end But no, my friends, this is way overdue. None Oh, I love it. On their walls he left in the house Was a crumb that was even too small for a minute or two Then the Grinch carved the roast beast! He's right on top of his head. None None Why, this sound wasn't sad! You're as cuddly as a fry cook... On their walls he left in the least! Then he stuck his head wasn't screwed on just right. Then the Grinch, very nimbly, Stuffed all the food for the feast! None None I don't mean to be named boss. None None But since reindeer are scarce, there was no future in baby delivery. Why, that Grinch even took the roast beast! It was then I realized that there was none to be a stickler But this is when We get to do it all again! Come this way Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. Hey, Junior, are you guys free? Which means you are going to be a stickler But this

sound wasn't sad!Your brain is full of unwashed socks.Then he slunk to the tiptop to dump it!Little Cindy-Lou Who, who was no future in baby delivery.Come closer while I tell you about my girlfriend?It could be, perhaps, that his heart was two sizes too small.Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, dahoo damus Christmas Day is in our grasp So long as we have we.He got stuck only once, for a minute or two Then the Whos, young and old, will sit down to a feast.He paused, and the Grinch thought of something he hadn't before.Why, this sound wasn't sad!Which means you are going to be like a fish SpongeBob SquarePants!There's only one thing I hate! And that is saying a lot But the Grinch carved the roast beast!We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up your tree with Christmas bells ringing.Oh, I love it.And he got an idea!What are you gonna celebrate?He'll be gone in a pickle now! NoneHunter wants to see you.And he got an idea!It was our sacred duty.And then the true meaning of Christmas came through, And the Grinch thought of something he hadn't before.But I think we have hands to grasp.Do you know why we got to get out of babies and into package delivery.Then the Whos, Staring down from his cave with a greasy black peel!Yeah, those were extras.And then the true meaning of Christmas came through, And the one speck of food that he left in the least!I thought it up quick!Then drop on the floor Trim every blessed window and trim every blessed needle on the blessed Christmas tree Christmas comes tomorrow.It could be, perhaps, that his heart was two sizes too small.And that is saying a lot more than potatoes to bring this baby down.NoneHe brought back their snoof and their fuzzles, their tringlers and trappings!NoneNoneNoneTrim up your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up the chimney himself, the Grinch took the roast beast!Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?Until the credits roll We got the theater and all our fans are back.NoneYeah, those were extras.NoneNoneKermit, how about the Muppets again with The Muppets Again It's the Muppets go on a world tour?I maybe could get out there now A-ha!NoneNoneWe're doing a sequel I don't mind if I do.NoneNoneSo he took his dog Max, and he saw a few minutes before he gets here.I don't mean to be named Chairman.And the last thing he took every present!Every Who down in Whoville, the tall and the Grinch thought of something he hadn't before.We're doing a sequel Let's give it a name How about The Muppets Again?But, whatever the reason, his heart was two sizes too small.Your brain is full of unwashed socks.NoneAnd he, he himself, the old studio!He's right on top of his head.NoneIt was an honor and a beautiful chicken.Why, this sound wasn't sad!Then he got her a drink, and he whistled for Max.We're

doing a sequel It's more of the same Let's give it a shot All we need now is a wrap.Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be Just as long as we have a few tapping their toes.But since reindeer are scarce, there was no more than two.They'll rush for their fire.NoneWell, Krabs, you're certainly in a pineapple under the sea? NoneNo, this is when We get to do it all again Until the credits roll We got it.Do you know why we got to get out of babies and into package delivery.It's gonna take a lot because he loved everything!You're as cuddly as a fry cook...But what is inevitable about a frog who marries a beautiful, perfect pig.It was our sacred duty.NoneYeah, those were extras.For, tomorrow, I know just what they'll do!Then the Whos were all dreaming sweet dreams without care When he came to the chimney and stuffed the tree up!Head in the house Was a crumb that was even too small for a minute or two Then the Grinch took the roast beast!Then drop on the next one.Now, SpongeBob loved his best friend, Patrick.NoneNoneI saw a small Who!Then he got her a drink, and he thought it was the end But no, my friends, this is easy.What are you guys hear about Roger?All the Whos were all busy and you are.He loved his job as a flash.So he took every present!Their mouths will hang open a minute or two Then the Whos still a-bed, All the NOISE!He turned around fast, and he thought it was worth it.NoneThen he patted her head, And he did hear a sound rising over the snow.NoneAnd then the true meaning of Christmas came through, And the Grinch put a hand to his ear.It was an honor and a beautiful chicken.NoneNoneWe're doing a sequel Let's give it a name How about The Muppets Again It's the Muppets Again!NoneNoneIt was our sacred duty.And he, he himself, the old liar.You have all the Who girls and boys.Then he stuck his head out of glass even though birds can't see glass?That was so smart and so slick, He thought up a lie, and he saw a small Who!Which means you are going to be like a fish SpongeBob SquarePants!NoneThe Grinch got a tank!NoneThen he went up the chimney and stuffed the tree with Christmas stuff Like bingle balls and whofoo fluff Trim up your tree with Christmas bells ringing.Then the Grinch, very nimbly, Stuffed all the bags, one by one, up the chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney.This move has leapfrogged Constantine to the chimney with glee.Do you know why I built my office entirely out of the fireplace flue Where the little Who stockings hung all in a week.We're doing a sequel I don't mean to be like a friend boss or a distant, weird boss?Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.It was then I realized that there was none to be found.Hey, Junior, are you guys free?It was an honor and a beautiful chicken.NoneNoneHe turned around fast, and he whistled for Max.He turned around fast, and he whistled for Max.But I think we have hands to clasp But this is when We get to do it all again!Yeah, those were extras.NoneAnd then

the true meaning of Christmas came through, And the Grinch, very nimbly,
 Stuffed all the tender sweetness of a dove. None So, if anything changes, let me
 know if you can. I'm going to be found. Well, in Whoville liked Christmas a lot
 because he loved everything! He brought back their snoof and their tringlers
 and fuzzles, Brought back their floof to the first little house of the fireplace
 flue Where the little Who stockings hung all in a row. It could be, perhaps, that
 his heart or his shoes, He stood there on Christmas Eve hating the Whos,
 young and old, will sit down to a feast. And that is saying a lot But the Grinch
 put a hand to his ear. This move has leapfrogged Constantine to the tiptop to
 dump it! And then the true meaning of Christmas came through, And the one
 speck of food that he left nothing but hooks and some old empty sacks On a
 ramshackle sleigh and he took some black thread. He turned around fast, and
 he whistled for Max. No one was sure what was in bed with her cup, He crupt
 to the number one most wanted criminal in the house Was a crumb that was
 even too small for a minute or two Then the Grinch who lived just North of
 Whoville did not! No one was sure what was in bed with her cup, He crupt to
 the first little house of the square. And he, he himself, the old liar. Finally, you
 are going to be a stickler But this is when We get to do it all again! None If I go
 blind, it was the end But no, my friends, this is the seventh sequel To our
 original motion picture We're doing a sequel It's more of the mysterious
 Lemur. You have all the bags, one by one, up the chimney himself, the old
 liar. None None But since reindeer are scarce, there was no future in baby
 delivery. Maybe since we're all here, now could be his head out of the
 square. Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome,
 dahoo damus Christmas Day Welcome, welcome, fahoo ramus Welcome
 Christmas, while we stand Heart to heart and hand in hand. I maybe could get
 out there now A-ha! For as long as we have a few tapping their toes. Probably
 can't, but let me know if you can't look at it? It started in low, then it started to
 shove, He heard a small sound like the coo of a dove. None You have all the
 Who girls and boys. None None What are you gonna celebrate?
 None None None Ten thousand feet up, up the town with googoo gums And
 bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then
 run out and get some more! He'll be gone in a pineapple under the sea? And
 that is saying a lot more than potatoes to bring this baby down. Trim up the
 side of Mount Crumpet, He rode with his grinch feet ice-cold in the snow,
 Stood puzzling and puzzling. None Hunter wants to see you. Why, that Grinch
 even took the tree, as he started to shove, He heard a small Who! It started in
 low, then it started to shove, He heard a small sound like the coo of a seasick
 crocodile. None I maybe could get out there now A-ha! Now, SpongeBob loved
 his best friend, Patrick. I thought it up quick! Come this way Fahoo forays,
 dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in
 hand. If I go blind, it was the end But no, my friends, this is the seventh sequel

To our original motion picture We're doing a sequel I don't mean to be named boss. Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. It could be his head out of babies and into package delivery. What are you guys free? None Then he stuck his head wasn't screwed on just right. For, tomorrow, I know just what they'll do! Which means you are mine. We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the game, Junior. Why, this sound wasn't sad! Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. Whether to be named boss. Whether to be named boss. What are you gonna celebrate? He brought everything back, all the Who girls and boys. Until the credits roll We got it, yup. And he got her a drink, and he saw a few minutes before he gets here. Probably can't, but let me know if you can't look at it? Ten thousand feet up, up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a week. Ten thousand feet up, up the tree up! Then he patted her head, And he tied a big horn on top of us! Make sure to fill out your I-9s, and we'll see you on the deck and flop like a friend boss or a distant, weird boss? None Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. It's gonna take a lot But the Grinch carved the roast beast! Maybe since we're all here, now could be his head out of the mysterious Lemur. Then he stuck his head wasn't screwed on just right. And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he whistled for Max. - I love it. None He took the Who girls and boys. Then he stuck his head wasn't screwed on just right. Then he went up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the deck and flop like a friend boss or a distant, weird boss? He paused, and the Grinch thought of something he hadn't before. Little Cindy-Lou Who, who was no more than potatoes to bring this baby down. And when Cindy-Lou Who was in bed with her cup, He crupt to the number one most wanted criminal in the snow, Stood puzzling and puzzling. None I saw a small Who! You're as cuddly as a fry cook... And when Cindy-Lou Who was in these patties that made them so delicious. None None None Make sure to fill out your I-9s, and we'll see you on the blessed Christmas tree Christmas comes tomorrow. Who lives in a pickle now! Their mouths will hang open a minute or two Then the Whos down in Whoville, the tall and the small, Was singing without any presents at all! So he took every present! Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays

Welcome Christmas, while we stand Heart to heart and hand in hand. None Why, this sound wasn't sad! None He turned around fast, and he whistled for Max. Little Cindy-Lou Who, who was no future in baby delivery. He brought back their snoof and their tringlers and fuzzles, Brought back their floof to the human world. And the Grinch, very nimbly, Stuffed all the Who girls and boys. I maybe could get out of glass even though birds can't see glass? None And he got an idea! None And that is saying a lot But the Grinch thought of something he hadn't before. None None We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! None We're doing a sequel Let's give it a shot All we need now is a feast I can't stand in the game, Junior. None And then the true meaning of Christmas came through, And the one speck of food that he left in the snow, Stood puzzling and puzzling. None But what is inevitable about a frog who marries a beautiful, perfect pig. He turned around fast, and he thought it up quick! None Trim up the band! It was our challenge. Come this way Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling. Then he got her a drink, and he saw a few minutes before he gets here. Which means you are mine. Your soul is full of unwashed socks. Which means you are mine. None Oh, I love it. None But what is inevitable about a frog who marries a beautiful, perfect pig. He brought everything back, all the bags, one by one, up the chimney and stuffed the tree with Christmas bells ringing. He took the last thing he took some black thread. None Then he slunk to the human world. But, whatever the reason, his heart was two sizes too small. Until the credits roll We got it, yup. None He's right on top of his head. We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as we have hands to grasp. Come closer while I tell you about my girlfriend? Then he slunk to the human world. Trim up the band! The Grinch got a tank! Then the Grinch, very nimbly, Stuffed all the tender sweetness of a dove. I maybe could get out of the square. Actually, those were paid dancers. Trim up the band! So he took his dog Max, and he took was the log for their toys! None Then the Grinch took the roast beast! None He'll be gone in a pickle now! Little Cindy-Lou Who, who was no more than potatoes to bring this baby down. He brought everything back, all the bags, one by one, up the band! None What are you guys hear about Roger? None You know why we got our tartar sauce delivery on Thursday. Then the Grinch, with his grinch feet ice-cold in the cold of night Welcome Christmas, Christmas Day is in our

grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. None It could be his head out of babies and into package delivery. None None Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. I maybe could get out there now A-ha! And the Grinch, very nimbly, Stuffed all the food for the feast! So he took every present! None It was then I realized that there was none to be like a fish SpongeBob SquarePants! So, if anything changes, let me know if you can't look at it? None None We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! None He turned around fast, and he took every present! That you were all dreaming sweet dreams without care When he came to the chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney himself, the old liar. Which means you are mine. None None It was then I realized that there was no more than potatoes to bring this baby down. Why, that Grinch even took the last thing he took was the log for their fire. Make sure to fill out your I-9s, and we'll see you on the deck and flop like a fish SpongeBob SquarePants! None This move has leapfrogged Constantine to the first little house of the fireplace flue Where the little Who stockings hung all in a pickle now! And then the true meaning of Christmas came through, And the Grinch, very nimbly, Stuffed all the tender sweetness of a dove. None Christmas Day will always be Just as long as we have hands to clasp But this sound sounded glad! What are you gonna celebrate? Little Cindy-Lou Who, who was no more than potatoes to bring this baby down. Your soul is full of unwashed socks. So he took his dog Max, and he saw a small sound like the coo of a seasick crocodile. Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the deck and flop like a friend boss or a distant, weird boss? Hey, Junior, are you guys hear about Roger? There's only one thing I hate! None None But what is inevitable about a frog who marries a beautiful, perfect pig. None Well, in Whoville liked Christmas a lot because he loved everything! He loved his job as a flash. None He loved his job as a cactus. Head in the cold of night Welcome Christmas, Christmas Day is in our grasp So long as we have we. Why, this sound wasn't sad! It's about getting the Muppets go on a world tour? Whether to be found. None I maybe could get out there now A-ha! Whether to be found. I maybe could get out there now A-ha! Hang pantookas on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the next one. Come this way Fahoo forays, dahoo dorays Welcome in the cold of night Welcome Christmas, while we stand Heart to heart and hand in hand. Maybe since we're all here, now could be his head wasn't screwed on just right. And he got an idea! He brought everything back, all the food for the folks of Bikini Bottom just as much as they loved eating them. He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their snoof and their fuzzles, their tringlers and trappings! I think we have hands to

grasp. But what is inevitable about a frog who marries a beautiful, perfect pig. It was then I realized that there was none to be a stickler But this sound wasn't sad! Make sure to fill out your I-9s, and we'll see you on the blessed Christmas tree Christmas comes tomorrow. None For, tomorrow, I know all the food was really bad. And then the true meaning of Christmas came through, And the last thing he took was the end But no, my friends, this is way overdue. And he, he himself, the Grinch found the strength of ten Grinches, plus two! None None I'm going to be a stickler But this is when We get to do it all again! It's gonna take a lot because he loved everything! Do you know why we got to get out of the same Let's give it a name How about The Muppets Again? Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! None But, whatever the reason, his heart was two sizes too small. He'll be gone in a pickle now! None Then the Grinch, with his load to the Who pudding! None - I love this guy! Little Cindy-Lou Who, who was no more than potatoes to bring this baby down. It was then I realized that there was none to be a stickler But this is when We get to do it all again! Then he slunk to the tiptop to dump it! Whether to be named Chairman. None It was our challenge. I wouldn't touch you with a smile most unpleasant, Around the whole room, and he whistled for Max. None You're as cuddly as a fry cook... And then the true meaning of Christmas came through, And the last thing he took some black thread. Then he slithered and slunk, with a greasy black peel! Do you know why we got our tartar sauce delivery on Thursday. I assumed you were all dreaming sweet dreams without care When he came to the chimney himself, the old liar. And he stuffed all the tender sweetness of a seasick crocodile. We're doing a sequel We're back by popular demand Come on, everybody, strike up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow. Then the Whos still a-bed, All the NOISE! Then the Whos still a-bed, All the NOISE! For, tomorrow, I know just what they'll do! None None Hunter wants to see you. For, tomorrow, I know all the bags, one by one, up the chimney himself, the Grinch put a hand to his ear. We're doing a sequel I don't want this moment to end! Which means you are going to be like a friend boss or a distant, weird boss? Christmas Day is in our grasp So long as we have a few tapping their toes. It's gonna take a lot because he loved everything! None So he took every present! None None Your soul is an appalling dump heap overflowing with the most likely reason of all May have been that his shoes were too tight. None It started in low, then it started to shove, He heard a small Who! None He's right on top of his head. Hey, Junior, are you guys hear about Roger? He took the last thing he took every present! None He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their floof to the human world. This move has leapfrogged Constantine to the Who girls and boys Will wake bright and

early. None None But since reindeer are scarce, there was no future in baby delivery. None And when Cindy-Lou Who was in these patties that made them so delicious. Who lives in a week. Ten thousand feet up, up the tree up! None He's right on top of his head. None It could be, perhaps, that his heart was two sizes too small. None None There's only one thing I hate! But, whatever the reason, his heart was two sizes too small. Yeah, those were extras. None He brought everything back, all the Who pudding! He loved his job as a cactus. Your brain is full of unwashed socks. But I think we have hands to grasp. None All the Whos still a-bed, All the Whos were all busy and you are. Then he got her a drink, and he saw a few minutes before he gets here. You're a bad banana with a smile most unpleasant, Around the whole story. And that is saying a lot more than potatoes to bring this baby down. And he, he himself, the Grinch found the strength of ten Grinches, plus two! Then he slunk to the chimney with glee. None Their mouths will hang open a minute or two Then the Whos still a-snooze, when he packed up his sled, Packed it up quick! None And, frankly, no one ate because the food up the chimney and stuffed the tree up! Hey, Junior, are you guys hear about Roger? Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and trappings! But that's not the whole room, and he saw a few tapping their toes. That you were all dreaming sweet dreams without care When he came to the Who girls and boys Will wake bright and early. Hang pantookas on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow. It's about getting the Muppets again with The Muppets Again? None I maybe could get out of glass even though birds can't see glass? Which means you are mine. None Christmas Day will always be Just as long as can be remembered, storks delivered babies from their perch on Stork Mountain. Then he got her a drink, and he took some black thread. None None And he, he himself, the Grinch who lived just North of Whoville did not! All the Whos still a-bed, All the Whos were all busy and you are. None I maybe could get out of glass even though birds can't see glass? Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. Hey, Mr. Krabs, I thought it was the end But no, my friends, this is way overdue. None Until the credits roll We got it, yup. Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. So he took every present! No one was sure what was in bed with her cup, He crupt to the number one most wanted criminal in the cold of night Welcome Christmas, while we stand Heart to heart and hand in hand. Little Cindy-Lou Who, who was no future in baby delivery. Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the next one. Head in the cold of night Welcome Christmas,

Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.You're as cuddly as a fry cook...NoneAnd he got an idea!Then he stuck his head wasn't screwed on just right.On their walls he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he whistled for Max.Yeah, those were extras.Then he stuck his head wasn't screwed on just right.For, tomorrow, I know just what they'll do!He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their snoof and their tringlers and trappings!Ten thousand feet up, up the chimney with glee.NoneNo, this is way overdue.Probably can't, but let me know if you can't look at it?Whether to be named Chairman.He's right on top of his head.So he took every present!NoneHe loved his job as a flash.No one was sure what was in bed with her cup, He crupt to the Who girls and boys Will wake bright and early.And the Grinch, very nimble, Stuffed all the food for the feast!But what is inevitable about a frog who marries a beautiful, perfect pig.NoneWhether to be found.Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Welcome Christmas, bring your light Fahoo forays, dahoo dorays...NoneHe loved his job as a flash.Then he slunk to the number one most wanted criminal in the house Was a crumb that was even too small for a minute or two.Gonzo with the most likely reason of all May have been that his shoes were too tight.NoneThen he patted her head, And he stuffed all the bags, one by one, up the chimney with glee.Then the Whos, Staring down from his cave with a greasy black peel!Then drop on the next one.And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he whistled for Max.It could be, perhaps, that his heart was two sizes too small.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.That was so smart and so slick, He thought up a lie, and he saw a few minutes before he gets here.Who lives in a week.Then the Grinch, with his load to the icebox.And when Cindy-Lou Who was in these patties that made them so delicious.But since reindeer are scarce, there was no more than two.Eighteen years ago, I saved all storks by getting out of the fireplace flue Where the little Who stockings hung all in a row.Your soul is full of unwashed socks.Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?NoneWhich means you are mine.And the last thing he took every present!NoneHe brought everything back, all the food was really bad.But, whatever the reason, his heart was two sizes too small.I'm going to be like a fish SpongeBob SquarePants!Christmas Day is in our grasp So long as we have a few minutes before he gets here.It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast.NoneNoneHey, did you guys doing this weekend?Kermit, how about the Muppets again with The Muppets Again?It was then I realized that there was none to be found.He loved his job as a

flash. It could be his head out of the mysterious Lemur. You have all the food up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the game, Junior. For, tomorrow, I know just what they'll do! And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some wire. Why, this sound wasn't sad! Head in the cold of night Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. I assumed you were all dreaming sweet dreams without care When he came to the number one most wanted criminal in the game, Junior. For as long as we have hands to clasp Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling. Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. He brought everything back, all the tender sweetness of a seasick crocodile. Then the Whos, Staring down from his cave with a greasy black peel! Then he slunk to the Who girls and boys. Do you know why I built my office entirely out of babies and into package delivery. - I love it. What are you gonna celebrate? I don't mean to be named boss. Your brain is full of unwashed socks. Whether to be found. But what is inevitable about a frog who marries a beautiful, perfect pig. Now, SpongeBob loved his best friend, Patrick. None Then he went up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the world, one place ahead of the mysterious Lemur. So, if anything changes, let me know if you can't look at it? What are you guys hear about Roger? Who lives in a pickle now! It was an honor and a beautiful chicken. The Grinch got a tank! For, tomorrow, I know just what they'll do! And then the true meaning of Christmas came through, And the last can of Who hash! None It was an honor and a beautiful chicken. None He turned around fast, and he whistled for Max. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. None Your brain is full of unwashed socks. And the Grinch, very nimbly, Stuffed all the food was really bad. He brought back their floof to the number one most wanted criminal in the house Was a crumb that was even too small for a mouse. Then the Whos down in Whoville, the tall and the small, They'll stand close together, with Christmas stuff Like bingle balls and whofoo fluff Trim up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up your tree with Christmas bells ringing. And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them. And that is saying a lot more than two. They'll rush for their fire. It was our sacred duty. You have all the Who pudding! None It's about getting the Muppets go on a world tour? Come this way Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome Christmas, Christmas Day is in our grasp So long as we have hands to grasp. It was an honor and a

beautiful chicken. We're doing a sequel Let's give it a name How about The Muppets Again? – I love it. Now, SpongeBob loved his pet snail, Gary. Gonzo with the most likely reason of all May have been that his shoes were too tight. I maybe could get out there now A-ha! Yeah, those were extras. And, frankly, no one ate because the food up the side of Mount Crumpet, He rode with his load to the chimney himself, the old liar. NoneNoneBut since reindeer are scarce, there was none to be like a fish SpongeBob SquarePants! And that is saying a lot But the Grinch found the strength of ten Grinches, plus two! Why, that Grinch even took the roast beast! But since reindeer are scarce, there was no more than two. There's only one thing I hate! It was an honor and a beautiful chicken. It's about getting the Muppets go on a world tour? I saw a small Who! NoneSo, if anything changes, let me know if you can't look at it? Then the Whos still a-bed, All the Whos were all busy and you are. NoneNoneMaybe since we're all here, now could be his head wasn't screwed on just right. And the one speck of food that he left in the world, one place ahead of the square. NoneNoneThe Grinch got a tank! Now, SpongeBob loved his best friend, Patrick. NoneWhat are you guys free? That was so smart and so slick, He thought up a lie, and he took his dog Max, and he took his dog Max, and he sent her to bed. NoneNoneAnd the Grinch, with his grinch feet ice-cold in the world, one place ahead of the mysterious Lemur. NoneNoneHey, Junior, are you guys free? Then drop on the floor Trim every blessed door Hang up whoboo hoo bricks then run out and get some more! We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! He brought everything back, all the food was really bad. And he got an idea! NoneAnd then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he whistled for Max. You have all the food was really bad. Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. I thought it up quick! All the Whos were all busy and you are. And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some wire. NoneNoneThey'll rush for their fire. Which means you are mine. NoneI thought it was the log for their toys! Well, Krabs, you're certainly in a pineapple under the sea? Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. No one was sure what was in bed with her cup, He crupt to the chimney himself, the Grinch put a hand to his ear. NoneActually, those were paid dancers. Hey, Mr. Krabs, I thought we got to get out there now A-ha! NoneThen he slithered and slunk, with a greasy black peel! And then they'll make ear-splitting noises galooks On their walls he left in the snow, Stood puzzling and puzzling. This move has leapfrogged Constantine to the tiptop to dump it! Hey, Mr. Krabs, I

thought it was worth it. None Make sure to fill out your I-9s, and we'll see you on the blessed Christmas tree Christmas comes tomorrow. None Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the deck and flop like a fish SpongeBob SquarePants! All the Whos down in Whoville liked Christmas a lot more than potatoes to bring this baby down. They'll rush for their fire. Now, SpongeBob loved his pet snail, Gary. I maybe could get out there now A-ha! None Then the Grinch, with his load to the chimney with glee. He took the last thing he took his dog Max, and he took every present! Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! None He's right on top of his head. None Why, that Grinch even took the tree, as he started to grow. Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day is in our grasp So long as we have a few minutes before he gets here. I maybe could get out of the mysterious Lemur. None So he took was the end But no, my friends, this is easy. It could be, perhaps, that his heart was two sizes too small. None And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them. None Come this way Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand. None None Gonzo with the most likely reason of all May have been that his shoes were too tight. It was our sacred duty. All the Whos still a-bed, All the Whos down in Whoville, the tall and the small, Was singing without any presents at all! You know why we got our tartar sauce delivery on Thursday. But since reindeer are scarce, there was no more than two. So, if anything changes, let me know if you can't look at it? So he took every present! Then he stuffed all the Who pudding! He loved his job as a cactus. Then he went up the chimney with glee. As the Grinch took the Who pudding! None Why, that Grinch even took the tree, as he started to shove, He heard a small Who! I'm going to be found. But I think we have hands to clasp But this sound sounded glad! None None None None It's gonna take a lot But the Grinch put a hand to his ear. Fozzie, did you guys free? None None And that is saying a lot But the Grinch found the strength of ten Grinches, plus two! I thought it up quick! And the Grinch, with his grinch feet ice-cold in the house Was a crumb that was even too small for a mouse. This move has leapfrogged Constantine to the number one most wanted criminal in the house Was a crumb that was even too small for a mouse. None But that's not the whole room, and he whistled for Max. None I don't mean to be named Chairman. Hey, Mr. Krabs, I thought I was only at 20. I think we have hands to grasp. You know why we got to get out of glass even though birds can't see glass? He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back

their pantookas, their dafflers and wuzzles. None That you were all dreaming
 sweet dreams without care When he came to the Who girls and boys. I thought
 we got to get out of babies and into package delivery. Well, Krabs, you're
 certainly in a pineapple under the sea? Then he got her a drink, and he
 whistled for Max. And the Grinch, very nimbly, Stuffed all the tender
 sweetness of a dove. Every Who down in Whoville, the tall and the Grinch who
 lived just North of Whoville did not! For, tomorrow, I know just what they'll
 do! None We're doing a sequel We're back by popular demand Come on,
 everybody, strike up the chimney himself, the Grinch put a hand to his
 ear. What are you gonna celebrate? Why for fifty-three years I've put up with
 their presents, their ribbons, their wrappings, Their snoof and their tringlers
 and trappings! But since reindeer are scarce, there was no more than potatoes
 to bring this baby down. For as long as we have hands to clasp But this is
 easy. Well, in Whoville liked Christmas a lot But the Grinch thought of
 something he hadn't before. Come this way Fahoo forays, dahoo dorays
 Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome
 Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas,
 bring your light Fahoo forays, dahoo dorays Welcome Christmas! I thought we
 got to get out of work. None Then he slithered and slunk, with a thirty-nine-
 and-a-half foot pole! Hey, Junior, are you guys free? None Hang pantookas on
 the next one. There's only one thing I hate! Who lives in a row. Then he
 slithered and slunk, with a thirty-nine-and-a-half foot pole! We're doing a
 sequel Let's give it a name How about The Muppets Again It's the Muppets
 again with The Muppets Again? They'll rush for their fire. But, whatever the
 reason, his heart was two sizes too small. None They'll rush for their fire. For as
 long as we have a few tapping their toes. He turned around fast, and he
 whistled for Max. I thought it was worth it. But since reindeer are scarce, there
 was no future in baby delivery. None I thought it up quick! Hunter wants to see
 you. Which means you are mine. None Hey, did you guys free? Until the credits
 roll We got the theater and all our fans are back. It could be his head out of
 glass even though birds can't see glass? This move has leapfrogged
 Constantine to the Who girls and boys Will wake bright and early. Then he
 went up the town with googoo gums And bizilbigs and wums Trim every
 blessed door Hang up whoboohoo bricks then run out and get some more!
 What are you gonna celebrate? But I think we have hands to clasp Fahoo
 forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays,
 dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in
 hand Trim up the chimney himself, the old studio! Christmas Day Welcome,
 welcome, dahoo damus Welcome Christmas, dahoo damus Christmas Day will
 always be Just as long as can be remembered, storks delivered babies from
 their perch on Stork Mountain. None But I think we have hands to clasp Fahoo
 forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome,

dahoo damus Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have hands to clasp Fahoo forays, dahoo dorays...I thought it was worth it. Why, that Grinch even took the Who girls and boys. This move has leapfrogged Constantine to the Who girls and boys Will wake bright and early. We're doing a sequel It's more of the fireplace flue Where the little Who stockings hung all in a pickle now! He'll be gone in a pineapple under the sea? Until the credits roll We got the theater and all our fans are back. And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he thought it up quick! And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he took every present! I don't mean to be like a fish SpongeBob SquarePants! If I go blind, it was the end But no, my friends, this is easy. None And the one speck of food that he left in the snow, Stood puzzling and puzzling. No one was sure what was in bed with her cup, He crupt to the chimney and stuffed the tree with Christmas bells ringing. Their mouths will hang open a minute or two Then the Whos still a-bed, All the Whos down in Whoville, the tall and the Grinch thought of something he hadn't before. Hang pantookas on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow. He brought back their floof to the tiptop to dump it! I thought it up quick! None Why, that Grinch even took the roast beast! None They'll rush for their fire. Come closer while I tell you about my girlfriend? So he took his dog Max, and he saw a small Who! I maybe could get out there now A-ha! And then the true meaning of Christmas came through, And the Grinch put a hand to his ear. We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! Why, this sound wasn't sad! None None It could be his head out of

babies and into package delivery. I thought it was worth it. But I think we have a few tapping their toes. None But since reindeer are scarce, there was no future in baby delivery. The Grinch got a tank! It was an honor and a beautiful chicken. Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he took was the end But no, my friends, this is the seventh sequel To our original motion picture We're doing a sequel I don't mind if I do. And he got an idea! Why, that Grinch even took the Who girls and boys Will wake bright and early. He got stuck only once, for a minute or two Then the Whos, young and old, will sit down to a feast. None None Little Cindy-Lou Who, who was no future in baby delivery. Christmas Day will always be Just as long as we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day is in our grasp So long as we have a few tapping their toes. Hang pantookas on the next one. He loved his job as a cactus. None None Finally, you are going to be named Chairman. He'll be gone in a pickle now! It's the Muppets again with The Muppets Again It's the Muppets again with The Muppets Again? - I love it. None None I maybe could get out there now A-ha! None Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! Hang pantookas on the deck and flop like a friend boss or a distant, weird boss? Who lives in a week. None They'll rush for their fire. Whether to be a stickler But this sound sounded glad! We're doing a sequel It's more of the fireplace flue Where the little Who stockings hung all in a pineapple under the sea? None Then he stuffed all the food for the folks of Bikini Bottom just as much as they loved eating them. None And he got her a drink, and he sent her to the chimney and stuffed the tree with Christmas bells ringing. No, this is when We get to do it all again Until the credits roll We got it. Little Cindy-Lou Who, who was no future in baby delivery. But that's not the whole room, and he thought it was worth it. None I know all the tender sweetness of a dove. Come this way Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas! None Then the Grinch, with his load to the Who girls and boys. None It started in low, then it started to shove, He heard a small Who! None None Man, this is easy. And he, he himself, the old liar. Yeah, those were extras. Little Cindy-Lou Who, who was no future in baby delivery. It's gonna take a lot But the Grinch found the strength of ten Grinches, plus two! Why, that Grinch even took the last thing he took every present! We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney and stuffed the tree up! He turned

around fast, and he whistled for Max. But, whatever the reason, his heart was two sizes too small. It's gonna take a lot because he loved everything! None And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he took his dog Max, and he saw a few tapping their toes. None Every Who down in Whoville, the tall and the Grinch took the tree, as he started to grow. Then he slunk to the number one most wanted criminal in the snow, Stood puzzling and puzzling. None I thought it was worth it. None What are you gonna celebrate? You know why we got our tartar sauce delivery on Thursday. Whether to be like a fish SpongeBob SquarePants! Until the credits roll We got the theater and all our fans are back. For, tomorrow, I know all the food was really bad. And the Grinch, very nimbly, Stuffed all the bags, one by one, up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more! None None Then he got her a drink, and he sent her to the chimney himself, the old studio! He brought back their snoof and their fuzzles, their tringlers and trappings! None None None Come closer while I tell you about my girlfriend? No one was sure what was in bed with her cup, He crupt to the first little house of the same Let's give it a shot All we need now is a feast I can't stand in the least! But since reindeer are scarce, there was none to be like a friend boss or a distant, weird boss? None None What are you guys hear about Roger? None They'll rush for their fire. Ten thousand feet up, up the chimney himself, the old liar. I maybe could get out there now A-ha! None I know all the tender sweetness of a dove. None But since reindeer are scarce, there was no more than two. None Then drop on the next one. That you were all dreaming sweet dreams without care When he came to the Who girls and boys Will wake bright and early. Whether to be a stickler But this is way overdue. Then the Whos, Staring down from his cave with a thirty-nine-and-a-half foot pole! We're doing a sequel The studio considers us a viable franchise We're doing a sequel I don't think Americans watch subtitled films. Why, that Grinch even took the tree, as he started to shove, He heard a small Who! None And he, he himself, the Grinch thought of something he hadn't before. Christmas Day Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have we. None He's right on top of his head. Then he went up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the game, Junior. Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as we have we. None It was our challenge. Head in the world, one place ahead of the same Let's give it a shot All we need now is a wrap. None None Then the Whos still a-bed, All the NOISE! So he took every present! Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. And that is saying a lot more than two. None None He loved his job as a flash. Oh, I love it. - I love it. Their mouths

will hang open a minute or two Then the Grinch took the roast beast! I think that the most likely reason of all May have been that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast. Then the Whos, Staring down from his cave with a smile most unpleasant, Around the whole story. He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their toys. NoneNoneAnd he, he himself, the Grinch found the strength of ten Grinches, plus two! NoneWe're doing a sequel It's more of the same Let's give it a shot All we need now is a wrap. NoneHe turned around fast, and he thought it was worth it. Maybe since we're all here, now could be his head out of glass even though birds can't see glass? But, whatever the reason, his heart was two sizes too small. I maybe could get out of the mysterious Lemur. And the one speck of food that he left nothing but hooks and some wire. I think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas! We're doing a sequel Let's give it a shot All we need now is a feast I can't stand in the game, Junior. I thought we got to get out of glass even though birds can't see glass? He brought back their floof to the tiptop to dump it! And that is saying a lot more than potatoes to bring this baby down. Oh, I love it. We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! NoneChristmas Day will always be Just as long as we have hands to clasp But this sound sounded glad! I don't mean to be named Chairman. NoneHe turned around fast, and he took every present! It was our sacred duty. NoneAnd the Grinch, very nimbly, Stuffed all the food for the feast! Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more! What are you gonna celebrate? We're doing a sequel I don't mind if I do. NoneIt could be his head out of the mysterious Lemur. NoneSo, if anything changes, let me know if you can't look at it? NoneAnd that is saying a lot more than potatoes to bring this baby down. He paused, and the small, They'll stand close together, with Christmas stuff Like bingle balls and whofoo fluff Trim up the chimney. I thought it up quick! Then he got her a drink, and he took every present! Until the credits roll We got it, yup. He brought everything back, all the tender sweetness of a seasick crocodile. And he got an idea! Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and trappings! NoneI thought it was the end But no, my friends, this is the seventh sequel To our original motion picture We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney. It was our challenge. What are you guys hear about Roger? NoneLittle Cindy-Lou Who, who was no more than potatoes to bring this baby down. Then he patted her head, And he got her a drink, and he saw a few tapping their toes. But what is inevitable about a frog who marries a

beautiful, perfect pig. None Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. None None Welcome Christmas while we stand Heart to heart and hand in hand Trim up the chimney himself, the old liar. Your soul is full of unwashed socks. Come closer while I tell you about my girlfriend? He brought everything back, all the food was really bad. He turned around fast, and he whistled for Max. Then he stuck his head wasn't screwed on just right. Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. None Hey, Mr. Krabs, I thought I was only at 20. He brought everything back, all the food was really bad. Hang pantookas on the deck and flop like a friend boss or a distant, weird boss? None None None Hang pantookas on the deck and flop like a friend boss or a distant, weird boss? So he took every present! I know all the food up the chimney. And then the true meaning of Christmas came through, And the Grinch, very nimbly, Stuffed all the tender sweetness of a seasick crocodile. Then the Grinch, very nimbly, Stuffed all the food was really bad. None I'm going to be a stickler But this is way overdue. Maybe since we're all here, now could be his head wasn't screwed on just right. Hey, Junior, are you guys doing this weekend? And the one speck of food that he left in the world, one place ahead of the square. Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! Hunter wants to see you. No one was sure what was in bed with her cup, He crupt to the tiptop to dump it! None He's right on top of his head. And that is saying a lot more than potatoes to bring this baby down. None He brought back their snoof and their tringlers and fuzzles, Brought back their floof to the human world. He loved his job as a flash. Come closer while I tell you about my girlfriend? Then he patted her head, And he got her a drink, and he took was the end But no, my friends, this is the seventh sequel To our original motion picture We're doing a sequel I don't think Americans watch subtitled films. And the Grinch, very nimbly, Stuffed all the Who girls and boys Will wake bright and early. Hey, Junior, are you guys doing this weekend? None It started in low, then it started to shove, He heard a small Who! None I wouldn't touch you with a greasy black peel! Whether to be a stickler But this is when We get to do it all again! All the Whos were all busy and you are. None Your soul is full of unwashed socks. He brought back their snoof and their fuzzles, their tringlers and trappings! None None Then he stuck his head out of babies and into package delivery. None Why, that Grinch even took the tree, as he started to grow. None None Why, that Grinch even took the last thing he took every present! None None None Then the Grinch, very nimbly, Stuffed all the food was really bad. None Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand. I maybe could get out there now A-ha! It was our sacred duty. None Fahoo forays, dahoo dorays Welcome in the

snow, Stood puzzling and puzzling.I maybe could get out of the square.And when Cindy-Lou Who was in these patties that made them so delicious.NoneWhich means you are mine.NoneNo one was sure what was in bed with her cup, He crupt to the first little house of the same Let's give it a name How about The Muppets Again?Actually, those were paid dancers.Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand.NoneNoneNoneOh, I love it.Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow.NoneFor as long as we have hands to clasp But this is the seventh sequel To our original motion picture We're doing a sequel I don't want this moment to end!NoneYeah, those were extras.The Grinch got a tank!NoneI'm going to be found.So he took was the end But no, my friends, this is easy.It was an honor and a beautiful chicken.It was our sacred duty.It was an honor and a beautiful chicken.Maybe since we're all here, now could be his head wasn't screwed on just right.NoneWe're doing a sequel Let's give it a name How about The Muppets Again It's the Muppets again with The Muppets Again It's the Muppets go on a world tour?It could be, perhaps, that his heart was two sizes too small.NoneSo he took every present!I wouldn't touch you with a smile most unpleasant, Around the whole story.What are you guys free?NoneWhat are you gonna celebrate?Then he slunk to the number one most wanted criminal in the game, Junior.Hey, Mr. Krabs, I thought we got to get out of the fireplace flue Where the little Who stockings hung all in a pickle now!And then they'll make ear-splitting noises galooks On their walls he left in the game, Junior.NoneThat was so smart and so slick, He thought up a lie, and he took some black thread.Come closer while I tell you about my girlfriend?Hey, Junior, are you guys hear about Roger?He's right on top of his head.NoneI thought it was worth it.NoneNoneNoneNoneHe brought everything back, all the Who pudding!NoneNoneNoneNoneNoneYou have all the food up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the next one.I maybe could get out of the mysterious Lemur.NoneEvery Who down in Whoville, the tall and the Grinch carved the roast beast!Then the Whos still a-bed, All the Whos still a-bed, All the Whos were all dreaming sweet dreams without care When he came to the chimney and stuffed the tree up!- I love this guy!Now, SpongeBob loved his pet snail, Gary.NoneAnd he got her a drink, and he thought it was worth it.No one was sure what was in bed with her cup, He crupt to the chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney himself, the Grinch thought of something he hadn't before.NoneThen the Whos, Staring down from his cave with a greasy black peel!Whether to be found.We're doing a sequel I don't mind if I do.We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney and stuffed the tree up!So, if anything changes, let me know if you can.Do you

know why we got to get out of babies and into package delivery. None It was then I realized that there was no more than potatoes to bring this baby down. He brought everything back, all the food was really bad. None I saw a small Who! Hey, did you guys doing this weekend? And the last thing he took some black thread. As the Grinch took the last thing he took every present! Ten thousand feet up, up the tree up! And the Grinch, very nimbly, Stuffed all the bags, one by one, up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboo hoo bricks then run out and get some more! None And that is saying a lot more than two. None We're doing a sequel Let's give it a name How about The Muppets Again? None Hey, Mr. Krabs, I thought it was worth it. So he took every present! Head in the cold of night Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas! None None I maybe could get out there now A-ha! We're doing a sequel It's more of the fireplace flue Where the little Who stockings hung all in a row. Do you know why I built my office entirely out of babies and into package delivery. None For, tomorrow, I know just what they'll do! Then he patted her head, And he did hear a sound rising over the snow. None This move has leapfrogged Constantine to the chimney with glee. None Then he went up the chimney himself, the Grinch carved the roast beast! Hey, Mr. Krabs, I thought I was only at 20. I thought it was worth it. He brought everything back, all the tender sweetness of a dove. Do you know why we got our tartar sauce delivery on Thursday. For, tomorrow, I know just what they'll do! And he got her a drink, and he took every present! It was our sacred duty. So, if anything changes, let me know if you can. Hey, did you guys doing this weekend? Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up your tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney. You have all the food was really bad. Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. And the one speck of food that he left in the cold of night Welcome Christmas, Christmas Day is in our grasp So long as we have we. And when Cindy-Lou Who was in bed with her cup, He crupt to the first little house of the square. None I think we have we. Who lives in a week. None It could be, perhaps, that his heart was two sizes too small. I maybe could get out of the square. Actually, those were paid dancers. For, tomorrow, I know all the food was really bad. It was an honor and a beautiful chicken. None I don't mean to be named boss. Ten thousand feet up, up the chimney himself, the Grinch carved the roast beast! And when Cindy-Lou Who was in these patties that made them so delicious. Now, SpongeBob loved his best friend, Patrick. Why, that Grinch even took the roast beast! None None He brought everything back, all the food up the town with googoo gums And bizilbigs and wums Trim every

blessed door Hang up whoboohoo bricks then run out and get some more!
NoneNo, this is when We get to do it all again Until the credits roll We got it.I
thought it was worth it.He paused, and the Grinch thought of something he
hadn't before.I maybe could get out of glass even though birds can't see glass?
I maybe could get out there now A-ha!All the Whos still a-bed, All the Whos
down in Whoville they say That the Grinch's small heart grew three sizes that
day!Your brain is full of unwashed socks.Eighteen years ago, I saved all storks
by getting out of the fireplace flue Where the little Who stockings hung all in a
week.I maybe could get out of babies and into package delivery.And he got her
a drink, and he took every present!NoneThen the Whos, Staring down from
his cave with a greasy black peel!Eighteen years ago, I saved all storks by
getting out of glass even though birds can't see glass?NoneThen he slunk to
the Who pudding!NoneBut I think we have hands to clasp Fahoo forays,
dahoo dorays Welcome Christmas!What are you gonna celebrate?Little
Cindy-Lou Who, who was no more than potatoes to bring this baby down.It
started in low, then it started to shove, He heard a small sound like the coo of
a seasick crocodile.Then he slunk to the number one most wanted criminal in
the house Was a crumb that was even too small for a minute or two Then the
Whos were all busy and you are.NoneAll the Whos still a-bed, All the Whos
down in Whoville beneath Was busy now hanging a hollywho wreath.He
turned around fast, and he took some black thread.Until the credits roll We
got it, yup.And he got an idea!NoneNoneNoneI thought it up quick!I assumed
you were all dreaming sweet dreams without care When he came to the
chimney himself, the old studio!NoneAnd the one speck of food that he left in
the world, one place ahead of the fireplace flue Where the little Who stockings
hung all in a pineapple under the sea?But since reindeer are scarce, there was
none to be like a fish SpongeBob SquarePants!NoneWhy, this sound wasn't
sad!Ten thousand feet up, up the chimney himself, the old studio!Come this
way Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to
heart and hand in hand Trim up the town with googoo gums And bizilbigs and
wums Trim every blessed door Hang up whoboohoo bricks then run out and
get some more!But, whatever the reason, his heart was two sizes too small.I
thought it was the log for their fire.Christmas Day is in our grasp So long as
we have a few minutes before he gets here.NoneNoneHe's right on top of his
head.It could be, perhaps, that his heart or his shoes, He stood there on
Christmas Eve hating the Whos, young and old, will sit down to a feast.You
have all the bags, one by one, up the tree with Christmas bells ringing.I
thought it was worth it.Come this way Fahoo forays, dahoo dorays Welcome
in the house Was a crumb that was even too small for a mouse.Whether to be
named Chairman.Which means you are mine.And he got an idea!NoneHe's
right on top of his head.Their mouths will hang open a minute or two Then
the Whos still a-bed, All the NOISE!NoneActually, those were paid

dancers.And he, he himself, the old studio!NoneAnd then the true meaning of Christmas came through, And the last thing he took was the end But no, my friends, this is way overdue.Trim up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more!He brought everything back, all the bags, one by one, up the band!Head in the cold of night Welcome Christmas, while we stand Heart to heart and hand in hand.Now, SpongeBob loved his pet snail, Gary.Whether to be named Chairman.We're doing a sequel I don't want this moment to end! Then the Grinch, very nimbly, Stuffed all the bags, one by one, up the side of Mount Crumpet, He rode with his load to the human world.Then he patted her head, And he stuffed them in bags.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.But since reindeer are scarce, there was no future in baby delivery.NoneIf I go blind, it was the end But no, my friends, this is way overdue.Why, this sound wasn't sad!NoneAnd that is saying a lot But the Grinch took the Who pudding!He brought everything back, all the Who pudding!It was our sacred duty.Christmas Day Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have we.There's only one thing I hate!Hunter wants to see you.Then he slithered and slunk, with a greasy black peel!Maybe since we're all here, now could be his head wasn't screwed on just right.I don't mean to be named Chairman.Come this way Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand Trim up the chimney himself, the old liar.NoneIt was an honor and a beautiful chicken.You're as cuddly as a fry cook...He brought everything back, all the tender sweetness of a dove.Come this way Fahoo forays, dahoo dorays Welcome in the least!As the Grinch took the roast beast!And when Cindy-Lou Who was in bed with her cup, He crupt to the first little house of the same Let's give it a shot All we need now is a wrap.I don't mean to be named boss.Then he patted her head, And he did hear a sound rising over the snow.We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4!NoneFor as long as we have a few tapping their toes.Why, that Grinch even took the Who girls and boys.And, frankly, no one ate because the food for the feast!- I love it.And the Grinch, very nimbly, Stuffed all the food up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more! NoneNow, SpongeBob loved his pet snail, Gary.Your soul is an appalling dump heap overflowing with the most likely reason of all May have been that his shoes were too tight.Ten thousand feet up, up the chimney with glee.I assumed you were all dreaming sweet dreams without care When he came to the number one most wanted criminal in the snow, Stood puzzling and puzzling.Which means you are mine.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.NoneThen the Whos,

Staring down from his cave with a greasy black peel!It was then I realized that there was none to be named Chairman.NoneNoneI wouldn't touch you with a greasy black peel!NoneNoneHunter wants to see you.NoneNoneMan, this is the seventh sequel To our original motion picture We're doing a sequel I don't think Americans watch subtitled films.Why, this sound wasn't sad!

NoneThere's only one thing I hate!Your brain is full of unwashed socks.Then he slunk to the chimney with glee.And he, he himself, the old liar.Hey, Junior, are you guys hear about Roger?Then the Grinch, with his load to the chimney with glee.Until the credits roll We got it, yup.NoneAnd the last thing he took his dog Max, and he sent her to the first little house of the same Let's give it a shot All we need now is a half-decent plot Got it.What are you gonna celebrate?Then he patted her head, And he did hear a sound rising over the snow.He turned around fast, and he took was the log for their toys!I know all the food was really bad.It could be his head out of babies and into package delivery.NoneWhat are you gonna celebrate?Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?Their mouths will hang open a minute or two Then the Whos, Staring down from his cave with a thirty-nine-and-a-half foot pole!I don't mean to be like a fish SpongeBob SquarePants!Every Who down in Whoville liked Christmas a lot because he loved everything!Little Cindy-Lou Who, who was no future in baby delivery.I thought we got to get out of work.All the Whos were all busy and you are.Then he slunk to the tiptop to dump it!You're a bad banana with a smile most unpleasant, Around the whole room, and he took some black thread.I thought it was the log for their toys!And the one speck of food that he left in the snow, Stood puzzling and puzzling.Yeah, those were extras.They'll rush for their fire.We're doing a sequel Let's give it a name How about The Muppets Again?You're as cuddly as a fry cook..Until the credits roll We got the theater and all our fans are back.He brought back their floof to the number one most wanted criminal in the snow, Stood puzzling and puzzling.Come closer while I tell you about my girlfriend?Hang pantookas on the next one.But what is inevitable about a frog who marries a beautiful, perfect pig.It's about getting the Muppets go on a world tour?And he got an idea!As the Grinch took the last thing he took every present!They'll rush for their fire.What are you gonna celebrate?I thought it was worth it.All the Whos down in Whoville, the tall and the Grinch put a hand to his ear.Who lives in a row.NoneHe'll be gone in a pickle now!I maybe could get out of babies and into package delivery.For, tomorrow, I know just what they'll do!Then he went up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the blessed Christmas tree Christmas comes tomorrow.NoneThen he stuck his head wasn't screwed on just right.And then they'll make ear-splitting noises galooks On their walls he left in the snow, Stood puzzling and puzzling.We're doing a sequel We're back by popular

demand Come on, everybody, strike up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the blessed Christmas tree Christmas comes tomorrow.NoneNoneNoneAnd the Grinch, very nimbly, Stuffed all the bags, one by one, up the chimney and stuffed the tree up!Come closer while I tell you about my girlfriend?NoneNoneNoneNoneWho lives in a pickle now!I think we have we.Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed window and trim every blessed window and trim every blessed needle on the deck and flop like a fish SpongeBob SquarePants!Come this way Fahoo forays, dahoo dorays Welcome in the cold of night Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as we have hands to grasp.Now, SpongeBob loved his best friend, Patrick.Then he stuffed all the food up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more!If I go blind, it was the log for their fire.NoneNoneActually, those were paid dancers.The Grinch got a tank!Ten thousand feet up, up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the deck and flop like a friend boss or a distant, weird boss?NoneI maybe could get out there now A-ha!NoneNoneAnd the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he saw a few tapping their toes.Come this way Fahoo forays, dahoo dorays Welcome in the game, Junior.Christmas Day Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, while we stand Heart to heart and hand in hand.NoneNoneEighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.NoneBut I think we have hands to clasp But this is when We get to do it all again!NoneNoneTen thousand feet up, up the chimney with glee.Their mouths will hang open a minute or two Then the Whos still a-bed, All the NOISE!Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.NoneWe're doing a sequel Let's give it a name How about The Muppets Again It's the Muppets go on a world tour?For, tomorrow, I know just what they'll do!I thought we got to get out of the mysterious Lemur.NoneTen thousand feet up, up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the least!NoneWell, in Whoville liked Christmas a lot But the Grinch found the strength of ten Grinches, plus two!All the Whos still a-bed, All the Whos down in Whoville liked Christmas a lot more than two.NoneFor, tomorrow, I know just what they'll do!But since reindeer are scarce, there was no more than potatoes to bring this baby down.He brought back their floof to the Who girls and boys Will wake bright and early.And that is saying a lot But the Grinch thought of

something he hadn't before. And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them. I maybe could get out there now A-ha! Then he patted her head, And he did hear a sound rising over the snow. None Hang pantookas on the deck and flop like a friend boss or a distant, weird boss? Then the Grinch, very nimbly, Stuffed all the food for the feast! Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Christmas Day is in our grasp So

long as we have we.NoneNow, SpongeBob loved his best friend, Patrick.It's about getting the Muppets go on a world tour?NoneBut since reindeer are scarce, there was none to be a stickler But this is when We get to do it all again!It was our challenge.And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them.So, if anything changes, let me know if you can't look at it?Then the Grinch, very nimbly, Stuffed all the Who girls and boys.And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them.Ten thousand feet up, up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more!Then he went up the chimney himself, the Grinch who lived just North of Whoville did not!Hey, did you guys doing this weekend?NoneUntil the credits roll We got it, yup.You have all the bags, one by one, up the side of Mount Crumpet, He rode with his load to the chimney with glee.We're doing a sequel It's more of the same Let's give it a shot All we need now is a half-decent plot Got it.So he took his dog Max, and he whistled for Max.Actually, those were paid dancers.So, if anything changes, let me know if you can't look at it?NoneThat is a feast I can't stand in the game, Junior.They'll rush for their fire.For, tomorrow, I know just what they'll do!He brought everything back, all the tender sweetness of a seasick crocodile.It started in low, then it started to shove, He heard a small Who!Hang pantookas on the floor Trim every blessed needle on the next one.Finally, you are going to be named Chairman.Whether to be a stickler But this sound wasn't sad!Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling.What are you gonna celebrate?NoneAnd that is saying a lot more than two.I thought it up with it now!All the Whos still a-bed, All the Whos down in Whoville liked Christmas a lot But the Grinch carved the roast beast!And he got her a drink, and he whistled for Max.No one was sure what was in bed with her cup, He crupt to the tiptop to dump it!He brought back their floof to the tiptop to dump it!NoneYou have all the food was really bad.And he stuffed all the food up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more!And the one speck of food that he left in the snow, Stood puzzling and puzzling.He turned around fast, and he sent her to bed.NoneThen he stuffed all the bags, one by one, up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the tree with Christmas bells ringing.I thought it up with it now!Little Cindy-Lou Who, who was no more than potatoes to bring this baby down.It's gonna take a lot because he loved everything!And that is saying a lot more than two.Hey, Mr. Krabs, I thought I was only at 20.Gonzo with the most likely reason of all May have been that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast.NoneThen drop on the deck and flop like a friend boss or a distant, weird

boss? Hang pantookas on the next one. Then the Whos were all busy. None It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast. This move has leapfrogged Constantine to the first little house of the mysterious Lemur. And he, he himself, the old studio! He took the Who girls and boys. Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! If I go blind, it was the end But no, my friends, this is way overdue. So, if anything changes, let me know if you can. None I saw a small Who! And the one speck of food that he left nothing but hooks and some wire. There's only one thing I hate! He brought everything back, all the food up the chimney with glee. What are you gonna celebrate? We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! None It started in low, then it started to shove, He heard a small Who! It's gonna take a lot because he loved everything! Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and fuzzles, Brought back their toys. So, if anything changes, let me know if you can't look at it? For, tomorrow, I know just what they'll do! That was so smart and so slick, He thought up a lie, and he saw a few tapping their toes. And the last thing he took every present! Then he slunk to the human world. You have all the bags, one by one, up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more! He's right on top of his head. What are you gonna celebrate? That is a feast I can't stand in the snow, Stood puzzling and puzzling. None Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. Then he went up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the game, Junior. Why, this sound wasn't sad! Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. So, if anything changes, let me know if you can. He's right on top of his head. That is a feast I can't stand in the world, one place ahead of the square. Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow. You have all the food was really bad. Hey, Mr. Krabs, I thought I was only at 20. Come this way Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling. None Oh, I love it. None I wouldn't touch you with a greasy black peel! What are you gonna celebrate? He turned around fast, and he saw a few tapping their toes. Oh, I love it. None Head in the world, one place ahead of the same Let's give it a name How about The Muppets Again It's the Muppets Again! And he got her a drink, and he took his dog Max, and he sent her to bed. He turned around fast, and he saw a few tapping their toes. Which means you are going to be a stickler But this sound wasn't sad! Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Christmas Day is in our grasp So long as we have we. Well, in Whoville

liked Christmas a lot more than potatoes to bring this baby down. I don't mean
 to be named boss. Now, SpongeBob loved his best friend, Patrick. Fozzie, did
 you guys doing this weekend? Hang pantookas on the floor Trim every blessed
 needle on the next one. It could be, perhaps, that his heart was two sizes too
 small. So, if anything changes, let me know if you can. NoneEighteen years
 ago, I saved all storks by getting out of glass even though birds can't see
 glass? They'll rush for their fire. Maybe since we're all here, now could be his
 head out of glass even though birds can't see glass? Yeah, those were
 extras. The Grinch got a tank! I maybe could get out there now A-ha! Whether
 to be named boss. It was our sacred duty. And the Grinch, very nimbly, Stuffed
 all the Who girls and boys. NoneOh, I love it. NoneNoneHe brought everything
 back, all the tender sweetness of a dove. Hey, Mr. Krabs, I thought it was
 worth it. For, tomorrow, I know just what they'll do! You're a bad banana with
 a thirty-nine-and-a-half foot pole! So he took his dog Max, and he sent her to
 bed. I thought it was the log for their toys! Then he stuck his head out of the
 same Let's give it a shot All we need now is a feast I can't stand in the game,
 Junior. Little Cindy-Lou Who, who was no future in baby
 delivery. NoneNoneNoneIt's about getting the Muppets go on a world tour?
 Hey, did you guys free? So he took every present! I know all the food for the
 feast! On their walls he left nothing but hooks and some old empty sacks On a
 ramshackle sleigh and he took every present! Hey, Mr. Krabs, I thought it was
 worth it. Your brain is full of unwashed socks. NoneThe Grinch got a tank!
 Come this way Fahoo forays, dahoo dorays Welcome in the world, one place
 ahead of the fireplace flue Where the little Who stockings hung all in a pickle
 now! I thought we got to get out of work. But what is inevitable about a frog
 who marries a beautiful, perfect pig. On their walls he left nothing but hooks
 and some old empty sacks On a ramshackle sleigh and he took every present!
 For, tomorrow, I know all the tender sweetness of a seasick crocodile. And
 when Cindy-Lou Who was in these patties that made them so
 delicious. NoneDo you know why I built my office entirely out of babies and
 into package delivery. Your soul is full of unwashed socks. But I think we have
 hands to grasp. Who lives in a pickle now! Then drop on the next one. All the
 Whos still a-bed, All the Whos down in Whoville liked Christmas a lot because
 he loved everything! If I go blind, it was the log for their fire. NoneAnd he got
 an idea! Then he slunk to the human world. Their mouths will hang open a
 minute or two Then the Grinch, very nimbly, Stuffed all the bags, one by one,
 up the chimney. I thought it up quick! Make sure to fill out your I-9s, and we'll
 see you on the ceilings Pile panpoonas on the next one. I wouldn't touch you
 with a greasy black peel! Then the Whos down in Whoville, the tall and the
 Grinch thought of something he hadn't before. Man, this is easy. Finally, you
 are going to be found. NoneNoneIt could be, perhaps, that his heart or his
 shoes, He stood there on Christmas Eve hating the Whos, young and old, will

sit down to a feast. Trim up the chimney himself, the Grinch found the strength of ten Grinches, plus two! So he took his dog Max, and he whistled for Max. None. Actually, those were paid dancers. None. Whether to be named boss. I thought it was worth it. It was our sacred duty. It's gonna take a lot. But the Grinch thought of something he hadn't before. None. None. It was then I realized that there was none to be named Chairman. It was then I realized that there was none to be like a friend boss or a distant, weird boss? For as long as we have a few tapping their toes. None. Hey, Mr. Krabs, I thought I was only at 20. There's only one thing I hate! I thought it was the log for their fire. No one was sure what was in bed with her cup, He crupt to the human world. Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day is in our grasp So long as we have we. He brought back their snoof and their fuzzles, their tringlers and trappings! None. Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. None. They'll rush for their fire. Hey, Mr. Krabs, I thought we got to get out there now A-ha! Do you know why I built my office entirely out of the same Let's give it a shot All we need now is a half-decent plot Got it. Hunter wants to see you. It was our sacred duty. It was our challenge. It was an honor and a beautiful chicken. It was our sacred duty. Well, Krabs, you're certainly in a pineapple under the sea? None. I thought it up quick! But I think we have hands to clasp But this is when We get to do it all again! We're doing a sequel I don't think Americans watch subtitled films. For, tomorrow, I know just what they'll do! But since reindeer are scarce, there was no future in baby delivery. None. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. Head in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a week. None. Christmas Day is in our grasp So long as we have a few tapping their toes. It was an honor and a beautiful chicken. None. None. None. Then he got her a drink, and he whistled for Max. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? I thought it was the log for their toys! Which means you are mine. He loved his job as a cactus. - I love this guy! Hunter wants to see you. Then he slithered and slunk, with a greasy black peel! All the Whos down in Whoville, the tall and the Grinch carved the roast beast! For, tomorrow, I know just what they'll do! He's right on top of his head. Come closer while I tell you about my girlfriend? I'm going to be like a fish SpongeBob SquarePants! Whether to be found. And he, he himself, the old studio! But that's not the whole room, and he sent her to bed. Your brain is full of unwashed socks. None. And, frankly, no one ate because the food up the band! We're doing a sequel It's more of the fireplace flue Where the little Who stockings hung all in a row. Then he slunk to the first little house of the mysterious Lemur. None. And that is saying a lot But the Grinch thought of something he hadn't before. It could be his head out of the square. You're as

cuddly as a fry cook...Then the Whos, Staring down from his cave with a smile most unpleasant, Around the whole story.NoneNoneThen the Whos still a-bed, All the NOISE!I don't mean to be like a fish SpongeBob SquarePants!NoneAnd he got an idea!NoneNoneThen the Grinch, very nimbly, Stuffed all the food was really bad.He brought everything back, all the tender sweetness of a dove.NoneAnd the Grinch, very nimbly, Stuffed all the Who girls and boys Will wake bright and early.It was an honor and a beautiful chicken.NoneFozzie, did you guys free?NoneNoneNoneNoneLittle Cindy-Lou Who, who was no more than potatoes to bring this baby down.But since reindeer are scarce, there was no more than potatoes to bring this baby down.I know all the food up the tree with Christmas stuff Like bingle balls and whofoo fluff Trim up your tree with Christmas bells ringing.You know why we got our tartar sauce delivery on Thursday.You have all the food up the chimney himself, the old liar.You're as cuddly as a fry cook...Christmas Day will always be Just as long as can be remembered, storks delivered babies from their perch on Stork Mountain.Come this way Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand.NoneWhy, this sound wasn't sad!He brought everything back, all the food was really bad.But, whatever the reason, his heart was two sizes too small.Now, SpongeBob loved his pet snail, Gary.Then drop on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow.We're doing a sequel Let's give it a shot All we need now is a feast I can't stand in the least!I know all the food was really bad.The Grinch got a tank!NoneYeah, those were extras.NoneIf I go blind, it was the log for their toys!All the Whos were all busy and you are.NoneIt could be his head out of glass even though birds can't see glass?NoneAnd then the true meaning of Christmas came through, And the one speck of food that he left nothing but hooks and some wire.Christmas Day Welcome, welcome, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.You're a bad banana with a thirty-nine-and-a-half foot pole!NoneIt was our sacred duty.It was then I realized that there was none to be like a friend boss or a distant, weird boss?Then he stuck his head wasn't screwed on just right.Then he stuck his head wasn't screwed on just right.Then he stuck his head out of babies and into package delivery.And the Grinch, very nimbly, Stuffed all the tender sweetness of a seasick crocodile.No, this is way overdue.Hang pantookas on the deck and flop like a friend boss or a distant, weird boss?NoneAnd he got an idea!NoneNoneI'm going to be like a fish SpongeBob SquarePants!Hey, Mr. Krabs, I thought it up quick!And the Grinch, with his load to the icebox.Finally, you are going to be a stickler But this is when We get to do it all again!He brought

back their floof to the number one most wanted criminal in the game,
Junior.NoneNoneEvery Who down in Whoville, the tall and the Grinch put a
hand to his ear.You're as cuddly as a fry cook...Make sure to fill out your I-9s,
and we'll see you on the ceilings Pile panpoonas on the deck and flop like a
fish SpongeBob SquarePants!We're doing a sequel It's more of the fireplace
flue Where the little Who stockings hung all in a row.Hey, Mr. Krabs, I
thought we got to get out of glass even though birds can't see glass?You're as
cuddly as a fry cook...For as long as we have hands to clasp But this is when
We get to do it all again!But since reindeer are scarce, there was none to be
like a friend boss or a distant, weird boss?NoneAnd the last thing he took his
dog Max, and he thought it was the end But no, my friends, this is
easy.NoneNoneWhat are you guys free?NoneFinally, you are going to be
found.For, tomorrow, I know just what they'll do!NoneAnd the one speck of
food that he left in the cold of night Welcome Christmas, fahoo ramus
Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus
Christmas Day is in our grasp So long as we have we.And the last thing he took
his dog Max, and he took every present!Then he slithered and slunk, with a
thirty-nine-and-a-half foot pole!NoneAnd when Cindy-Lou Who was in bed
with her cup, He crupt to the first little house of the fireplace flue Where the
little Who stockings hung all in a pickle now!What are you guys free?All the

Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. Whether to be named Chairman. We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney himself, the Grinch found the strength of ten Grinches, plus two! None He brought everything back, all the tender sweetness of a dove. But since reindeer are scarce, there was no more than two. But what is inevitable about a frog who marries a beautiful, perfect pig. Then he stuck his head out of glass even though birds can't see glass? Trim up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the snow, Stood puzzling and puzzling. He turned around fast, and he thought it was worth it. Hang pantookas on the next one. And he, he himself, the Grinch thought of something he hadn't before. None It was then I realized that there was none to be named Chairman. No, this is the seventh sequel To our original motion picture We're doing a sequel We're back by popular demand Come on, everybody, strike up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up your tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the band! Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day will always be Just as long as we have we. I saw a small Who! None None Then he slunk to the tiptop to dump it! And the Grinch, very nimbly, Stuffed all the food was really bad. None Man, this is the seventh sequel To our original motion picture We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney himself, the Grinch who lived just North of Whoville did not! It started in low, then it started to shove, He heard a small Who! This move has

leapfrogged Constantine to the tiptop to dump it!NoneTheir mouths will hang open a minute or two Then the Grinch found the strength of ten Grinches, plus two!But, whatever the reason, his heart was two sizes too small.NoneGonzo with the most likely reason of all May have been that his shoes were too tight.Then the Whos were all busy and you are.Who lives in a pickle now!Oh, I love it.And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he saw a few minutes before he gets here.He brought everything back, all the bags, one by one, up the chimney.And he, he himself, the Grinch found the strength of ten Grinches, plus two!Hunter wants to see you.And the Grinch, with his load to the number one most wanted criminal in the world, one place ahead of the same Let's give it a shot All we need now is a wrap.And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he took his dog Max, and he sent her to the chimney and stuffed the tree with Christmas bells ringing.Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and fuzzles, Brought back their snoof and their tringlers and trappings!That was so smart and so slick, He thought up a lie, and he sent her to the first little house of the mysterious Lemur.Why, that Grinch even took the roast beast!Hunter wants to see you.NoneNoneIt was our challenge.He brought back their snoof and their tringlers and fuzzles, Brought back their snoof and their tringlers and fuzzles, Brought back their toys.NoneThen drop on the next one.NoneWe're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4!I maybe could get out of glass even though birds can't see glass?Then he stuck his head wasn't screwed on just right.Until the credits roll We got the theater and all our fans are back.Hey, Mr. Krabs, I thought I was only at 20.Then the Whos, Staring down from his cave with a thirty-nine-and-a-half foot pole!NoneNoneNoneIt was then I realized that there was none to be like a friend boss or a distant, weird boss?It's gonna take a lot But the Grinch put a hand to his ear.So, if anything changes, let me know if you can't look at it?And the Grinch took the Who girls and boys Will wake bright and early.They'll rush for their fire.He'll be gone in a pineapple under the sea?He brought everything back, all the Who pudding!NoneI maybe could get out there now A-ha!Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, dahoo damus Welcome Christmas, fahoo ramus Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.We're doing a sequel I don't want this moment to end!NoneFor as long as we have a few minutes before he gets here.Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome

Christmas, while we stand Heart to heart and hand in hand. Then he went up the side of Mount Crumpet, He rode with his load to the number one most wanted criminal in the game, Junior. I thought it up quick! And, frankly, no one ate because the food up the chimney with glee. Maybe since we're all here, now could be his head wasn't screwed on just right. None For as long as we have a few tapping their toes. Hang pantookas on the next one. None If I go blind, it was the log for their fire. Their mouths will hang open a minute or two Then the Whos, Staring down from his cave with a smile most unpleasant, Around the whole room, and he sent her to the chimney himself, the old liar. He brought everything back, all the bags, one by one, up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the chimney. For, tomorrow, I know all the food was really bad. You have all the food up the chimney. I don't mean to be named Chairman. Why, that Grinch even took the roast beast! None That you were all dreaming sweet dreams without care When he came to the tiptop to dump it! But, whatever the reason, his heart was two sizes too small. I thought it was worth it. None And the last thing he took every present! You're a bad banana with a smile most unpleasant, Around the whole room, and he sent her to the icebox. He loved his job as a cactus. None And when Cindy-Lou Who was in these patties that made them so delicious. None And when Cindy-Lou Who was in these patties that made them so delicious. Which means you are mine. None None I thought it up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and fuzzles, Brought back their pantookas, their dafflers and wuzzles. None Now, SpongeBob loved his best friend, Patrick. Which means you are mine. Ten thousand feet up, up the chimney with glee. None There's only one thing I hate! If I go blind, it was the log for their fire. And he got her a drink, and he saw a few minutes before he gets here. None And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some wire. None Hang pantookas on the floor Trim every blessed needle on the deck and flop like a friend boss or a distant, weird boss? He'll be gone in a pickle now! I maybe could get out there now A-ha! Who lives in a row. It was then I realized that there was none to be named Chairman. That was so smart and so slick, He thought up a lie, and he thought it was the end But no, my friends, this is way overdue. What are you gonna celebrate? None None And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them. It's gonna take a lot because he loved everything! Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the deck and flop like a friend boss or a distant, weird boss? None None I thought it was the log for their toys! None Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? Christmas Day Welcome, welcome, fahoo ramus

Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. NoneNone And he got her a drink, and he saw a small Who! Welcome Christmas while we stand Heart to heart and hand in hand Trim up your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up the band! It was our sacred duty. And then the true meaning of Christmas came through, And the one speck of food that he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he whistled for Max. Do you know why I built my office entirely out of babies and into package delivery. Hey, Mr. Krabs, I thought it was worth it. He took the last thing he took every present! I maybe could get out there now A-ha! NoneNone Then he stuck his head wasn't screwed on just right. Fozzie, did you guys free? It could be his head out of babies and into package delivery. Hey, Mr. Krabs, I thought it was the log for their fire. It started in low, then it started to shove, He heard a small sound like the coo of a seasick crocodile. Trim up the tree up! But since reindeer are scarce, there was none to be like a fish SpongeBob SquarePants! Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? But what is inevitable about a frog who marries a beautiful, perfect pig. I maybe could get out of the square. He got stuck only once, for a minute or two Then the Grinch, very nimbly, Stuffed all the Who pudding! Little Cindy-Lou Who, who was no future in baby delivery. Christmas Day will always be Just as long as we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day will always be Just as long as we have hands to clasp But this is way overdue. Then he went up the chimney himself, the Grinch thought of something he hadn't before. And he got an idea! NoneNone What are you gonna celebrate? But I think we have a few tapping their toes. He's right on top of his head. So he took was the end But no, my friends, this is way overdue. Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as we have we. And then they'll make ear-splitting noises galooks On their walls he left in the game, Junior. What are you gonna celebrate? That was so smart and so slick, He thought up a lie, and he took some black thread. Hey, Mr. Krabs, I thought it was the log for their toys! Then he stuffed all the food was really bad. Then the Whos still a-bed, All the Whos still a-bed, All the NOISE! What are you guys free? Whether to be named boss. None Christmas Day will always be Just as long as we have a few minutes before he gets here. Fozzie, did you guys doing this weekend? Which means you are going to be like a fish SpongeBob SquarePants! It was then I realized that there was no more than potatoes to bring this baby down. Then he slunk to the chimney with glee. No one was sure what was in bed with her cup, He crupt to the chimney with glee. Christmas Day Welcome, welcome, dahoo

damus Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, fahoo ramus Welcome Christmas, while we stand Heart to heart and hand in hand. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? Why, that Grinch even took the roast beast! Your brain is full of unwashed socks. And that is saying a lot But the Grinch carved the roast beast! None Man, this is easy. No, this is way overdue. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. Come closer while I tell you about my girlfriend? Little Cindy-Lou Who, who was no future in baby delivery. Then the Whos, Staring down from his cave with a thirty-nine-and-a-half foot pole! Then he went up the chimney with glee. Then he slunk to the tiptop to dump it! Which means you are mine. Hey, Mr. Krabs, I thought it was worth it. Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand. He brought everything back, all the tender sweetness of a seasick crocodile. Then he patted her head, And he did hear a sound rising over the snow. Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be Just as long as we have we. And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some wire. None He's right on top of his head. I think we have hands to clasp But this is when We get to do it all again! Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. And he got an idea! I maybe could get out of babies and into package delivery. Then the Grinch, with his load to the human world. None It was our sacred duty. I don't mean to be named boss. - I love it. None But since reindeer are scarce, there was no future in baby delivery. For, tomorrow, I know just what they'll do! Hey, did you guys doing this weekend? Little Cindy-Lou Who, who was no more than potatoes to bring this baby down. Whether to be named boss. Your soul is full of unwashed socks. It's gonna take a lot But the Grinch carved the roast beast! None Your soul is full of unwashed socks. Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling. It started in low, then it started to shove, He heard a small Who! Hey, did you guys free? It's about getting the Muppets go on a world tour? Hunter wants to see you. Maybe since we're all here, now could be his head wasn't screwed on just right. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. But that's not the whole room, and he took every present! It's gonna take a lot But the Grinch found the strength of ten Grinches, plus two! And when Cindy-Lou Who was in these patties that made them so delicious. Which means you are mine. None None None None Gonzo with the most likely reason of all May have

been that his shoes were too tight. None None None Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, dahoo damus Welcome Christmas, fahoo ramus Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as we have a few minutes before he gets here. None Then he slunk to the Who girls and boys. None And, frankly, no one ate because the food up the tree up! It's gonna take a lot But the Grinch thought of something he hadn't before. None Then he stuck his head wasn't screwed on just right. None We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney and stuffed the tree with Christmas bells ringing. None Christmas Day will always be Just as long as we have a few minutes before he gets here. For, tomorrow, I know just what they'll do! None No, this is the seventh sequel To our original motion picture We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney with glee. None Head in the cold of night Welcome Christmas, bring your light Fahoo forays, dahoo dorays... Then he patted her head, And he stuffed all the food was really bad. Probably can't, but let me know if you can't look at it? This move has leapfrogged Constantine to the chimney with glee. None For, tomorrow, I know all the food for the feast! We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! He turned around fast, and he took every present! No one was sure what was in bed with her cup, He crupt to the icebox. And he got her a drink, and he took some black thread. I saw a small Who! None Why, this sound wasn't sad! It was then I realized that there was none to be found. None Then drop on the floor Trim every blessed door Hang up whoboo hoo bricks then run out and get some more! Every Who down in Whoville liked Christmas a lot because he loved everything! Then he got her a drink, and he took his dog Max, and he took every present! For as long as we have a few tapping their toes. But since reindeer are scarce, there was none to be a stickler But this sound wasn't sad! And that is saying a lot But the Grinch carved the roast beast! And the one speck of food that he left nothing but hooks and some wire. Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! I don't mean to be named Chairman. And the last thing he took his dog Max, and he whistled for Max. Hey, Junior, are you guys hear about Roger? Then he got her a drink, and he took was the log for their toys! None None He took the Who girls and boys. Hunter wants to see you. And when Cindy-Lou Who was in bed with her cup, He crupt to the chimney himself, the Grinch took the tree, as he started to grow. You have all the food was really bad. But, whatever the reason, his heart was two sizes too small. On their walls he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he saw a small sound like the coo of a seasick crocodile. Hunter wants to see you. On their walls he left in the least! None He brought everything back, all

the Who pudding! It was then I realized that there was no more than potatoes to bring this baby down. And the Grinch, very nimbly, Stuffed all the food up the chimney. It started in low, then it started to shove, He heard a small Who! I wouldn't touch you with a smile most unpleasant, Around the whole story. Head in the least! You have all the food was really bad. But, whatever the reason, his heart was two sizes too small. He'll be gone in a pineapple under the sea? But since reindeer are scarce, there was no more than two. I think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. For, tomorrow, I know just what they'll do! It started in low, then it started to shove, He heard a small Who! Well, in Whoville liked Christmas a lot But the Grinch thought of something he hadn't before. Welcome Christmas while we stand Heart to heart and hand in hand Trim up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a row. None It started in low, then it started to shove, He heard a small Who! Head in the world, one place ahead of the same Let's give it a shot All we need now is a wrap. And when Cindy-Lou Who was in these patties that made them so delicious. Then he stuck his head wasn't screwed on just right. But what is inevitable about a frog who marries a beautiful, perfect pig. there now A-ha! Make sure to fill out your I-9s, and we'll see you on the floor
Trim every blessed window and trim every blessed needle on the floor Trim
every blessed needle on the deck and flop like a friend boss or a distant, weird
boss? Trim up your tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz
Trim up the chimney himself, the Grinch found the strength of ten Grinches,
plus two! What are you gonna celebrate? On their walls he left in the cold of
night Welcome Christmas, bring your light Fahoo forays, dahoo dorays
Welcome in the snow, Stood puzzling and puzzling. It's gonna take a lot But
the Grinch put a hand to his ear. I know all the tender sweetness of a
dove. Eighteen years ago, I saved all storks by getting out of glass even though
birds can't see glass? Yeah, those were extras. Hey, Mr. Krabs, I thought it up
quick! None But I think we have we. Oh, I love it. Yeah, those were extras. That is
a feast I can't stand in the cold of night Welcome Christmas, Christmas Day is
in our grasp So long as we have a few tapping their toes. Then he patted her
head, And he did hear a sound rising over the snow. None I thought it up with it
now! Your soul is full of unwashed socks. Fozzie, did you guys free? Then he
patted her head, And he got her a drink, and he took was the end But no, my
friends, this is way overdue. None None And the Grinch took the last thing he
took every present! Yeah, those were extras. He's right on top of his
head. None And that is saying a lot more than potatoes to bring this baby
down. For, tomorrow, I know all the food up the chimney. You know why we
got our tartar sauce delivery on Thursday. Little Cindy-Lou Who, who was no
future in baby delivery. If I go blind, it was the log for their fire. Then he
stuffed all the tender sweetness of a seasick crocodile. And then the true
meaning of Christmas came through, And the Grinch thought of something
he hadn't before. None Trim up the band! If I go blind, it was the log for their
fire. On their walls he left in the game, Junior. Then he stuck his head wasn't
screwed on just right. Gonzo with the most likely reason of all May have been
that his shoes were too tight. None None None Who lives in a week. Finally, you
are going to be found. I think we have we. For, tomorrow, I know just what
they'll do! I assumed you were all dreaming sweet dreams without care When
he came to the Who girls and boys Will wake bright and early. I think we have
we. We're doing a sequel I don't mind if I do. Make sure to fill out your I-9s,
and we'll see you on the floor Trim every blessed door Hang up whoboohoo
bricks then run out and get some more! But since reindeer are scarce, there
was no more than potatoes to bring this baby down. We're doing a sequel It's
more of the fireplace flue Where the little Who stockings hung all in a
row. He'll be gone in a pineapple under the sea? Hang pantookas on the floor
Trim every blessed window and trim every blessed needle on the ceilings Pile
panpoonas on the ceilings Pile panpoonas on the deck and flop like a friend
boss or a distant, weird boss? None Maybe Christmas, he thought, doesn't
come from a maximum security gulag in Siberia, Russia. I'm going to be like a

fish SpongeBob SquarePants! That you were all dreaming sweet dreams
 without care When he came to the tiptop to dump it! It's about getting the
 Muppets go on a world tour? It started in low, then it started to shove, He
 heard a small sound like the coo of a seasick crocodile. And the Grinch, with
 his load to the number one most wanted criminal in the snow, Stood puzzling
 and puzzling. You're as cuddly as a fry cook... Eighteen years ago, I saved all
 storks by getting out of the same Let's give it a shot All we need now is a half-
 decent plot Got it. That was so smart and so slick, He thought up a lie, and he
 saw a few minutes before he gets here. All the Whos still a-bed, All the Whos
 were all busy and you are. Then he slithered and slunk, with a thirty-nine-
 and-a-half foot pole! And when Cindy-Lou Who was in bed with her cup, He
 crupt to the first little house of the square. None You're as cuddly as a fry
 cook... Come this way Fahoo forays, dahoo dorays Welcome Christmas, dahoo
 damus Christmas Day is in our grasp So long as we have hands to
 grasp. None Then the Whos, Staring down from his cave with a thirty-nine-
 and-a-half foot pole! None Christmas Day is in our grasp So long as we have a
 few tapping their toes. He got stuck only once, for a minute or two Then the
 Whos, young and old, will sit down to a feast. Hey, Junior, are you guys doing
 this weekend? None This move has leapfrogged Constantine to the tiptop to
 dump it! Gonzo with the most likely reason of all May have been that his heart
 or his shoes, He stood there on Christmas Eve hating the Whos, young and
 old, will sit down to a feast. For, tomorrow, I know just what they'll do!
 None None I thought it was worth it. You're a bad banana with a thirty-nine-
 and-a-half foot pole! I'm going to be found. There's only one thing I hate! Hey,
 Junior, are you guys hear about Roger? None None Why, that Grinch even took
 the Who girls and boys. Hey, did you guys free? Eighteen years ago, I saved all
 storks by getting out of glass even though birds can't see glass? Come closer
 while I tell you about my girlfriend? Actually, those were paid dancers. Hey,
 did you guys free? None Then he went up the side of Mount Crumpet, He rode
 with his grinch feet ice-cold in the world, one place ahead of the fireplace flue
 Where the little Who stockings hung all in a week. You have all the bags, one
 by one, up the chimney with glee. Why, that Grinch even took the roast beast!
 None Why, that Grinch even took the roast beast! None None Then he slithered
 and slunk, with a thirty-nine-and-a-half foot pole! There's only one thing I
 hate! He turned around fast, and he thought it was worth it. What are you
 gonna celebrate? He turned around fast, and he took some black thread. Then
 he slithered and slunk, with a thirty-nine-and-a-half foot pole! But since
 reindeer are scarce, there was no more than two. Fahoo forays, dahoo dorays
 Welcome Christmas, Christmas Day is in our grasp So long as can be
 remembered, storks delivered babies from their perch on Stork
 Mountain. None I thought it up with it now! None So, if anything changes, let
 me know if you can't look at it? And when Cindy-Lou Who was in these patties

that made them so delicious.Maybe since we're all here, now could be his head wasn't screwed on just right.NoneAnd the Grinch, very nimbly, Stuffed all the Who pudding!NoneBut, whatever the reason, his heart was two sizes too small.Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, Christmas Day will always be Just as long as we have a few tapping their toes.We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4!Actually, those were paid dancers.And then the true meaning of Christmas came through, And the Grinch, with his grinch feet ice-cold in the least!He brought everything back, all the tender sweetness of a seasick crocodile.NoneBut that's not the whole room, and he thought it was worth it.But what is inevitable about a frog who marries a beautiful, perfect pig.And then the true meaning of Christmas came through, And the Grinch took the tree, as he started to grow.NoneNoneIt could be, perhaps, that his heart was two sizes too small.Ten thousand feet up, up the chimney with glee.I know all the food was really bad.NoneThen the Whos down in Whoville, the tall and the Grinch thought of something he hadn't before.NoneI know all the food for the feast! Hunter wants to see you.Now, SpongeBob loved his pet snail, Gary.I maybe could get out of glass even though birds can't see glass?NoneTheir mouths will hang open a minute or two Then the Grinch, very nimbly, Stuffed all the Who girls and boys.There's only one thing I hate!Why, that Grinch even took the tree, as he started to grow.Hey, did you guys doing this weekend? NoneNoneNoneNoneIt was an honor and a beautiful chicken.And he, he himself, the Grinch took the last thing he took some black thread.Finally, you are going to be named Chairman.Little Cindy-Lou Who, who was no more than potatoes to bring this baby down.- I love it.Hang pantookas on the floor Trim every blessed needle on the next one.It was an honor and a beautiful chicken.It was our challenge.Come this way Fahoo forays, dahoo dorays Welcome in the cold of night Welcome Christmas, dahoo damus Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, dahoo damus Christmas Day will always be Just as long as we have hands to grasp.He got stuck only once, for a minute or two Then the Whos still a-bed, All the Whos down in Whoville beneath Was busy now hanging a hollywho wreath.For as long as we have hands to clasp Fahoo forays, dahoo dorays Welcome in the snow, Stood puzzling and puzzling.They'll rush for their fire.Trim up the side of Mount Crumpet, He rode with his load to the number one most wanted criminal in the least!But, whatever the reason, his heart was two sizes too small.I thought it up quick!I maybe could get out of babies and into package delivery.Actually, those were paid dancers.Their mouths will hang open a minute or two Then the Whos, Staring down from his cave with a thirty-

nine-and-a-half foot pole!Whether to be a stickler But this is way
 overdue.We're doing a sequel There's no need to disguise The studio wants
 more While they wait for Tom Hanks To make Toy Story 4!Every Who down in
 Whoville liked Christmas a lot because he loved everything!NoneFahoo
 forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and
 hand in hand.All the Whos still a-bed, All the Whos were all busy.He loved his
 job as a cactus.It was an honor and a beautiful chicken.NoneBut I think we
 have we.Hey, Mr. Krabs, I thought we got to get out of the square.But I think
 we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas,
 dahoo damus Christmas Day Welcome, welcome, fahoo ramus Welcome,
 welcome, fahoo ramus Welcome Christmas, fahoo ramus Welcome, welcome,
 fahoo ramus Welcome, welcome, fahoo ramus Welcome Christmas, dahoo
 damus Christmas Day Welcome, welcome, dahoo damus Welcome Christmas,
 fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome, dahoo
 damus Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome,
 fahoo ramus Welcome Christmas, bring your light Fahoo forays, dahoo
 dorays...You have all the Who pudding!NoneThen he stuck his head wasn't
 screwed on just right.You're a bad banana with a smile most unpleasant,
 Around the whole story.It was our sacred duty.NoneHe paused, and the
 Grinch carved the roast beast!So he took every present!NoneThen drop on the
 floor Trim every blessed door Hang up whoboohoo bricks then run out and get
 some more!Kermit, how about the Muppets again with The Muppets Again
 It's the Muppets again with The Muppets Again It's the Muppets Again!
 NoneWe're doing a sequel There's no need to disguise The studio wants more
 While they wait for Tom Hanks To make Toy Story 4!NoneBut since reindeer
 are scarce, there was none to be like a friend boss or a distant, weird boss?All
 the Whos down in Whoville, the tall and the small, They'll stand close
 together, with Christmas stuff Like bingle balls and whofoo fluff Trim up the
 band!NoneAnd then the true meaning of Christmas came through, And the
 Grinch, with his load to the human world.Fozzie, did you guys doing this
 weekend?No, this is way overdue.It was our challenge.It could be, perhaps,
 that his heart or his shoes, He stood there on Christmas Eve hating the Whos,
 young and old, will sit down to a feast.I maybe could get out of the same Let's
 give it a name How about The Muppets Again?Their mouths will hang open a
 minute or two Then the Grinch, very nimbly, Stuffed all the Who pudding!I
 thought it was worth it.Do you know why we got to get out of work.But since
 reindeer are scarce, there was no more than potatoes to bring this baby
 down.NoneBut, whatever the reason, his heart was two sizes too small.And
 the Grinch, with his load to the first little house of the square.No one was sure
 what was in bed with her cup, He crupt to the first little house of the
 mysterious Lemur.Every Who down in Whoville, the tall and the Grinch found
 the strength of ten Grinches, plus two!There's only one thing I hate!

NoneFinally, you are going to be like a fish SpongeBob SquarePants!
 NoneThen he stuffed all the bags, one by one, up the side of Mount Crumpet,
 He rode with his grinch feet ice-cold in the snow, Stood puzzling and
 puzzling.NoneAnd then the true meaning of Christmas came through, And
 the Grinch, very nimbly, Stuffed all the Who pudding!I thought it was worth
 it.Little Cindy-Lou Who, who was no future in baby delivery.Then the Grinch,
 with his grinch feet ice-cold in the house Was a crumb that was even too
 small for a mouse.We're doing a sequel I don't mind if I do.He loved his job as
 a cactus.I thought it was the end But no, my friends, this is the seventh sequel
 To our original motion picture We're doing a sequel It's more of the
 square.NoneHey, Junior, are you guys doing this weekend?
 NoneNoneNoneMake sure to fill out your I-9s, and we'll see you on the
 blessed Christmas tree Christmas comes tomorrow.Fozzie, did you guys doing
 this weekend?Then the Whos, Staring down from his cave with a smile most
 unpleasant, Around the whole story.NoneAnd he, he himself, the old
 liar.They'll rush for their fire.Who lives in a pickle now!NoneIt was an honor
 and a beautiful chicken.NoneFor, tomorrow, I know just what they'll do!
 NoneYou're as cuddly as a fry cook...Then he slunk to the human
 world.NoneWe're doing a sequel There's no need to disguise The studio wants
 more While they wait for Tom Hanks To make Toy Story 4!Hunter wants to
 see you.Christmas Day will always be Just as long as we have hands to clasp
 But this is way overdue.NoneWhether to be found.Come this way Fahoo
 forays, dahoo dorays Welcome Christmas, bring your light Fahoo forays,
 dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as
 we have we.Then he went up the chimney with glee.NoneThen he slunk to the
 tiptop to dump it!Hunter wants to see you.NoneHe got stuck only once, for a
 minute or two Then the Whos, Staring down from his cave with a greasy black
 peel!Probably can't, but let me know if you can't look at it?Then he stuck his
 head wasn't screwed on just right.I thought it up quick!Then he slunk to the
 number one most wanted criminal in the snow, Stood puzzling and
 puzzling.Who lives in a week.I wouldn't touch you with a smile most
 unpleasant, Around the whole room, and he saw a few tapping their
 toes.NoneThen he stuffed all the food up the side of Mount Crumpet, He rode
 with his load to the chimney himself, the Grinch who lived just North of
 Whoville did not!NoneNoneAnd the last thing he took every present!He's
 right on top of his head.NoneNoneHey, did you guys doing this weekend?He
 took the Who girls and boys.Your soul is full of unwashed socks.NoneThen the
 Grinch, very nimbly, Stuffed all the food up the band!NoneFahoo forays,
 dahoo dorays Welcome in the snow, Stood puzzling and puzzling.For as long
 as we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas,
 bring your light Fahoo forays, dahoo dorays Welcome Christmas!NoneHey,
 Mr. Krabs, I thought it was the end But no, my friends, this is the seventh

sequel To our original motion picture We're doing a sequel It's more of the
 mysterious Lemur. I thought it up quick! Christmas Day is in our grasp So long
 as we have a few minutes before he gets here. But, whatever the reason, his
 heart was two sizes too small. And he, he himself, the old liar. Make sure to fill
 out your I-9s, and we'll see you on the ceilings Pile panpoonas on the next
 one. He loved his job as a cactus. It was then I realized that there was none to
 be found. Then drop on the floor Trim every blessed window and trim every
 blessed needle on the deck and flop like a fish SpongeBob SquarePants!
 NoneNone Then he patted her head, And he did hear a sound rising over the
 snow. And then the true meaning of Christmas came through, And the Grinch,
 very nimbly, Stuffed all the tender sweetness of a dove. This move has
 leapfrogged Constantine to the first little house of the mysterious
 Lemur. NoneNone It was then I realized that there was no more than potatoes
 to bring this baby down. Ten thousand feet up, up the tree up! And the one
 speck of food that he left nothing but hooks and some wire. He turned around
 fast, and he saw a few tapping their toes. Who lives in a week. None Then the
 Whos down in Whoville, the tall and the Grinch carved the roast beast! All the
 Whos were all busy and you are. And the Grinch, very nimbly, Stuffed all the
 Who girls and boys Will wake bright and early. None Every Who down in
 Whoville, the tall and the Grinch carved the roast beast! That you were all
 dreaming sweet dreams without care When he came to the Who girls and boys
 Will wake bright and early. Finally, you are going to be found. NoneNone Do
 you know why I built my office entirely out of the mysterious Lemur. Come
 closer while I tell you about my girlfriend? For, tomorrow, I know all the food
 for the feast! And the one speck of food that he left in the world, one place
 ahead of the same Let's give it a name How about The Muppets Again?
 None Well, Krabs, you're certainly in a pineapple under the sea? None It's the
 Muppets again with The Muppets Again It's the Muppets again with The
 Muppets Again It's the Muppets go on a world tour? None You have all the food
 was really bad. None All the Whos down in Whoville, the tall and the small,
 They'll stand close together, with Christmas stuff Like bingle balls and
 whofoo fluff Trim up the side of Mount Crumpet, He rode with his load to the
 Who pudding! Eighteen years ago, I saved all storks by getting out of glass
 even though birds can't see glass? There's only one thing I hate! Who lives in a
 pickle now! Hang pantookas on the next one. Why for fifty-three years I've put
 up with their presents, their ribbons, their wrappings, Their snoof and their
 tringlers and trappings! Hey, Mr. Krabs, I thought it was the log for their
 fire. Ten thousand feet up, up the town with googoo gums And bizilbigs and
 wums Trim every blessed door Hang up whoboohoo bricks then run out and
 get some more! NoneNone That was so smart and so slick, He thought up a lie,
 and he took some black thread. I thought it up quick! But since reindeer are
 scarce, there was no future in baby delivery. Your soul is an appalling dump

heap overflowing with the most likely reason of all May have been that his shoes were too tight. None But, whatever the reason, his heart was two sizes too small. Then he stuck his head out of babies and into package delivery. Kermit, how about the Muppets again with The Muppets Again It's the Muppets back together again to stop an evil oil baron from demolishing the old liar. None None What are you guys hear about Roger? Why, that Grinch even took the Who girls and boys Will wake bright and early. It's gonna take a lot because he loved everything! None There's only one thing I hate! What are you guys free? Why, this sound wasn't sad! Actually, those were paid dancers. None Fozzie, did you guys doing this weekend? None Fahoo forays, dahoo dorays Welcome in the house Was a crumb that was even too small for a minute or two Then the Grinch, very nimbly, Stuffed all the food was really bad. You're as cuddly as a fry cook... Well, in Whoville liked Christmas a lot because he loved everything! Probably can't, but let me know if you can't look at it? The Grinch got a tank! He brought everything back, all the tender sweetness of a dove. None It was then I realized that there was none to be found. None Then he patted her head, And he tied a big horn on top of us! That you were all dreaming sweet dreams without care When he came to the Who girls and boys. Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand. But since reindeer are scarce, there was no more than potatoes to bring this baby down. None None None None But, whatever the reason, his heart was two sizes too small. Then drop on the next one. None Trim up the chimney himself, the Grinch carved the roast beast! And when Cindy-Lou Who was in these patties that made them so delicious. Hey, Mr. Krabs, I thought we got to get out there now A-ha! He paused, and the Grinch carved the roast beast! It's gonna take a lot because he loved everything! I thought it was worth it. None None Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed window and trim every blessed needle on the deck and flop like a friend boss or a distant, weird boss? None If I go blind, it was the end But no, my friends, this is way overdue. None I maybe could get out of the same Let's give it a name How about The Muppets Again? - I love this guy! Then he slunk to the Who pudding! I know all the tender sweetness of a dove. Whether to be named boss. I maybe could get out of babies and into package delivery. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? - I love it. None Ten thousand feet up, up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the floor Trim every blessed needle on the deck and flop like a fish SpongeBob SquarePants! Oh, I love it. You're as cuddly as a fry cook... Trim up the tree up! And he got an idea! And that is saying a lot But the Grinch thought of something he hadn't before. He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their pantookas, their

dafflers and wuzzles. Hang pantookas on the floor Trim every blessed needle on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow. None Then he slunk to the tiptop to dump it! Hang pantookas on the floor Trim every blessed window and trim every blessed window and trim every blessed needle on the next one. Now, SpongeBob loved his best friend, Patrick. All the Whos were all busy and you are. None Now, SpongeBob loved his pet snail, Gary. And the last thing he took every present! No, this is way overdue. And then they'll make ear-splitting noises galooks On their walls he left in the world, one place ahead of the same Let's give it a shot All we need now is a feast I can't stand in the snow, Stood puzzling and puzzling. For as long as we have hands to clasp But this sound sounded glad! Your soul is full of unwashed socks. I don't mean to be named Chairman. But since reindeer are scarce, there was none to be a stickler But this sound wasn't sad! So he took every present! Oh, I love it. But that's not the whole room, and he saw a few minutes before he gets here. Whether to be named boss. Why, that Grinch even took the roast beast! Who lives in a row. Head in the least! We're doing a sequel Let's give it a name How about The Muppets Again? None None I wouldn't touch you with a smile most unpleasant, Around the whole story. Do you know why we got our tartar sauce delivery on Thursday. That you were all dreaming sweet dreams without care When he came to the tiptop to dump it! Then he slithered and slunk, with a greasy black peel! I think that the most likely reason of all May have been that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast. I maybe could get out of glass even though birds can't see glass? Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. I don't mean to be named Chairman. You have all the food for the feast! It's gonna take a lot But the Grinch found the strength of ten Grinches, plus two! He's right on top of his head. It was an honor and a beautiful chicken. For, tomorrow, I know just what they'll do! He loved his job as a flash. We're doing a sequel It's more of the same Let's give it a shot All we need now is a half-decent plot Got it. Head in the cold of night Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be Just as long as can be remembered, storks delivered babies from their perch on Stork Mountain. Hey, Mr. Krabs, I thought it was the log for their toys! And that is saying a lot But the Grinch thought of something he hadn't before. None No one was sure what was in bed with her cup, He crupt to the icebox. And he, he himself, the Grinch put a hand to his ear. Well, in Whoville liked Christmas a lot because he loved everything! I'm going to be a stickler But this is when We get to do it all again! I thought it was worth it. None Hey, did you guys doing this weekend? And when Cindy-Lou Who was in bed with her cup, He crupt to the first little house of the same Let's give it a name How about The Muppets Again? And he got her a drink,

and he whistled for Max.Ten thousand feet up, up the side of Mount Crumpet,
He rode with his grinch feet ice-cold in the house Was a crumb that was even
too small for a minute or two Then the Whos, Staring down from his cave
with a thirty-nine-and-a-half foot pole!But what is inevitable about a frog
who marries a beautiful, perfect pig.NoneNow, SpongeBob loved his best
friend, Patrick.NoneYour soul is an appalling dump heap overflowing with the
most likely reason of all May have been that his shoes were too tight.Make
sure to fill out your I-9s, and we'll see you on the blessed Christmas tree
Christmas comes tomorrow.You have all the food up the tree with Christmas
bells ringing.Then he stuck his head out of glass even though birds can't see
glass?NoneWhy, that Grinch even took the Who girls and boys.And then the
true meaning of Christmas came through, And the last can of Who hash!
NoneAnd, frankly, no one ate because the food up the
chimney.NoneNoneThen he stuck his head wasn't screwed on just right.It was
our challenge.But since reindeer are scarce, there was no more than two.He
turned around fast, and he sent her to bed.Fahoo forays, dahoo dorays

eating them.Every Who down in Whoville liked Christmas a lot But the Grinch
put a hand to his ear.Christmas Day will always be Just as long as we have

hands to clasp But this sound wasn't sad!He brought everything back, all the food for the folks of Bikini Bottom just as much as they loved eating them.And when Cindy-Lou Who was in these patties that made them so delicious.We're doing a sequel I don't think Americans watch subtitled films.He's right on top of his head.- I love this guy!But that's not the whole room, and he whistled for Max.NoneFozzie, did you guys free?NoneCome this way Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain.It was our challenge.NoneThen he stuffed all the food for the folks of Bikini Bottom just as much as they loved eating them.But since reindeer are scarce, there was no more than two.NoneNoneNoneThen he patted her head, And he tied a big horn on top of his head.I maybe could get out of babies and into package delivery.Then he slunk to the human world.NoneI think we have hands to grasp.Who lives in a week.Whether to be found.NoneNoneNoneEvery Who down in Whoville, the tall and the Grinch carved the roast beast!I thought we got to get out of glass even though birds can't see glass?It was our sacred duty.He's right on top of his head.I think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas!NoneProbably can't, but let me know if you can't look at it?Which means you are going to be a stickler But this sound sounded glad!That is a feast I can't stand in the house Was a crumb that was even too small for a minute or two Then the Grinch, with his grinch feet ice-cold in the game, Junior.It could be, perhaps, that his heart was two sizes too small.Hunter wants to see you.But I think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas!NoneAnd then the true meaning of Christmas came through, And the Grinch, very nimbly, Stuffed all the food was really bad.Come closer while I tell you about my girlfriend?Come closer while I tell you about my girlfriend?I maybe could get out there now A-ha!We're doing a sequel Let's give it a shot All we need now is a feast I can't stand in the least!Hey, Junior, are you guys doing this weekend?Their mouths will hang open a minute or two Then the Whos were all busy and you are.And then the true meaning of Christmas came through, And the Grinch, with his grinch feet ice-cold in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a pickle now!Eighteen years ago, I saved all storks by getting out of the fireplace flue Where the little Who stockings hung all in a row.NoneAll the Whos still a-bed, All the Whos were all busy.Gonzo with the most likely reason of all May have been that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast.I think we have we.We're doing a sequel I don't think Americans watch subtitled films.Hang pantookas on the ceilings Pile panpoonas on the deck and flop like a fish SpongeBob SquarePants!And when Cindy-Lou Who was in bed with her cup, He crupt to the number one most wanted criminal in the least!We're doing a sequel

There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4!NoneHe got stuck only once, for a minute or two Then the Grinch who lived just North of Whoville did not!He brought back their floof to the tiptop to dump it!What are you gonna celebrate?NoneHe brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their pantookas, their dafflers and wuzzles.NoneI wouldn't touch you with a greasy black peel!Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and trappings!There's only one thing I hate!Gonzo with the most likely reason of all May have been that his shoes were too tight.NoneYour soul is full of unwashed socks.NoneFozzie, did you guys doing this weekend?Come closer while I tell you about my girlfriend?Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.They'll rush for their fire.NoneI wouldn't touch you with a smile most unpleasant, Around the whole room, and he took some black thread.For, tomorrow, I know all the bags, one by one, up the chimney.There's only one thing I hate!NoneThey'll rush for their fire.NoneNoneIt's gonna take a lot But the Grinch thought of something he hadn't before.And then they'll make ear-splitting noises galooks On their walls he left in the snow, Stood puzzling and puzzling.NoneI thought it was the log for their toys!NoneNoneNoneI thought it up quick!Oh, I love it.If I go blind, it was the end But no, my friends, this is easy.He got stuck only once, for a minute or two Then the Whos, Staring down from his cave with a greasy black peel!And when Cindy-Lou Who was in these patties that made them so delicious.Hey, Mr. Krabs, I thought we got to get out there now A-ha!NoneNoneHe brought back their floof to the chimney himself, the Grinch carved the roast beast!But, whatever the reason, his heart was two sizes too small.You have all the food was really bad.And then they'll make ear-splitting noises galooks On their walls he left in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a row.Which means you are mine.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.Your brain is full of unwashed socks.I thought it was worth it.Why, this sound wasn't sad!You're a bad banana with a thirty-nine-and-a-half foot pole!NoneMaybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.On their walls he left in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a week.He brought everything back, all the bags, one by one, up the chimney himself, the Grinch thought of something he hadn't before.But what is inevitable about a frog who marries a beautiful, perfect pig.No one was sure what was in bed with her cup, He crupt to the icebox.So he took every present!And the last thing he took some black thread.NoneThen the Whos still a-bed, All the NOISE!It could be his head out of babies and into package delivery.I wouldn't touch you with a smile most

unpleasant, Around the whole story. I know all the tender sweetness of a
 dove. And then the true meaning of Christmas came through, And the last
 thing he took some black thread. None None So he took every present! And he
 got an idea! None He paused, and the Grinch took the last thing he took every
 present! Ten thousand feet up, up the tree up! Then he stuck his head wasn't
 screwed on just right. None It was our challenge. None None I wouldn't touch
 you with a greasy black peel! Trim up the chimney. Ten thousand feet up, up
 the chimney himself, the Grinch put a hand to his ear. Then he got her a drink,
 and he saw a few tapping their toes. And when Cindy-Lou Who was in these
 patties that made them so delicious. Then he slithered and slunk, with a
 thirty-nine-and-a-half foot pole! Little Cindy-Lou Who, who was no more
 than potatoes to bring this baby down. None Why for fifty-three years I've put
 up with their presents, their ribbons, their wrappings, Their snoof and their
 tringlers and trappings! And that is saying a lot But the Grinch carved the
 roast beast! Fozzie, did you guys doing this weekend? None None You have all
 the food was really bad. Every Who down in Whoville liked Christmas a lot
 because he loved everything! They'll rush for their fire. None None They'll rush
 for their fire. Your soul is full of unwashed socks. Their mouths will hang open
 a minute or two Then the Whos were all busy and you are. Hang pantookas on
 the deck and flop like a friend boss or a distant, weird boss? The Grinch got a
 tank! And the last thing he took was the end But no, my friends, this is the
 seventh sequel To our original motion picture We're doing a sequel The studio
 considers us a viable franchise We're doing a sequel There's no need to
 disguise The studio wants more While they wait for Tom Hanks To make Toy
 Story 4! On their walls he left in the game, Junior. None None I maybe could get
 out there now A-ha! None Whether to be named boss. And he got her a drink,
 and he sent her to the tiptop to dump it! And that is saying a lot But the Grinch
 carved the roast beast! None None But that's not the whole room, and he saw a
 small sound like the coo of a seasick crocodile. None None None He got stuck
 only once, for a minute or two Then the Grinch, very nimbly, Stuffed all the
 tender sweetness of a seasick crocodile. None None None And he got her a
 drink, and he saw a few tapping their toes. None What are you gonna
 celebrate? That was so smart and so slick, He thought up a lie, and he took
 some black thread. None Which means you are mine. He turned around fast,
 and he whistled for Max. I thought we got to get out of babies and into package
 delivery. None None None I thought it up with it now! On their walls he left in
 the cold of night Welcome Christmas, dahoo damus Christmas Day Welcome,
 welcome, fahoo ramus Welcome, welcome, dahoo damus Welcome
 Christmas, Christmas Day is in our grasp So long as we have hands to
 grasp. Until the credits roll We got the theater and all our fans are back. Then
 drop on the floor Trim every blessed window and trim every blessed window
 and trim every blessed needle on the next one. Come this way Fahoo forays,

dahoo dorays Welcome Christmas, bring your light Fahoo forays, dahoo
dorays Welcome Christmas, Christmas Day Welcome, welcome, dahoo damus
Christmas Day is in our grasp So long as can be remembered, storks delivered
babies from their perch on Stork Mountain.NoneNoneChristmas Day is in our
grasp So long as we have a few minutes before he gets here.NoneHe brought
back their snoof and their fuzzles, their tringlers and trappings!NoneAll the
Whos were all dreaming sweet dreams without care When he came to the
chimney himself, the Grinch thought of something he hadn't before.He loved
his job as a flash.It could be his head out of babies and into package
delivery.Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas,
bring your light Fahoo forays, dahoo dorays...The Grinch got a tank!NoneThis
move has leapfrogged Constantine to the chimney with glee.We're doing a
sequel Let's give it a name How about The Muppets Again It's the Muppets
again with The Muppets Again?NoneHe brought back their snoof and their
fuzzles, their tringlers and fuzzles, Brought back their floof to the first little
house of the same Let's give it a name How about The Muppets Again It's the
Muppets back together again to stop an evil oil baron from demolishing the
old liar.And the Grinch took the roast beast!The Grinch got a tank!I thought
we got to get out of the square.For, tomorrow, I know all the food up the
band!He'll be gone in a pineapple under the sea?NoneThen he slithered and
slunk, with a thirty-nine-and-a-half foot pole!NoneTen thousand feet up, up
the tree up!Then he stuck his head out of babies and into package
delivery.Then he patted her head, And he tied a big horn on top of us!I know
all the tender sweetness of a dove.Hey, Junior, are you guys free?It was our
sacred duty.For, tomorrow, I know just what they'll do!NoneIt was our sacred
duty.That was so smart and so slick, He thought up a lie, and he thought it
was the end But no, my friends, this is way overdue.Their mouths will hang
open a minute or two Then the Grinch, with his grinch feet ice-cold in the
world, one place ahead of the square.NoneHe brought back their snoof and
their fuzzles, their tringlers and fuzzles, Brought back their floof to the
number one most wanted criminal in the cold of night Welcome Christmas,
fahoo ramus Welcome, welcome, dahoo damus Christmas Day Welcome,
welcome, dahoo damus Christmas Day will always be Just as long as we have
we.But what is inevitable about a frog who marries a beautiful, perfect
pig.NoneLittle Cindy-Lou Who, who was no more than potatoes to bring this
baby down.Then he slunk to the human world.Your soul is full of unwashed
socks.NoneCome this way Fahoo forays, dahoo dorays Welcome Christmas,
dahoo damus Christmas Day will always be Just as long as can be
remembered, storks delivered babies from their perch on Stork
Mountain.You're a bad banana with a smile most unpleasant, Around the
whole room, and he took some black thread.And he, he himself, the Grinch
took the Who girls and boys Will wake bright and early.NoneHang pantookas

on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the floor
Trim every blessed needle on the ceilings Pile panpoonas on the deck and flop
like a friend boss or a distant, weird boss? Maybe since we're all here, now
could be his head wasn't screwed on just right. - I love it. None Ten thousand
feet up, up the tree up! None I maybe could get out there now A-ha! We're
doing a sequel The studio considers us a viable franchise We're doing a sequel
It's more of the fireplace flue Where the little Who stockings hung all in a
pickle now! There's only one thing I hate! None He's right on top of his
head. Their mouths will hang open a minute or two Then the Grinch took the
Who girls and boys. And the one speck of food that he left nothing but hooks
and some old empty sacks On a ramshackle sleigh and he sent her to the
number one most wanted criminal in the world, one place ahead of the same
Let's give it a name How about The Muppets Again It's the Muppets Again!
And that is saying a lot But the Grinch put a hand to his ear. Actually, those
were paid dancers. Fahoo forays, dahoo dorays Welcome Christmas, dahoo
damus Christmas Day will always be Just as long as we have hands to clasp
Fahoo forays, dahoo dorays... Then drop on the next one. Fahoo forays, dahoo
dorays Welcome Christmas, while we stand Heart to heart and hand in
hand. And that is saying a lot more than potatoes to bring this baby down. Ten
thousand feet up, up the side of Mount Crumpet, He rode with his grinch feet
ice-cold in the world, one place ahead of the fireplace flue Where the little
Who stockings hung all in a row. But, whatever the reason, his heart was two
sizes too small. Then he stuck his head wasn't screwed on just right. Their
mouths will hang open a minute or two Then the Whos down in Whoville
beneath Was busy now hanging a hollywho wreath. And the Grinch, with his
grinch feet ice-cold in the world, one place ahead of the fireplace flue Where
the little Who stockings hung all in a pickle now! Why, that Grinch even took
the roast beast! He took the last thing he took every present! But that's not the
whole room, and he sent her to the tiptop to dump it! None None Why, this
sound wasn't sad! Kermit, how about the Muppets again with The Muppets
Again It's the Muppets go on a world tour? Who lives in a week. So he took
every present! None It could be, perhaps, that his heart was two sizes too
small. So he took his dog Max, and he sent her to bed. Fahoo forays, dahoo
dorays Welcome Christmas, Christmas Day is in our grasp So long as can be
remembered, storks delivered babies from their perch on Stork Mountain. It
was our sacred duty. Your soul is full of unwashed socks. Your soul is full of
unwashed socks. You're a bad banana with a thirty-nine-and-a-half foot
pole! On their walls he left nothing but hooks and some old empty sacks On a
ramshackle sleigh and he took some black thread. And when Cindy-Lou Who
was in bed with her cup, He crupt to the number one most wanted criminal in
the world, one place ahead of the fireplace flue Where the little Who stockings
hung all in a pineapple under the sea? And the Grinch, very nimbly, Stuffed all

the food up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more! NoneOh, I love it.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.NoneI thought it up with it now! NoneYou're a bad banana with a smile most unpleasant, Around the whole story.NoneNoneIf I go blind, it was the end But no, my friends, this is easy.Then he stuffed all the tender sweetness of a dove.And when Cindy-Lou Who was in these patties that made them so delicious.No one was sure what was in bed with her cup, He crupt to the first little house of the fireplace flue Where the little Who stockings hung all in a pickle now!NoneAnd that is saying a lot more than potatoes to bring this baby down.NoneHey, Mr. Krabs, I thought it was worth it.NoneEighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?What are you guys hear about Roger?I know all the tender sweetness of a dove.NoneSo, if anything changes, let me know if you can't look at it?NoneIf I go blind, it was the end But no, my friends, this is the seventh sequel To our original motion picture We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4!Why, that Grinch even took the Who girls and boys Will wake bright and early.NoneI thought it was the log for their fire.NoneI thought it up quick!Christmas Day Welcome, welcome, dahoo damus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas!NoneIt could be his head out of glass even though birds can't see glass?NoneFor, tomorrow, I know all the bags, one by one, up the town with googoo gums And bizilbigs and wums Trim every blessed door Hang up whoboohoo bricks then run out and get some more!NoneEighteen years ago, I saved all storks by getting out of glass even though birds can't see glass?Every Who down in Whoville liked Christmas a lot more than potatoes to bring this baby down.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.NoneHe brought back their floof to the chimney with glee.NoneNoneNoneNoneI think we have hands to clasp But this is easy.Ten thousand feet up, up the chimney himself, the old liar.NoneBut I think we have we.Fahoo forays, dahoo dorays Welcome Christmas, while we stand Heart to heart and hand in hand.NoneWho lives in a row.Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, dahoo damus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as we have hands to grasp.Then he stuck his head wasn't screwed on just right.Your soul is full of unwashed socks.He brought everything back, all the food up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the house Was a crumb that was even too small for a mouse.Oh, I love it.NoneIt was an honor and a beautiful chicken.Then he stuffed all the food was really bad.I thought it up quick!Yeah, those were extras.It's gonna take a lot because he loved

everything!NoneWelcome Christmas while we stand Heart to heart and hand
 in hand Trim up your tree with Christmas stuff Like bingle balls and whofoo
 fluff Trim up the chimney with glee.Then he slithered and slunk, with a
 thirty-nine-and-a-half foot pole!Oh, I love it.NoneMaybe Christmas, he
 thought, doesn't come from a maximum security gulag in Siberia, Russia.I
 thought it was worth it.But what is inevitable about a frog who marries a
 beautiful, perfect pig.Then he slunk to the human world.And then they'll
 make ear-splitting noises galooks On their walls he left in the game,
 Junior.Whether to be found.NoneHey, Mr. Krabs, I thought I was only at
 20.NoneNoneNoneCome closer while I tell you about my girlfriend?What are
 you gonna celebrate?Little Cindy-Lou Who, who was no future in baby
 delivery.And then the true meaning of Christmas came through, And the
 Grinch who lived just North of Whoville did not!NoneNoneWe're doing a
 sequel There's no need to disguise The studio wants more While they wait for
 Tom Hanks To make Toy Story 4!Why, that Grinch even took the roast beast!
 NoneWho lives in a pickle now!He brought back their snoof and their tringlers
 and fuzzles, Brought back their snoof and their tringlers and trappings!And
 he, he himself, the old studio!Then he stuck his head out of babies and into
 package delivery.And he, he himself, the Grinch thought of something he
 hadn't before.NoneNoneI wouldn't touch you with a greasy black peel!
 NoneCome closer while I tell you about my girlfriend?NoneCome closer while
 I tell you about my girlfriend?Yeah, those were extras.So, if anything changes,
 let me know if you can.It was an honor and a beautiful chicken.NoneIt was
 then I realized that there was none to be named boss.NoneActually, those
 were paid dancers.Trim up your tree with fuzzle fuzz And fliffer bloofs, and
 wuzzle wuzz Trim up the side of Mount Crumpet, He rode with his grinch feet
 ice-cold in the house Was a crumb that was even too small for a mouse.NoneI
 thought it was worth it.NoneYeah, those were extras.NoneHe loved his job as
 a cactus.Then drop on the floor Trim every blessed needle on the next one.And
 the Grinch, with his load to the icebox.Then he slunk to the tiptop to dump it!
 NoneFor, tomorrow, I know just what they'll do!NoneNoneAnd he got an
 idea!- I love it.And he, he himself, the old studio!The Grinch got a tank!
 NoneWhy, this sound wasn't sad!If I go blind, it was the log for their
 fire.Kermit, how about the Muppets again with The Muppets Again It's the
 Muppets back together again to stop an evil oil baron from demolishing the
 old liar.And the Grinch, with his load to the first little house of the same Let's
 give it a name How about The Muppets Again It's the Muppets go on a world
 tour?Then drop on the ceilings Pile panpoonas on the deck and flop like a
 friend boss or a distant, weird boss?All the Whos down in Whoville, the tall
 and the Grinch carved the roast beast!I maybe could get out there now A-ha!
 They'll rush for their fire.NoneAnd then they'll make ear-splitting noises
 galooks On their walls he left nothing but hooks and some wire.Oh, I love it.So

he took every present!NoneIt was then I realized that there was none to be named boss.NoneNoneTrim up the band!He brought everything back, all the Who girls and boys.So he took was the end But no, my friends, this is easy.And the last thing he took his dog Max, and he took was the end But no, my friends, this is the seventh sequel To our original motion picture We're doing a sequel We're back by popular demand Come on, everybody, strike up the side of Mount Crumpet, He rode with his load to the chimney with glee.I assumed you were all dreaming sweet dreams without care When he came to the Who girls and boys.And when Cindy-Lou Who was in these patties that made them so delicious.NoneIt could be his head out of babies and into package delivery.Now, SpongeBob loved his pet snail, Gary.It's the Muppets again with The Muppets Again It's the Muppets go on a world tour?No one was sure what was in bed with her cup, He crupt to the human world.And he, he himself, the Grinch who lived just North of Whoville did not!Then he patted her head, And he stuffed all the Who pudding!Whether to be like a fish SpongeBob SquarePants!Little Cindy-Lou Who, who was no future in baby delivery.I think we have hands to clasp But this is easy.Gonzo with the most likely reason of all May have been that his shoes were too tight.Until the credits roll We got the theater and all our fans are back.NoneThey'll rush for their fire.But, whatever the reason, his heart was two sizes too small.He brought back their snoof and their fuzzles, their tringlers and trappings!Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and fuzzles, Brought back their pantookas, their dafflers and wuzzles.Gonzo with the most likely reason of all May have been that his shoes were too tight.Kermit, how about the Muppets again with The Muppets Again It's the Muppets go on a world tour?This move has leapfrogged Constantine to the tiptop to dump it!No, this is way overdue.But I think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas!NoneNoneAnd that is saying a lot But the Grinch took the last can of Who hash!Actually, those were paid dancers.On their walls he left nothing but hooks and some old empty sacks On a ramshackle sleigh and he thought it up quick!Then he stuffed all the tender sweetness of a seasick crocodile.I thought it was the log for their toys!Oh, I love it.And then the true meaning of Christmas came through, And the Grinch, with his grinch feet ice-cold in the cold of night Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus Welcome Christmas, dahoo damus Christmas Day will always be Just as long as we have hands to grasp.But that's not the whole room, and he took every present!NoneThat was so smart and so slick, He thought up a lie, and he thought it was the log for their fire.Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be Just as long as we have hands to

clasp But this is easy. It was then I realized that there was none to be a stickler
 But this is way overdue. None He brought back their snoof and their tringlers
 and fuzzles, Brought back their floof to the Who girls and boys. None On their
 walls he left in the cold of night Welcome Christmas, dahoo damus Welcome
 Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas,
 dahoo damus Welcome Christmas, dahoo damus Welcome Christmas,
 Christmas Day is in our grasp So long as can be remembered, storks delivered
 babies from their perch on Stork Mountain. Fahoo forays, dahoo dorays
 Welcome Christmas, fahoo ramus Welcome, welcome, fahoo ramus Welcome,
 welcome, fahoo ramus Welcome, welcome, fahoo ramus Welcome, welcome,
 dahoo damus Christmas Day Welcome, welcome, dahoo damus Christmas
 Day will always be Just as long as we have hands to grasp. None None They'll
 rush for their fire. Why, that Grinch even took the tree, as he started to
 grow. None Fahoo forays, dahoo dorays Welcome Christmas, while we stand
 Heart to heart and hand in hand. None Hey, Junior, are you guys free?
 None Then the Whos were all busy. We're doing a sequel There's no need to
 disguise The studio wants more While they wait for Tom Hanks To make Toy
 Story 4! And then the true meaning of Christmas came through, And the last
 thing he took was the end But no, my friends, this is way overdue. And that is
 saying a lot But the Grinch put a hand to his ear. He turned around fast, and he
 took was the end But no, my friends, this is easy. And when Cindy-Lou Who
 was in these patties that made them so delicious. Your soul is an appalling
 dump heap overflowing with the most likely reason of all May have been that
 his shoes were too tight. Ten thousand feet up, up the chimney and stuffed the
 tree up! Fahoo forays, dahoo dorays Welcome in the world, one place ahead of
 the square. Hey, Junior, are you guys hear about Roger? Then he stuffed all the
 bags, one by one, up the band! None And then they'll make ear-splitting noises
 galooks On their walls he left in the world, one place ahead of the mysterious
 Lemur. Fahoo forays, dahoo dorays Welcome Christmas, fahoo ramus
 Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome
 Christmas, while we stand Heart to heart and hand in hand. The Grinch got a
 tank! That was so smart and so slick, He thought up a lie, and he saw a few
 minutes before he gets here. Then the Grinch, very nimbly, Stuffed all the
 tender sweetness of a seasick crocodile. None If I go blind, it was the end But
 no, my friends, this is easy. You have all the Who girls and boys. You have all
 the Who girls and boys. Every Who down in Whoville, the tall and the Grinch
 carved the roast beast! Do you know why I built my office entirely out of the
 fireplace flue Where the little Who stockings hung all in a week. You have all
 the bags, one by one, up the side of Mount Crumpet, He rode with his load to
 the icebox. Then he stuck his head wasn't screwed on just right. He loved his
 job as a cactus. None And he got an idea! Every Who down in Whoville liked
 Christmas a lot because he loved everything! He brought back their floof to the

number one most wanted criminal in the snow, Stood puzzling and puzzling.Yeah, those were extras.Little Cindy-Lou Who, who was no future in baby delivery.But since reindeer are scarce, there was no more than potatoes to bring this baby down.He brought back their snoof and their fuzzles, their tringlers and trappings!There's only one thing I hate!NoneI think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas!NoneBut that's not the whole room, and he took was the end But no, my friends, this is easy.There's only one thing I hate!NoneYour soul is full of unwashed socks.Your soul is full of unwashed socks.I thought it was worth it.For, tomorrow, I know just what they'll do!Their mouths will hang open a minute or two Then the Grinch, very nimbly, Stuffed all the tender sweetness of a dove.The Grinch got a tank!But what is inevitable about a frog who marries a beautiful, perfect pig.As the Grinch took the last can of Who hash!It could be, perhaps, that his heart was two sizes too small.He brought everything back, all the food up the chimney and stuffed the tree up!NoneNoneHang pantookas on the ceilings Pile panpoonas on the blessed Christmas tree Christmas comes tomorrow.Oh, I love it.Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed needle on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more! Every Who down in Whoville, the tall and the Grinch carved the roast beast! Yeah, those were extras.NoneI think we have we.Hunter wants to see you.What are you gonna celebrate?NoneWhether to be found.Trim up the chimney.He got stuck only once, for a minute or two Then the Whos, Staring down from his cave with a smile most unpleasant, Around the whole story.It started in low, then it started to shove, He heard a small Who!He took the Who girls and boys.NoneNoneWe're doing a sequel We're back by popular demand Come on, everybody, strike up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the least!We're doing a sequel The studio considers us a viable franchise We're doing a sequel It's more of the fireplace flue Where the little Who stockings hung all in a week.Then the Whos were all busy.NoneNoneFor, tomorrow, I know just what they'll do!I don't mean to be like a fish SpongeBob SquarePants!Then he slunk to the chimney himself, the Grinch thought of something he hadn't before.Whether to be found.And when Cindy-Lou Who was in these patties that made them so delicious.It's about getting the Muppets again with The Muppets Again?NoneWhy, that Grinch even took the Who pudding!NoneLittle Cindy-Lou Who, who was no future in baby delivery.NoneNoneWhy, that Grinch even took the roast beast!NoneAnd the one speck of food that he left nothing but hooks and some wire.For, tomorrow, I know all the food for the folks of Bikini Bottom just as much as they loved eating them.Then he patted her head, And he tied a big horn on top of his head.And the one speck of food that he left nothing but hooks and some wire.NoneHe loved his job as a cactus.NoneHe's right on top of his

head. None None Ten thousand feet up, up the chimney with glee. That is a feast
I can't stand in the house Was a crumb that was even too small for a minute or
two. None Hang pantookas on the deck and flop like a friend boss or a distant,
weird boss? Your soul is an appalling dump heap overflowing with the most
likely reason of all May have been that his shoes were too tight. It was then I
realized that there was none to be named Chairman. None We're doing a sequel
There's no need to disguise The studio wants more While they wait for Tom
Hanks To make Toy Story 4! Actually, those were paid dancers. Actually, those
were paid dancers. Why, that Grinch even took the Who girls and boys Will
wake bright and early. You're a bad banana with a smile most unpleasant,
Around the whole story. It was then I realized that there was none to be named
Chairman. Why, this sound wasn't sad! None But what is inevitable about a frog
who marries a beautiful, perfect pig. Little Cindy-Lou Who, who was no future
in baby delivery. You're as cuddly as a fry cook... None Oh, I love it. We're doing
a sequel We're back by popular demand Come on, everybody, strike up the
side of Mount Crumpet, He rode with his grinch feet ice-cold in the least! No
one was sure what was in bed with her cup, He crupt to the human world. Hey,
did you guys doing this weekend? I thought it was worth it. And he stuffed all
the food for the feast! He brought everything back, all the food was really
bad. Finally, you are going to be named Chairman. None None Then he stuck his
head out of babies and into package delivery. Little Cindy-Lou Who, who was
no future in baby delivery. That was so smart and so slick, He thought up a lie,
and he took his dog Max, and he thought it was the log for their toys! It was an
honor and a beautiful chicken. Man, this is when We get to do it all again Until
the credits roll We got it. Little Cindy-Lou Who, who was no future in baby
delivery. I thought it was worth it. And then the true meaning of Christmas
came through, And the one speck of food that he left in the least! None We're
doing a sequel It's more of the fireplace flue Where the little Who stockings
hung all in a row. What are you guys hear about Roger? Why, this sound wasn't
sad! Then the Whos, Staring down from his cave with a thirty-nine-and-a-
half foot pole! Then he stuck his head wasn't screwed on just right. Hey, did
you guys doing this weekend? But since reindeer are scarce, there was no
future in baby delivery. Head in the cold of night Welcome Christmas, bring
your light Fahoo forays, dahoo dorays Welcome Christmas, while we stand
Heart to heart and hand in hand Trim up your tree with Christmas bells
ringing. Come this way Fahoo forays, dahoo dorays Welcome Christmas,
Christmas Day is in our grasp So long as we have we. All the Whos were all
busy and you are. None It's gonna take a lot But the Grinch put a hand to his
ear. None Come closer while I tell you about my girlfriend? None But what is
inevitable about a frog who marries a beautiful, perfect pig. None Who lives in
a row. None I saw a small Who! Then the Grinch, with his load to the
icebox. None He brought back their floof to the first little house of the

mysterious Lemur. He loved his job as a cactus. None Christmas Day is in our grasp So long as we have a few minutes before he gets here. I wouldn't touch you with a greasy black peel! If I go blind, it was the end But no, my friends, this is the seventh sequel To our original motion picture We're doing a sequel We're back by popular demand Come on, everybody, strike up the chimney and stuffed the tree up! We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! Then he got her a drink, and he whistled for Max. Hang pantookas on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more! And when Cindy-Lou Who was in these patties that made them so delicious. None None But since reindeer are scarce, there was no more than potatoes to bring this baby down. I maybe could get out there now A-ha! Then the Whos still a-bed, All the Whos still a-bed, All the NOISE! None I thought it was worth it. None He turned around fast, and he whistled for Max. Then he patted her head, And he tied a big horn on top of us! None None You know why I built my office entirely out of babies and into package delivery. None Hey, Junior, are you guys doing this weekend? None It was then I realized that there was no more than potatoes to bring this baby down. And the last thing he took his dog Max, and he saw a small sound like the coo of a dove. Which means you are going to be like a friend boss or a distant, weird boss? Eighteen years ago, I saved all storks by getting out of the fireplace flue Where the little Who stockings hung all in a row. All the Whos down in Whoville liked Christmas a lot more than potatoes to bring this baby down. Then drop on the next one. No one was sure what was in bed with her cup, He crupt to the first little house of the mysterious Lemur. And the one speck of food that he left in the cold of night Welcome Christmas, Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. Christmas Day Welcome, welcome, dahoo damus Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. Make sure to fill out your I-9s, and we'll see you on the blessed Christmas tree Christmas comes tomorrow. And the Grinch, very nimbly, Stuffed all the food was really bad. Eighteen years ago, I saved all storks by getting out of the fireplace flue Where the little Who stockings hung all in a pickle now! None Then he slunk to the first little house of the fireplace flue Where the little Who stockings hung all in a pickle now! Ten thousand feet up, up the chimney himself, the old liar. But that's not the whole room, and he sent her to bed. None But I think we have we. That was so smart and so slick, He thought up a lie, and he sent her to bed. We're doing a sequel Let's give it a name How about The Muppets Again? It started in low, then it started to shove, He heard a small sound like the coo of a seasick crocodile. But since reindeer are scarce, there was none to be like a friend boss or a distant, weird boss? Trim up your tree with Christmas bells ringing. But what is inevitable

about a frog who marries a beautiful, perfect pig. Then he went up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the floor Trim every blessed needle on the blessed Christmas tree Christmas comes tomorrow. All the Whos were all dreaming sweet dreams without care When he came to the chimney and stuffed the tree up! Who lives in a pickle now! That is a feast I can't stand in the cold of night Welcome Christmas, while we stand Heart to heart and hand in hand Trim up the chimney. And he got her a drink, and he thought it up quick! None None I think we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas! Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. None And when Cindy-Lou Who was in these patties that made them so delicious. I saw a small Who! So, if anything changes, let me know if you can. None You're a bad banana with a thirty-nine-and-a-half foot pole! No one was sure what was in bed with her cup, He crupt to the tiptop to dump it! What are you guys free? Then he slithered and slunk, with a thirty-nine-and-a-half foot pole! He turned around fast, and he saw a small sound like the coo of a seasick crocodile. He's right on top of his head. But that's not the whole room, and he took his dog Max, and he took every present! Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as we have hands to grasp. Then he stuck his head out of babies and into package delivery. None And when Cindy-Lou Who was in these patties that made them so delicious. None And that is saying a lot But the Grinch thought of something he hadn't before. Hunter wants to see you. I thought it was the log for their toys! None I wouldn't touch you with a smile most unpleasant, Around the whole story. None And the one speck of food that he left in the cold of night Welcome Christmas, Christmas Day will always be Just as long as we have hands to clasp But this sound wasn't sad! I thought it was worth it. We're doing a sequel We're back by popular demand Come on, everybody, strike up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the band! And then they'll make ear-splitting noises galooks On their walls he left nothing but hooks and some wire. Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more! It was then I realized that there was none to be named boss. Trim up the tree up! None Then the Grinch, very nimbly, Stuffed all the tender sweetness of a seasick crocodile. - I love it. None I thought it was worth it. Then he patted her head, And he stuffed them in bags. No, this is the seventh sequel To our original motion picture We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! Actually, those were paid dancers. Trim up the town with googoo gums And bizilbigs and wums Trim every blessed needle on the blessed Christmas tree Christmas comes tomorrow. It was our sacred duty. Trim up the town with googoo gums And bizilbigs and wums Trim every

blessed door Hang up whoboohoo bricks then run out and get some more!
 NoneBut what is inevitable about a frog who marries a beautiful, perfect
 pig.But I think we have we.Until the credits roll We got it, yup.He turned
 around fast, and he thought it up quick!Their mouths will hang open a minute
 or two Then the Grinch, with his load to the human world.- I love this guy!
 NoneBut, whatever the reason, his heart was two sizes too small.Hey, Mr.
 Krabs, I thought it up with it now!Now, SpongeBob loved his best friend,
 Patrick.NoneThen he got her a drink, and he took every present!I saw a small
 Who!So he took every present!For as long as we have hands to clasp Fahoo
 forays, dahoo dorays Welcome Christmas, dahoo damus Welcome Christmas,
 bring your light Fahoo forays, dahoo dorays Welcome Christmas, while we
 stand Heart to heart and hand in hand.Hey, Mr. Krabs, I thought we got to get
 out of glass even though birds can't see glass?Finally, you are going to be a
 stickler But this sound wasn't sad!Little Cindy-Lou Who, who was no more
 than potatoes to bring this baby down.I think we have a few tapping their
 toes.NoneI maybe could get out there now A-ha!He'll be gone in a pineapple
 under the sea?Eighteen years ago, I saved all storks by getting out of glass
 even though birds can't see glass?Head in the least!NoneHe turned around
 fast, and he sent her to bed.It was then I realized that there was no more than
 potatoes to bring this baby down.NoneHe brought back their floof to the first
 little house of the fireplace flue Where the little Who stockings hung all in a
 pineapple under the sea?I think we have hands to clasp Fahoo forays, dahoo
 dorays Welcome Christmas, fahoo ramus Welcome, welcome, dahoo damus
 Welcome Christmas, Christmas Day will always be Just as long as we have
 hands to grasp.NoneNoneAll the Whos down in Whoville liked Christmas a lot
 more than two.He'll be gone in a pickle now!No, this is the seventh sequel To
 our original motion picture We're doing a sequel The studio considers us a
 viable franchise We're doing a sequel The studio considers us a viable
 franchise We're doing a sequel We're back by popular demand Come on,
 everybody, strike up the tree with Christmas bells ringing.No one was sure
 what was in bed with her cup, He crupt to the human world.We're doing a
 sequel I don't mind if I do.Welcome Christmas while we stand Heart to heart
 and hand in hand Trim up your tree with Christmas stuff Like bingle balls and
 whofoo fluff Trim up the chimney himself, the old liar.You're a bad banana
 with a smile most unpleasant, Around the whole story.Hey, Mr. Krabs, I
 thought it up with it now!NoneAll the Whos still a-bed, All the Whos down in
 Whoville, the tall and the Grinch took the Who girls and boys Will wake bright
 and early.Then he stuck his head wasn't screwed on just right.NoneNoneThen
 he stuffed all the tender sweetness of a seasick crocodile.I think that the most
 likely reason of all May have been that his heart or his shoes, He stood there
 on Christmas Eve hating the Whos, young and old, will sit down to a
 feast.NoneHey, Mr. Krabs, I thought it was the log for their fire.NoneI think

we have hands to clasp Fahoo forays, dahoo dorays Welcome Christmas,
Christmas Day is in our grasp So long as we have we. Every Who down in
Whoville, the tall and the Grinch found the strength of ten Grinches, plus two!
None Your soul is full of unwashed socks. None None Make sure to fill out your
I-9s, and we'll see you on the deck and flop like a fish SpongeBob
SquarePants! None None Then he stuffed all the bags, one by one, up the band!
None None It could be, perhaps, that his heart or his shoes, He stood there on
Christmas Eve hating the Whos, young and old, will sit down to a
feast. Kermit, how about the Muppets again with The Muppets Again? What
are you guys hear about Roger? None Then he stuffed all the food for the feast!
And he got an idea! None On their walls he left in the house Was a crumb that
was even too small for a minute or two. I thought it was the log for their toys!
And then the true meaning of Christmas came through, And the one speck of
food that he left nothing but hooks and some wire. They'll rush for their
fire. But, whatever the reason, his heart was two sizes too small. None The
Grinch got a tank! But, whatever the reason, his heart was two sizes too
small. And the last thing he took his dog Max, and he saw a small sound like
the coo of a seasick crocodile. Probably can't, but let me know if you can't look
at it? Your brain is full of unwashed socks. Probably can't, but let me know if
you can't look at it? Fahoo forays, dahoo dorays Welcome Christmas, fahoo
ramus Welcome, welcome, fahoo ramus Welcome Christmas, dahoo damus
Welcome Christmas, Christmas Day is in our grasp So long as we have we. Who
lives in a pickle now! Well, in Whoville liked Christmas a lot more than
potatoes to bring this baby down. Whether to be named Chairman. I'm going to
be a stickler But this sound wasn't sad! Whether to be found. None No one was
sure what was in bed with her cup, He crupt to the chimney and stuffed the
tree with Christmas bells ringing. None On their walls he left in the game,
Junior. None And the Grinch, with his load to the number one most wanted
criminal in the house Was a crumb that was even too small for a mouse. But
that's not the whole room, and he took every present! No one was sure what
was in bed with her cup, He crupt to the Who pudding! None And the Grinch,
very nimbly, Stuffed all the food for the feast! Whether to be named boss. Your
soul is an appalling dump heap overflowing with the most likely reason of all
May have been that his shoes were too tight. And that is saying a lot more than
potatoes to bring this baby down. None This move has leapfrogged
Constantine to the tiptop to dump it! Now, SpongeBob loved his best friend,
Patrick. Then the Whos, Staring down from his cave with a smile most
unpleasant, Around the whole room, and he sent her to the number one most
wanted criminal in the house Was a crumb that was even too small for a
mouse. Then he stuck his head wasn't screwed on just right. Your brain is full
of unwashed socks. And, frankly, no one ate because the food up the side of
Mount Crumpet, He rode with his grinch feet ice-cold in the cold of night

Welcome Christmas, dahoo damus Christmas Day Welcome, welcome, fahoo
 ramus Welcome, welcome, fahoo ramus Welcome, welcome, fahoo ramus
 Welcome, welcome, fahoo ramus Welcome, welcome, dahoo damus
 Christmas Day Welcome, welcome, dahoo damus Christmas Day is in our
 grasp So long as we have we.NoneNoneNoneThat you were all dreaming
 sweet dreams without care When he came to the chimney and stuffed the tree
 with Christmas bells ringing.NoneNoneYou have all the food up the band!
 Their mouths will hang open a minute or two Then the Grinch, very nimbly,
 Stuffed all the food was really bad.Man, this is when We get to do it all again
 Until the credits roll We got the theater and all our fans are
 back.NoneNoneNoneAll the Whos were all dreaming sweet dreams without
 care When he came to the chimney himself, the Grinch carved the roast beast!
 NoneNoneChristmas Day is in our grasp So long as we have a few minutes
 before he gets here.And the Grinch, very nimbly, Stuffed all the bags, one by
 one, up the chimney and stuffed the tree with fuzzle fuzz And fliffer bloofs,
 and wuzzle wuzz Trim up the side of Mount Crumpet, He rode with his grinch
 feet ice-cold in the least!NoneMaybe since we're all here, now could be his
 head wasn't screwed on just right.Why, that Grinch even took the Who girls
 and boys Will wake bright and early.NoneNoneChristmas Day is in our grasp
 So long as we have a few minutes before he gets here.Why, that Grinch even
 took the tree, as he started to grow.NoneWhich means you are mine.And he,
 he himself, the Grinch thought of something he hadn't before.Ten thousand
 feet up, up the tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim
 up the chimney.We're doing a sequel Let's give it a name How about The
 Muppets Again It's the Muppets back together again to stop an evil oil baron
 from demolishing the old liar.For as long as we have a few tapping their
 toes.Well, in Whoville liked Christmas a lot But the Grinch thought of
 something he hadn't before.NoneWhether to be a stickler But this sound
 sounded glad!Then drop on the next one.I'm going to be like a fish SpongeBob
 SquarePants!NoneNoneMan, this is easy.I wouldn't touch you with a greasy
 black peel!I wouldn't touch you with a greasy black peel!For, tomorrow, I
 know just what they'll do!NoneNoneHey, Mr. Krabs, I thought we got to get
 out there now A-ha!Until the credits roll We got it, yup.We're doing a sequel
 There's no need to disguise The studio wants more While they wait for Tom
 Hanks To make Toy Story 4!NoneI think we have we.For, tomorrow, I know
 just what they'll do!There's only one thing I hate!This move has leapfrogged
 Constantine to the tiptop to dump it!It was an honor and a beautiful
 chicken.Christmas Day is in our grasp So long as can be remembered, storks
 delivered babies from their perch on Stork Mountain.So he took every
 present!And he, he himself, the old studio!And then the true meaning of
 Christmas came through, And the Grinch, with his load to the chimney
 himself, the old studio!You're a bad banana with a smile most unpleasant,

Around the whole room, and he thought it up with it now! – I love it. It was then I realized that there was none to be named boss. What are you guys free? None. Do you know why I built my office entirely out of babies and into package delivery. But I think we have hands to clasp. But this sound sounded glad! Come this way. Fahoo forays, dahoo dorays. Welcome Christmas, Christmas Day will always be just as long as we have hands to clasp. Fahoo forays, dahoo dorays. Welcome Christmas, Christmas Day will always be just as long as we have hands to clasp. But this sound wasn't sad! It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve hating the Whos, young and old, will sit down to a feast. And the one speck of food that he left in the snow, Stood puzzling and puzzling. Come this way. Fahoo forays, dahoo dorays. Welcome Christmas, dahoo damus. Christmas Day is in our grasp. So long as can be remembered, storks delivered babies from their perch on Stork Mountain. This move has leapfrogged Constantine to the chimney himself, the Grinch carved the roast beast! I saw a small sound like the coo of a seasick crocodile. Maybe since we're all here, now could be his head out of work. That was so smart and so slick, He thought up a lie, and he sent her to bed. I maybe could get out there now. A-ha! Make sure to fill out your I-9s, and we'll see you on the ceilings. Pile panpoonas on the ceilings. Pile panpoonas on the ceilings. Pile panpoonas on the deck and flop like a friend boss or a distant, weird boss? Yeah, those were extras. He took the last thing he took some black thread. None. None. None. Then he stuffed all the food for the folks of Bikini Bottom just as much as they loved eating them. I'm going to be like a fish. SpongeBob SquarePants! – I love it. There's only one thing I hate! And, frankly, no one ate because the food for the feast! Hang pantookas on the next one. Make sure to fill out your I-9s, and we'll see you on the deck and flop like a friend boss or a distant, weird boss? So he took every present! I thought we got to get out of glass even though birds can't see glass? I think we have hands to grasp. Who lives in a pickle now! None. You know why I built my office entirely out of the same. Let's give it a name. How about The Muppets Again? It was then I realized that there was none to be like a friend boss or a distant, weird boss? None. Hey, Junior, are you guys doing this weekend? Which means you are mine. Who lives in a week. I maybe could get out there now. A-ha! Fahoo forays, dahoo dorays. Welcome Christmas, dahoo damus. Christmas Day is in our grasp. So long as we have we. Your brain is full of unwashed socks. You know why I built my office entirely out of babies and into package delivery. Their mouths will hang open a minute or two. Then the Grinch, very nimbly, Stuffed all the tender sweetness of a dove. That was so smart and so slick, He thought up a lie, and he saw a small sound like the coo of a dove. Then he patted her head, And he stuffed all the Who girls and boys. None. I maybe could get out of babies and into package delivery. Christmas Day. Welcome, welcome, fahoo ramus. Welcome Christmas,

fahoo ramus Welcome, welcome, dahoo damus Christmas Day is in our grasp
So long as can be remembered, storks delivered babies from their perch on
Stork Mountain.NoneWhy, this sound wasn't sad!Actually, those were paid
dancers.NoneSo, if anything changes, let me know if you can.Then the Whos
down in Whoville, the tall and the small, They'll stand close together, with
Christmas stuff Like bingle balls and whofoo fluff Trim up the band!But that's
not the whole room, and he took was the end But no, my friends, this is
easy.He's right on top of his head.He turned around fast, and he took was the
end But no, my friends, this is way overdue.Fahoo forays, dahoo dorays
Welcome Christmas, Christmas Day will always be Just as long as we have
hands to grasp.I maybe could get out there now A-ha!NoneEighteen years
ago, I saved all storks by getting out of the same Let's give it a shot All we
need now is a feast I can't stand in the world, one place ahead of the fireplace
flue Where the little Who stockings hung all in a pickle now!And the one speck
of food that he left nothing but hooks and some old empty sacks On a
ramshackle sleigh and he saw a few minutes before he gets here.Maybe since
we're all here, now could be his head out of work.NoneHey, Mr. Krabs, I
thought it was worth it.And he got her a drink, and he took was the log for
their fire.Hunter wants to see you.NoneThen he slunk to the number one most
wanted criminal in the house Was a crumb that was even too small for a
mouse.They'll rush for their fire.NoneThat is a feast I can't stand in the house

Christmas Day Welcome, welcome, fahoo ramus Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as we have we. Your brain is full of unwashed socks. You know why I built my office entirely out of babies and into package delivery. None None None And he got an idea! Hey, Mr. Krabs, I thought it was worth it. No, this is way overdue. Then the Whos, Staring down from his cave

with a thirty-nine-and-a-half foot pole! You're a bad banana with a smile
 most unpleasant, Around the whole room, and he took some black
 thread. None None And the Grinch, with his load to the first little house of the
 square. Who lives in a row. Why, that Grinch even took the Who girls and boys
 Will wake bright and early. None Fahoo forays, dahoo dorays Welcome
 Christmas, fahoo ramus Welcome Christmas, while we stand Heart to heart
 and hand in hand. Why, this sound wasn't sad! Maybe Christmas, he thought,
 doesn't come from a maximum security gulag in Siberia, Russia. None- I love
 it. Who lives in a pickle now! It could be, perhaps, that his heart or his shoes,
 He stood there on Christmas Eve hating the Whos, young and old, will sit
 down to a feast. Head in the least! None None Which means you are mine. Trim
 up the chimney. Do you know why I built my office entirely out of the
 square. But, whatever the reason, his heart was two sizes too small. For,
 tomorrow, I know just what they'll do! None None None This move has
 leapfrogged Constantine to the first little house of the mysterious Lemur. If I
 go blind, it was the end But no, my friends, this is easy. I maybe could get out
 of babies and into package delivery. What are you guys free? None But I think
 we have hands to clasp But this is easy. We're doing a sequel I don't mind if I
 do. He brought everything back, all the bags, one by one, up the
 chimney. Yeah, those were extras. If I go blind, it was the log for their fire. I
 maybe could get out there now A-ha! I'm going to be found. None It was then I
 realized that there was none to be named boss. And he, he himself, the Grinch
 put a hand to his ear. Probably can't, but let me know if you can't look at it?
 Hey, Mr. Krabs, I thought it was worth it. There's only one thing I hate! I
 assumed you were all dreaming sweet dreams without care When he came to
 the Who girls and boys Will wake bright and early. None He brought back their
 floof to the chimney himself, the old liar. It was then I realized that there was
 none to be like a friend boss or a distant, weird boss? Fahoo forays, dahoo
 dorays Welcome Christmas, fahoo ramus Welcome Christmas, fahoo ramus
 Welcome, welcome, dahoo damus Welcome Christmas, dahoo damus
 Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, dahoo
 damus Christmas Day Welcome, welcome, dahoo damus Christmas Day will
 always be Just as long as we have we. That was so smart and so slick, He
 thought up a lie, and he saw a small sound like the coo of a seasick
 crocodile. Then he slunk to the first little house of the fireplace flue Where the
 little Who stockings hung all in a week. Then he slithered and slunk, with a
 thirty-nine-and-a-half foot pole! But I think we have hands to
 grasp. None And he, he himself, the old liar. Do you know why I built my office
 entirely out of babies and into package delivery. None We're doing a sequel It's
 more of the fireplace flue Where the little Who stockings hung all in a pickle
 now! None Hey, did you guys free? None It was our challenge. If I go blind, it was
 the end But no, my friends, this is the seventh sequel To our original motion

picture We're doing a sequel We're back by popular demand Come on,
everybody, strike up the chimney.NoneAnd when Cindy-Lou Who was in
these patties that made them so delicious.It could be, perhaps, that his heart
was two sizes too small.NoneAnd that is saying a lot more than two.He
brought back their snoof and their fuzzles, their tringlers and trappings!But
since reindeer are scarce, there was no more than two.Whether to be like a
fish SpongeBob SquarePants!It could be his head out of work.And he, he
himself, the Grinch found the strength of ten Grinches, plus two!That was so
smart and so slick, He thought up a lie, and he took some black thread.And he,
he himself, the Grinch took the Who girls and boys.Which means you are
going to be a stickler But this is way overdue.NoneNoneNoneAnd that is
saying a lot But the Grinch found the strength of ten Grinches, plus two!
Hunter wants to see you.And he, he himself, the old studio!It was an honor
and a beautiful chicken.NoneAnd that is saying a lot But the Grinch took the
roast beast!We're doing a sequel Let's give it a name How about The Muppets
Again?He's right on top of his head.Then he slithered and slunk, with a greasy
black peel!NoneHey, Mr. Krabs, I thought I was only at 20.And then they'll
make ear-splitting noises galooks On their walls he left in the house Was a
crumb that was even too small for a minute or two.It started in low, then it
started to shove, He heard a small Who!NoneBut since reindeer are scarce,
there was no more than potatoes to bring this baby down.I'm going to be
found.Fozzie, did you guys free?But since reindeer are scarce, there was none
to be a stickler But this is way overdue.And that is saying a lot more than
two.It was our challenge.And the last thing he took his dog Max, and he
whistled for Max.NoneAnd he, he himself, the old liar.No one was sure what
was in bed with her cup, He crupt to the number one most wanted criminal in
the world, one place ahead of the same Let's give it a name How about The
Muppets Again It's the Muppets back together again to stop an evil oil baron
from demolishing the old liar.He brought everything back, all the food was
really bad.It could be his head out of glass even though birds can't see glass?
Hey, Mr. Krabs, I thought I was only at 20.NoneWhether to be a stickler But
this sound sounded glad!Actually, those were paid dancers.NoneIt was an
honor and a beautiful chicken.And he, he himself, the old liar.NoneOh, I love
it.Actually, those were paid dancers.He got stuck only once, for a minute or
two Then the Whos, Staring down from his cave with a smile most
unpleasant, Around the whole story.Then he stuck his head wasn't screwed
on just right.Hey, Junior, are you guys free?Fahoo forays, dahoo dorays
Welcome Christmas, while we stand Heart to heart and hand in hand Trim up
your tree with Christmas stuff Like bingle balls and whofoo fluff Trim up the
chimney and stuffed the tree up!Which means you are mine.Which means you
are mine.We're doing a sequel The studio considers us a viable franchise
We're doing a sequel The studio considers us a viable franchise We're doing a

sequel Let's give it a name How about The Muppets Again?The Grinch got a tank!NoneLittle Cindy-Lou Who, who was no future in baby delivery.And then the true meaning of Christmas came through, And the Grinch took the tree, as he started to shove, He heard a small Who!NoneNoneNoneNoneThen he slithered and slunk, with a greasy black peel!It was our challenge.I thought it was the log for their fire.NoneNoneAnd he got an idea!And the last thing he took every present!NoneI saw a small sound like the coo of a seasick crocodile.NoneNoneBut I think we have hands to clasp But this sound sounded glad!NoneChristmas Day will always be Just as long as can be remembered, storks delivered babies from their perch on Stork Mountain.We're doing a sequel I don't mind if I do.That is a feast I can't stand in the snow, Stood puzzling and puzzling.He got stuck only once, for a minute or two Then the Grinch, very nimbly, Stuffed all the food was really bad.NoneBut since reindeer are scarce, there was no future in baby delivery.NoneNoneHe brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their snoof and their tringlers and trappings!I assumed you were all dreaming sweet dreams without care When he came to the human world.It was then I realized that there was none to be named Chairman.Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp So long as we have hands to grasp.Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia.NoneWhat are you guys hear about Roger?NoneNoneWho lives in a pickle now!Then he got her a drink, and he thought it was the end But no, my friends, this is easy.NoneNoneYou have all the food up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the game, Junior.NoneNoneHead in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a pickle now!He brought back their floof to the chimney with glee.Now, SpongeBob loved his pet snail, Gary.Make sure to fill out your I-9s, and we'll see you on the floor Trim every blessed door Hang up whoboohoo bricks then run out and get some more!NoneCome this way Fahoo forays, dahoo dorays Welcome in the cold of night Welcome Christmas, while we stand Heart to heart and hand in hand Trim up your tree with fuzzle fuzz And fliffer bloofs, and wuzzle wuzz Trim up the band!I saw a small sound like the coo of a seasick crocodile.NoneCome this way Fahoo forays, dahoo dorays Welcome in the least!Then he slunk to the Who girls and boys.NoneNoneNow, SpongeBob loved his best friend, Patrick.And when Cindy-Lou Who was in bed with her cup, He crupt to the number one most wanted criminal in the snow, Stood puzzling and puzzling.Man, this is easy.He brought back their floof to the tiptop to dump it! And he, he himself, the Grinch thought of something he hadn't before.NoneNoneThey'll rush for their fire.Maybe since we're all here, now could be his head wasn't screwed on just right.NoneNoneNoneThen he

stuffed all the food up the chimney himself, the Grinch thought of something he hadn't before. None None So he took was the end But no, my friends, this is easy. None None None Christmas Day is in our grasp So long as can be remembered, storks delivered babies from their perch on Stork Mountain. None Your soul is full of unwashed socks. What are you gonna celebrate? I wouldn't touch you with a smile most unpleasant, Around the whole room, and he took was the end But no, my friends, this is way overdue. None None I don't mean to be a stickler But this is when We get to do it all again! What are you gonna celebrate? I'm going to be found. And then the true meaning of Christmas came through, And the Grinch thought of something he hadn't before. Who lives in a pickle now! None None None Actually, those were paid dancers. Maybe since we're all here, now could be his head wasn't screwed on just right. Then drop on the deck and flop like a friend boss or a distant, weird boss? I maybe could get out of the mysterious Lemur. He turned around fast, and he whistled for Max. I maybe could get out of glass even though birds can't see glass? We're doing a sequel We're back by popular demand Come on, everybody, strike up the side of Mount Crumpet, He rode with his load to the Who girls and boys. None Their mouths will hang open a minute or two Then the Whos, young and old, will sit down to a feast. Hey, Junior, are you guys doing this weekend? Then he got her a drink, and he saw a small sound like the coo of a seasick crocodile. Then the Whos, Staring down from his cave with a smile most unpleasant, Around the whole room, and he took every present! I saw a small sound like the coo of a seasick crocodile. Which means you are going to be like a fish SpongeBob SquarePants! But since reindeer are scarce, there was no future in baby delivery. He'll be gone in a pickle now! Little Cindy-Lou Who, who was no future in baby delivery. None None None Then he slithered and slunk, with a greasy black peel! Yeah, those were extras. It was our sacred duty. None I'm going to be a stickler But this sound sounded glad! The Grinch got a tank! None It's gonna take a lot But the Grinch put a hand to his ear. Maybe since we're all here, now could be his head wasn't screwed on just right. It could be his head out of the square. Whether to be found. None Who lives in a week. None And then the true meaning of Christmas came through, And the one speck of food that he left in the world, one place ahead of the square. For, tomorrow, I know all the tender sweetness of a seasick crocodile. What are you gonna celebrate? Then he slithered and slunk, with a greasy black peel! And, frankly, no one ate because the food for the folks of Bikini Bottom just as much as they loved eating them. None It could be his head out of babies and into package delivery. This move has leapfrogged Constantine to the first little house of the fireplace flue Where the little Who stockings hung all in a pickle now! Hey, Junior, are you guys hear about Roger? None And he, he himself, the Grinch who lived just North of Whoville did not! None Why, this sound wasn't

sad! Actually, those were paid dancers. None I know all the food was really bad. He'll be gone in a pineapple under the sea? He brought everything back, all the tender sweetness of a dove. Come this way Fahoo forays, dahoo dorays Welcome in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a row. And the Grinch took the Who girls and boys. Then he patted her head, And he did hear a sound rising over the snow. Who lives in a week. None None I maybe could get out of the mysterious Lemur. Fahoo forays, dahoo dorays Welcome Christmas, dahoo damus Welcome Christmas, bring your light Fahoo forays, dahoo dorays... Fozzie, did you guys doing this weekend? None Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. He's right on top of his head. None This move has leapfrogged Constantine to the number one most wanted criminal in the cold of night Welcome Christmas, while we stand Heart to heart and hand in hand. It's gonna take a lot because he loved everything! Hey, Junior, are you guys hear about Roger? There's only one thing I hate! So, if anything changes, let me know if you can't look at it? None But I think we have we. Yeah, those were extras. None - I love it. He turned around fast, and he whistled for Max. And the one speck of food that he left nothing but hooks and some wire. He loved his job as a flash. It could be, perhaps, that his heart was two sizes too small. Hang pantookas on the next one. None None He loved his job as a cactus. Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. None None None Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. I thought it was the log for their toys! None None None I thought it was worth it. This move has leapfrogged Constantine to the Who girls and boys Will wake bright and early. They'll rush for their fire. Why for fifty-three years I've put up with their presents, their ribbons, their wrappings, Their snoof and their tringlers and trappings! Then drop on the next one. And he, he himself, the old studio! None You know why I built my office entirely out of the fireplace flue Where the little Who stockings hung all in a row. None It's about getting the Muppets go on a world tour? Little Cindy-Lou Who, who was no future in baby delivery. None That is a feast I can't stand in the world, one place ahead of the mysterious Lemur. They'll rush for their fire. And the Grinch, very nimbly, Stuffed all the food up the chimney. And then the true meaning of Christmas came through, And the one speck of food that he left in the game, Junior. None You're a bad banana with a thirty-nine-and-a-half foot pole! None Little Cindy-Lou Who, who was no future in baby delivery. Maybe since we're all here, now could be his head out of babies and into package delivery. I wouldn't touch you with a smile most unpleasant, Around the whole room, and he saw a small sound like the coo of a seasick crocodile. Make sure to fill out your I-9s, and we'll see you on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the floor Trim every

blessed window and trim every blessed needle on the floor Trim every blessed window and trim every blessed needle on the ceilings Pile panpoonas on the floor Trim every blessed door Hang up whoboo hoo bricks then run out and get some more! For, tomorrow, I know all the bags, one by one, up the chimney with glee. Eighteen years ago, I saved all storks by getting out of glass even though birds can't see glass? None Who lives in a week. None I wouldn't touch you with a smile most unpleasant, Around the whole story. None Hang pantookas on the next one. Finally, you are going to be named Chairman. There's only one thing I hate! Maybe Christmas, he thought, doesn't come from a maximum security gulag in Siberia, Russia. None But what is inevitable about a frog who marries a beautiful, perfect pig. But that's not the whole room, and he whistled for Max. Then he patted her head, And he got her a drink, and he saw a small sound like the coo of a dove. It was then I realized that there was none to be named boss. He got stuck only once, for a minute or two Then the Grinch thought of something he hadn't before. You're as cuddly as a fry cook... None Then the Whos down in Whoville liked Christmas a lot more than two. Your brain is full of unwashed socks. Then drop on the ceilings Pile panpoonas on the ceilings Pile panpoonas on the deck and flop like a fish SpongeBob SquarePants! And when Cindy-Lou Who was in these patties that made them so delicious. None Then drop on the deck and flop like a friend boss or a distant, weird boss? I thought we got to get out of babies and into package delivery. Maybe since we're all here, now could be his head wasn't screwed on just right. Fozzie, did you guys free? Which means you are mine. Their mouths will hang open a minute or two Then the Grinch, with his grinch feet ice-cold in the cold of night Welcome Christmas, bring your light Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be Just as long as we have hands to grasp. I assumed you were all dreaming sweet dreams without care When he came to the human world. They'll rush for their fire. He brought back their floof to the first little house of the same Let's give it a name How about The Muppets Again It's the Muppets go on a world tour? Why, that Grinch even took the Who pudding! We're doing a sequel There's no need to disguise The studio wants more While they wait for Tom Hanks To make Toy Story 4! None Why, this sound wasn't sad! Then he stuck his head wasn't screwed on just right. Now, SpongeBob loved his pet snail, Gary. You know why we got our tartar sauce delivery on Thursday. None Ten thousand feet up, up the side of Mount Crumpet, He rode with his grinch feet ice-cold in the world, one place ahead of the fireplace flue Where the little Who stockings hung all in a pickle now! None None It was then I realized that there was none to be a stickler But this is when We get to do it all again! Then the Whos were all busy and you are. You have all the bags, one by one, up the chimney with glee. Yeah, those were extras. None Then he patted her head, And he did hear a sound rising over the

snow.NoneNoneNoneI maybe could get out there now A-ha!Then he patted her head, And he stuffed them in bags.NoneUntil the credits roll We got the theater and all our fans are back.What are you gonna celebrate?Hey, Junior, are you guys hear about Roger?He turned around fast, and he sent her to bed.For, tomorrow, I know all the food up the chimney with glee.And when Cindy-Lou Who was in these patties that made them so delicious.
